and the Birmingham High School Hockey Team a reality!**

Welcome to the 1997-98 Birmingham Hockey Season!

Greetings from Birmingham Athletics and welcome to the 1997-98 Hockey season! As my first year as Athletic Director continues, I am very pleased with the enthusiasm and dedication displayed by our coaches and athletes. I am excited about this year's Hockey team and certain that Coach Bill Reepmeyer and his assistants are poised for another year of thrilling hockey.

Our team and the Birmingham Public School District will count on you, our fans, to exhibit good sportsmanship. I truly believe that an important part of the high school athletic experience is the values which are promoted.

Our community expects that we will work hard toward high ethical standards. Please know that we are also committed to the Michigan High School Athletic Association's principles of "Good Sportsmanship."
"GOOD SPORTS ARE WINNERS."

Thank you for the warm reception which I have received and for supporting our Hockey team. Please feel free to cheer loudly for our team and refrain from cheering against the opponent. Our student-athletes will feel your support and use it as momentum toward victory.

I hope that you will enjoy the game and come back to join us on a regular basis.

Fred Procter
Athletic Director
Birmingham Groves High School

There Is More To It Than What You See!

Hockey is the fastest growing high school sport in Michigan. It has a long way to go to reach the popularity of the glamour sports, but it will happen because of the excitement hockey generates not only for the players, but for the spectators as well.

It has been exciting and gratifying for me to be a part of this Birmingham Hockey Program. The players, coaches, students, school administrators, and particularly the parents from this year and all the past years deserve a lot of credit for the achievements of this program. The startup, development and functioning of this type of unusual high school athletic program is not easy and takes an enormous amount of effort and dedication. It is unusual because it is financed and run by the hockey parents and cannot be successful or sustained without total support and participation by all of the hockey parents. Hopefully, the parents of future teams will not overlook what has taken this program to where it is.

The combining of athletes and parents from two schools that compete so fiercely in other sports has been one of the delights of this program. It doesn't matter what school someone is from, it only matters that they are part of this team and the harmony that is essential is quite evident.

I wish for the successful season that I know our hockey players and coaches are working so hard for and I thank the coaches for the dedication that they give to our children. It's simply not possible here to relate all of the time and effort that our coaches give. Of course, this hockey program or even the start up of it would not be possible without the well appreciated support of the BPS Administration.

To all of the advertisers in this Yearbook/Program and to all of the Booster Club Members, we offer our sincere appreciation and thanks. Your contributions have helped make our hockey program a success.

Bruce Egerer, President
Birmingham High School
Hockey Parents Association

A Word from the Coaches

Welcome to another Birmingham High School Hockey season! Last year we graduated only six players, but they represented a lot of talent and we will miss them. Since my son Jon was one of the graduates, this will be my first season in nineteen years of coaching that my team does not include one or more of my four sons. The feeling will be different, but my commitment to high school hockey remains as strong as ever and I look forward to another exciting, productive year for the Birmingham Unified team.

Our 1996-97 record of 16-7-1 was our best ever and included an eight game winning streak from mid-January to mid-February and our first top ten state ranking.

Joining several strong returning players are some talented newcomers, including two goal tenders. I have enough confidence in this group that for the first time we have scheduled all top ranked teams for our non-league games.

The Surbaban League added six new teams this season and we were moved to the North Division, composed of Oakland County teams. Our goal this year will be to win our league championship and be competitive in our non-league games.

Once again, I want to thank all our parents and fans for their loyal support. Hearing your applause in the stands inspires us to play our best. Special thanks to assistant coaches Mike Tarnopol and Tim Wedge for all their help past and present and to Craig Conrad who wasn't able to return this year. Welcome to new assistant Joe Carolin and to Barry Gold, our goalie coach.

We're proud to be the Birmingham Unified Hockey Team. Let's go get 'em, guys!

Being a good neighbor
is a part of our heritage.

Since 1849,
Comerica has been meeting
the needs of our local
community in more ways
than just traditional
banking services.

WHERE THE TRADITION OF COMMUNITY SERVICE BEGAN

Comerica has made a
commitment to our hometown.
With the people that make up
our organization, to the time,
energy and effort we place
in making our community
a better place in which to live.
Community service is not
just idle words for us.
It's a way of life.

Have A Great
1998 Season!

Winning takes teamwork.

Get the PaineWebber team behind you.

It's awfully hard to win a game with just one player. And, in today's complex environment, it could be just as difficult reaching your investment goals on your own. Our professional Investment Executives offer successful solutions to your investment needs.
