

## 2022 Prospective New Player Information Sheet

- The league is a fun, and friendly house-league – with a range of skill levels.
- Games are played Friday nights at Ted Reeve arena at 6, 7 and 8pm
- It is a draft process to enter the league (teams stay the same every year and draft as players leave – so there is never a guarantee you will get in). Typically the league loses very few players – 4-6 per season is typical – so not everyone gets a spot unfortunately
- If you are interested, complete a New Player Draft Entry form (available at bar or at [www.bbchockey.com](http://www.bbchockey.com)) – and leave it with your league fee cheque for \$450 (it is not cashed until such time as you are drafted) – behind the bar – attention BBC Hockey /Brit Lane
- The Draft is on Monday September 19th
- If you are entering the draft – it is required you participate in at least one of our mixer / exhibition games September 9<sup>th</sup> and/or 16<sup>th</sup> – 6/7/8pm at Ted Reeve arena. These are \$20 and a great chance to meet some players already in the league. Once you complete your Draft entry form – you can indicate your ability to attend.
- Rosters and times for the mixer/exhibition games will be posted at [www.bbchockey.com](http://www.bbchockey.com) the evening before the game.
- If you are lucky enough to get drafted, your new team captain will contact you in the day or so following the draft (regular games start the Friday following)
