THE WATCH GUARD CHANGES

This season marks the fifth of the existence of the Birmingham Unified High School Hockey Team. It is also the fifth year of my service as President of the Parents' Association and probably my last. The time and effort put in has been a labor of love for me and I shall miss it!

The start up of this program was a fragile, difficult endeavor and neither I nor anyone else could have predicted what a solid position this hockey program would be in after such a short period.

From my view, the most gratifying and beneficial aspect of this season is that with the final departure of the hockey players and parents who worked so hard to establish this program, the replacements are every bit as dedicated and hard-working as those who have been members during the past four years. The bricks of the structure have been put in place by those of the past, but will be maintained and improved on by those of the future, of that I am now sure.

Much of the success of any athletic program depends on the coaching. It is easy and human nature to second-guess coaching, but we could not have come this far without good, dedicated coaching. The coaches deserve a great deal of credit for whatever success has been achieved.

This program has provided and will continue to provide fun, enjoyment, competition, pride and education for both students/players and parents alike. Our community and schools can be proud of what the Unified Team has accomplished. However, it can get better with the right effort and attitude. My bet is that the next five years will be better than these first five years.

To all the advertisers in the Yearbook/Program and to all of the Booster Club Members, we offer our sincere appreciation and thanks. Your contributions have helped make our hockey program a success.

BRUCE EGERER,

Hockey Parents' Association

# A MESSAGE FROM THE COACHES

Welcome to Birmingham High School Hockey 1996-1997! As we begin our new season I'd like to look back for a moment to thank the ten graduating players from last year, including four who had been with the team since our first season in 1992-1993. Their effort and abilities helped us to a 12-8-4 record in 1995-1996.

This season looks promising. We are fortunate to have the majority of our talented players returning. By adding strong players at each position and moving two forwards to defense, we expect to be an improved team. Even though we face a more difficult schedule, our goals are to better last year's record, to contend for the league championship, and to win districts.

I welcome back Tim Wedge as an assistant coach who was with us in our first season. Together with Craig Conrad, Mike Tarnopol and Brian Verkest, we have four excellent coaches to help me develop the players' potential.

I appreciate all the time and effort our parents contribute in support of the team and also our loyal fans. We promise you exciting hockey.

# WELCOME TO THE 1996-97 BIRMINGHAM HOCKEY SEASON

Welcome to the 1996-1997 Birmingham Hockey Season! Coach Bill Reepmeyer and his assistants plan to build upon the last several seasons of success. In this, our fifth season, we are looking forward to an excellent season. Birmingham Hockey is exciting to be around.

In Birmingham, our values continue to be the same as in the past. Leading the list is sportsmanship among our players, coaches, students, parents and our fans. "GOOD SPORTS ARE WINNERS" and is essential in the Athletic Department of the Birmingham Public Schools.

Our community expects and works hard toward ethical standards, social and personal responsibility and a total commitment to individual excellence. We want everyone to be a part of this philosophy.

I am very happy that you are here to enjoy and support our hockey team. As we progress through this season, I believe the above will develop teamwork, school spirit, good ethics and good citizenship.

I hope you will enjoy the game and all that goes with high school hockey.

BILL RANKIN,  
Athletic Director  
Birmingham Groves High School
