ON TO HIGHER GOALS

Our first season is behind us now and it was successful beyond our wildest hopes!

The outstanding performance of a very young team was a compliment not only to the players, but to the coaches as well. Just as important, was the enthusiasm and support of the parents!

This coming season is going to be an even bigger challenge than the first year. We will have a number of new players and parents, and a move to Cranbrook Ice Arena. A tougher playing schedule, and a reorganization of support functions will test the dedication of all involved.

However, I believe the people in the hockey program are equal to the task and will push on to a higher level of accomplishment.

To all the advertisers in this yearbook/program, and to all of the Booster Club members, we offer our sincere appreciation and thanks. Your contributions have helped make a program for our young students become successful.

Bruce Egerer, President
Birmingham, High School
Hockey Parents' Association

PLEASE PATRONIZE THE ADVERTISERS WHO HELPED
TO MAKE THIS PROGRAM AND THE
BIRMINGHAM HIGH SCHOOL HOCKEY TEAM A REALITY!

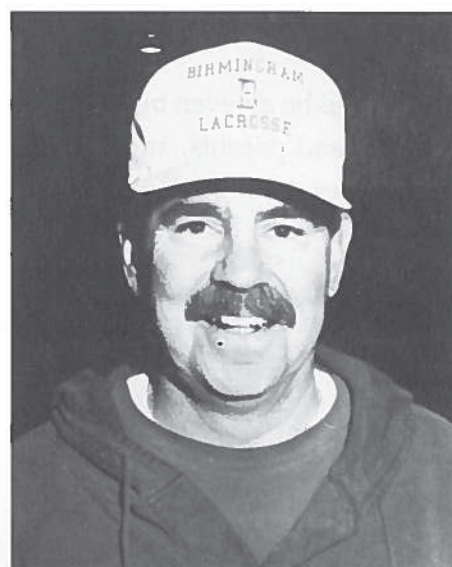

The 1992-93 Birmingham High School Hockey program was very successful. The coaches were proud that the team made all the expected sacrifices necessary for having a winning season. Its 1993-1994 team will be even stronger. This team has over sixty percent returning players from last year. Their experience will help the new players as the team faces a more competitive schedule. Most high school hockey programs are largely structured around junior and senior players. However, because it is a new team, the Birmingham High School Hockey team has a very strong preponderance of sophomore players. We coaches are confident, however, that the Birmingham High School Hockey team has the experience and seasoning necessary to be competitive with the best, as its schedule reflects.

Welcome To The 1993-94 Birmingham Hockey Season

Last year was the inaugural season of what I expect will be a long and successful ice hockey program for the Birmingham High Schools. Many thanks to everyone who enabled this program to get underway. I am especially proud of our players coming together from Groves and Seaholm who played so hard and so well to accomplish a 500 record their first year.

We begin this year with the opportunity to build upon the positive reputation the team established last year. We have added several talented players to a strong group returning from last year's team to meet the challenge of a more difficult schedule. My goal is to improve on last year's record, to have fun, and to become known as one of the tough teams to beat.

I appreciate the generous assistance of our parents and coaches. The team looks forward to welcoming fans to our new home ice at Cranbrook.

Bill Reepmeyer
Co-Head Coach

Welcome to the 1993-94 Birmingham Hockey season! The foundations established last year will continue to be the building blocks for future years and future teams. We still hold high values, goals, self-worth and style of play. Our community values each individual and fosters intellectual excellence, personal development, social responsibility and ethical standards.

Each of us in the Birmingham community wishes the very best to Coach Del Schroeder, Coach Bill Reepmeyer and to the parent booster club, managers, support groups and to all the players. Play hard, use self-discipline, display teamwork and always play with enthusiasm and within the rules of the game.

I am very glad that you are here to enjoy and support our hockey team. As we progress through the season, I believe the above will develop teamwork, school spirit, good ethics and good citizenship.

Good luck to all in this, our second hockey season!

Outstanding Academic Achievement

The 1992-93 Birmingham High School Hockey Team's Captain, TONY HARRIS, a senior from Groves High School last year, was recognized for his outstanding academic achievement by the Athletic Director of the State of Michigan. Tony was honored with the Hockey Academic Achievement Award for his outstanding grade point average of 3.82. He was not only a great athlete but a scholar, as well, and was awarded his plaque at the high school hockey banquet.

The coaches and the schools were also very proud to recognize JOHN THOMAS, a junior from Seaholm last year, JAMIE SCHROEDER, a sophomore from Seaholm last year, and TOD WILLIAMS, a freshman from Seaholm last year, for their academic achievement. All players maintained a 3.5 or higher grade point average while competing in high school athletics.

Birmingham's 1992-1993 All-Suburban League Select Hockey Team

At the conclusion of the 1992-93 suburban High School Hockey League season, a select team was drafted by the League coaches. Being nominated as a player on this All-Suburban League Select Hockey Team is an honor and recognition for a player's outstanding contribution and performance for his school. Last year Birmingham High School hockey Team defense man, Tony Harris, a senior from Birmingham Groves, and Jamie Schroeder, a sophomore forward from Birmingham Seaholm, were chosen for membership to the eighteen-member All-Suburban League Select Hockey Team. Chris Joppie, sophomore goalie, Jamie Alexander, sophomore defense, and Ryan Wolf, senior forward, were all selected honorable mention.

Selection to the team is an honorary position and members were given an All Suburban Hockey League medal, presented at the Birmingham High School Hockey banquet in March 1993.

Congratulations And
Good Luck To The
Birmingham High School Hockey Team
