Welcome To A New Hockey Team

The establishment of a Birmingham High School Hockey Team has been a goal for community hockey enthusiasts for many years.

For so long, young players who have played for many years on various hockey clubs and in competition have entered Birmingham High Schools wanting to participate in high school activities but were unable to play "their" sport for their high school.

Now that opportunity exists for them, and will give incentive to future young hockey players to sharpen their skills so that they too will have a chance to play hockey for their high school.

This opportunity owes thanks to a number of people and organizations for their effort and support. It is appropriate that they are recognized.

The Birmingham School Board should be thanked, because it was they who gave the final approval and their vote of confidence to a high school hockey team. Along with this go thanks to Dr. Hoffler and Dr. Miller for their help and support.

To get high school hockey to the point of approval, it took the distinguished effort of Mr. & Mrs. Schroeder, Dr. & Mrs. Moore, Mr. & Mrs. Freisen, Mr. & Mrs. Kammer, Mr. & Mrs. Brenner, Mr. & Mrs. Benish, Rick Williams, Mr. & Mrs. Bolton, Mr. Kenny and Mr. Van Wyke -- plus the support of the Birmingham Hockey Association.

While we are elated that high school hockey has a start, its continued existence will be possible only if the parents of FUTURE high school hockey players are willing to give the same support and effort as the current parents are giving! This cannot be stressed enough, because without strong parental effort and support, a high school hockey team can disappear as quickly as it appeared.

To all the advertisers in this yearbook/program, and to all of the Booster Club members we offer our sincere appreciation and thanks. Your contributions and support have helped to make a dream come true for the young people on this hockey team.

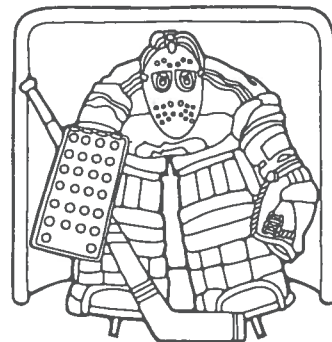

We are very happy for these Groves and Seaholm students who comprise this first-ever Birmingham Hockey Team and wish them a successful and enjoyable season.

Bruce Egerer, President
Birmingham High School Hockey
Parents' Association

Welcome to the 1992-93 Birmingham High School Hockey Season

It is with a great deal of anticipation and excitement that we begin our first season as the Birmingham High School Hockey team. Interest in youth hockey is traditionally very strong in the Birmingham area and it is very fitting in my mind that during their high school years our students have an opportunity to play for their respective schools and earn a varsity letter.

Personally, it is a privilege for me to coach these young men. Together we will face many challenges: combining the talents from all four classes at Groves and Seaholm, developing individual and team skills and building a competitive and reputable program for Birmingham.

Many thanks to everyone who has made this program possible. We look forward your enthusiastic attendance at our games.

Bill Reepmeyer
Head coach

Each hockey team sets and develops its own goals, values, self-worth and style of play; so it will be with our first-ever Birmingham team. The foundations established this year will be building blocks for future years and future teams.

Everyone in the Birmingham community wishes the very best to Coach Del Schroeder, Coach Bill Reepmeyer and to the parent booster club, managers, support groups and to all the players. I support all athletic teams that play hard, use self-discipline, display team work and always play with enthusiasm and within the rules of the game.

I am very glad that you are here to enjoy and support OUR hockey team. As we progress through the season, it is my hope that we gain not only physically, but also in the areas of pride, ethics, emotion and self-worth. These attributes make each individual a WINNER in life.

Good luck to all in this, our first hockey season!

Bill Rankin
Athletic Director
Birmingham Groves High School

Del Schroeder
Coach

An idea for a Birmingham High School Ice Hockey Team originated two years ago. We are very excited about the fact that this dream has come to fruition. In 1991, players and parents worked together to develop a Junior Varsity Team and demonstrated to the Birmingham High School community its interest for varsity ice hockey.

Birmingham high school ice hockey is now a 100 percent pay-for-play participation sport, supported by players, parents, sponsors, and patrons like you.

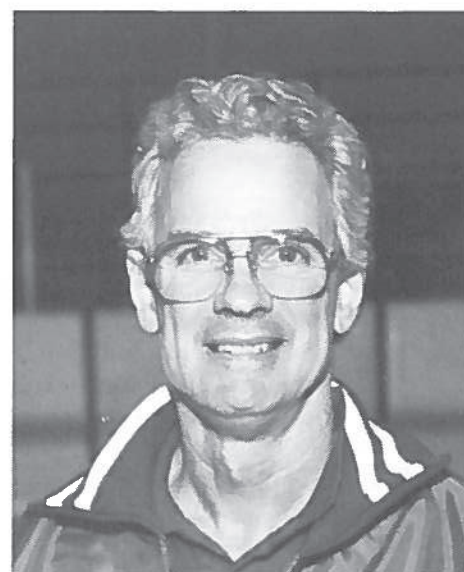

The team's entire coaching staff will be donating their coaching salaries to the Birmingham High School Hockey Parents' Association (BHSHPA) as its support and commitment toward this hockey program. On behalf of the players, parents, coaches, and both Birmingham high schools, thank you for your support and attendance.

Andy Bergesen, Asst. Coach

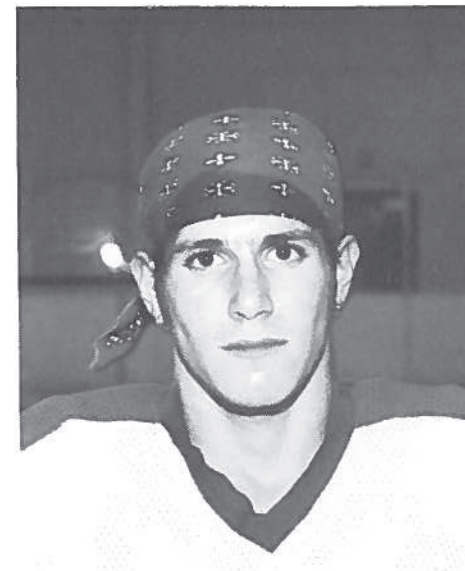

Tim Wedge, Asst. Coach

GEIB ASSOCIATES, INC. was founded in 1949 on the premise that an insurance program should be adapted to the specific needs of each individual client. The continuous practice of this philosophy has enabled us to grow and progress with the times.

Today, Geib Associates, Inc. writes a wide range of types and sizes of accounts always with an emphasis on service. We feel our products reflect this as demonstrated through our portfolio of insurance companies. You can expect consistent dependable markets, offering above average products at reasonable prices.

Here are a few of the fine companies who have chosen us as their representative . . .
