PLEASE PATRONIZE THE ADVERTISERS WHO HELPED
TO MAKE THIS PROGRAM AND THE
BIRMINGHAM HIGH SCHOOL HOCKEY TEAM A REALITY!

AN ATHLETIC PROGRAM IS MORE THAN PLAYING THE GAME

The Birmingham High School Hockey Program is right in the middle of a big transition! With the large number of players who graduated last year, along with the large number who will graduate at the end of this school year, all of the players and almost all of the parents who began this hockey program will be gone.

There is strong indication that the talent of the young players coming up will continue to improve the quality and competitiveness of the team. The challenge will be for the incoming parents to pick up on the efforts that make the program go. I have great confidence that that will happen.

All high school sports have one thing in common. They all have spectators, mostly students and parents. Students are young, they are still learning, they're enthusiastic, excitable and occasionally make a mistake. Parents are adults, experienced and should lead by showing a good example. I am very proud of the example our parents set as spectators. Their behavior and conduct contribute significantly to the success of our program and to the image of our community to outsiders.

To all the advertisers in this program and to all of the Hockey Boosters, we offer our sincere appreciation and thanks. Your contributions have helped make our hockey program successful.

Bruce Egerer Birmingham High School Hockey Parents Association

A MESSAGE FROM THE COACHES

Welcome to the 1995-96 Birmingham Unified hockey season! This will be the first year our team has gone through a significant transition since its inception three years ago. Graduation last year included the seniors who have carried most of the scoring responsibility, the core of our defense and our goalie for three years. To offset this loss of experience, we have added thirteen new players loaded with both talent and enthusiasm in making up our twenty five man roster.

Coach Del Schroeder also retired, but we have added new assistant coach Mike Tarnopol and goalie coach Brian Verkest. Together with Mark McCullough and Craig Conrad, who are returning from last year, we now have four excellent assistant coaches to help develop the players' potential.

BH Comments of the Comment of the Co

Due to our league restructuring, we were able to add several new highly ranked teams to our schedule. After a 15-8-1 record last year, our job is to get all of our talent working together to face the challenge of the most difficult schedule for us yet. This should prove to be a very exciting season for the team and its fans. I am honored to lead the way.

Bill Reepmeyer Head Coach

Asst. Coach Craig Conrad

Asst. Coach Mike Tarnopol

Asst. Coach Mark McCullough

Goalie Coach Brian Verkest

WELCOME TO THE 1995-96 BIRMINGHAM HOCKEY SEASON

Welcome to the 1995-96 Birmingham Hockey season! This is our fourth season and by all indications, our team will be very competitive once again. High School athletics is very exciting and fun to be around. I'm glad you're here to enjoy that excitement!

Our values continue to be the same as in the past years. Sportsmanship from our players, coaches, students, parents and fans leads the list. As a spectator, you have a responsibility to always conduct yourself in a positive manner that reflects good sportsmanship. "GOOD SPORTS ARE WINNERS" and that is the essence of the Athletic Department in the Birmingham Public Schools.

Our community expects and works hard toward ethical standards, social and personal responsibility and a total commitment to individual excellence. We want everyone to be a part of this philosophy.

Each of us in the Birmingham community wishes the very best to Coach Bill Reepmeyer, the parent booster club and to all the players. Play within the rules of the game, play hard, use self-discipline, display teamwork and always play with enthusiasm.

As we progress through the season, I believe the above will develop teamwork, school spirit, good ethics and good citizenship.

Good luck to all as we continue to go forward in athletic competition as well as taking another step to becoming the very best person possible.

Bill Rankin Athletic Director Birmingham Groves High School
