The Alaska All Stars are proud to once again offer the Polar Bear Classic, Alaska's premier youth hockey tournament for the 10U, 12U, & 14U Tier II Youth & Girls Divisions. Scheduled as a prelude to your state tournament, we offer a minimum of 4 games in each division, with some teams playing 5 and 6 games throughout the tournament weekend.

Final schedules will be structured based on those teams that register for the tournament (i.e. minor and major), with each division structured on an even number of teams. This tournament fills up every year and unfortunately some teams have to be turned away so please do not delay in getting your application and payment submitted.

Tournament Fee is \$1,800 for 10U and 12U. \$1,900 for 14U and Girls.

Applications are being accepted now through October 24th, and teams will be notified of participation on or before November 21st.

For additional information, please contact Justin Marcum, akallstar_ice@hotmail.com

We look forward to hosting your team and providing a full weekend of great hockey in a fun tournament atmosphere.
