Welcome to the 1998-99 Birmingham Hockey Season!

Greetings from Birmingham Athletics and welcome to the 1998-99 Hockey season! I am very pleased with the enthusiasm and dedication displayed by our coaches and athletes. I am excited about this year's Hockey team and certain that Coach Bill Reepmeyer and his assistants are poised for another year of thrilling hockey.

Our team and the Birmingham Public School District will count on you, our fans, to exhibit good sportsmanship. I truly believe that an important part of the high school athletic experience is the values which are promoted.

Our community expects that we will work hard toward high ethical standards. Please know that we are committed to the Michigan High School Athletic Association's principles of "Good Sportsmanship." "GOOD SPORTS ARE WINNERS."

Thank you for supporting our Hockey team. Please feel free to cheer loudly for our team and refrain from cheering against our opponent. Our student-athletes will feel your support and use it as momentum toward victory. Also, know that the referees are dedicated, hard-working, and committed individuals who help make high school sports possible. These individuals perform best in a positive atmosphere - Let's keep it positive.

I hope that you will enjoy the game and come back to join us on a regular basis.

Just the Tip of the Iceberg

Dear Hockey Fans:

The start of the new hockey season always brings high expectations for success from the players, coaches, parents, and fans. We all know that success is only achieved by working hard and performing your duties to the best of your abilities.

The "*Tip of the Iceberg*" is the very fine product that we put on the ice every game. The coaches and players have been preparing for the season since early August with conditioning skates and with the beginning of organized practices starting in November. I can assure you that the level of competition that these young men demonstrate will be both entertaining as well as competitive.

The "*Rest of the Iceberg*" consists of the behind the scenes activities that occur between the Birmingham High School Hockey Parents Association and the Birmingham Public School Administration. The fundraising, financial administration, securing ice schedules, game scheduling, volunteer scheduling, coordinating bus schedules, gathering of student compliance, scheduling referees, and last but not least, publishing this program have always been flawlessly handled by Bruce Egerer, who was one of the founding fathers of the Birmingham Unified Hockey Program. The magnitude of his dedication and service is just beginning to be understood and appreciated by those of us who are attempting to take the reins of the program. Fortunately for us, Bruce has agreed to be our consultant and friend for the immediate future.

The Birmingham Unified Hockey Program is an exemplary program of student athletes and parents from two great schools that compete fiercely throughout the year and then join forces for the hockey season. The friendships and mutual respect that the BUH families have for one another is a tremendously rewarding experience.

The success of the Birmingham Hockey Program is really the "*Tip of the Iceberg*" that the Birmingham Community sees. The real success comes from the support of the advertisers in this program, the support of the Parents and the Boosters, and the hard work expended by the players and coaches. To each of these groups, I offer my thanks and best wishes for a successful season.

Kerry Kotila
Birmingham High School Hockey Parents Association

A Word from the Coaches

Welcome to the 1998-99 Birmingham Unified High School Hockey season. Last year we were able to compile a 17-9 record overall and an outstanding 14-2 record in the North Division of the Suburban Hockey League. A good deal of credit for that goes to our nine graduating seniors, most of whom had been with the team for three years.

This year for the first time in our seven years we will play in Division I of the Oakland Activities Association rather than the Suburban League. We will also again be playing all top ranked teams as our non-league schedule. Our goals this year will be to win our league and our district playoffs and to equal last year's record.

We are returning two of the best goaltenders in the state and a very experienced defense corps. Graduation took seven of our forwards but we have added some very young but talented and enthusiastic players on offense and defense who I am confident will gain experience and quickly get the job done.

I look forward to working with two experienced assistant coaches, Gary Borgquist and Dave Unger, and goalie coach Barry Gold who I am sure will assist me in providing the coaching our players need to develop their talents.

We appreciate all the time and effort our present and past parents contribute in support of the team and also our loyal fans. We promise you exciting hockey!

THE MOTOR TREND TRUCK OF THE YEAR

This is the year of The Truck: Chevy® Silverado®, the Motor Trend Truck of the Year. It all started when we took the most dependable, longest-lasting full-size pickup on the road* and made it bigger, faster, stronger, smarter.

We knew we could build a better truck.† And we did. Motor Trend agrees. That's why we say Silverado isn't just any new truck. It's The Truck. From Chevy. The most dependable, longest-lasting trucks on the road.†
