Thank you to all of the boosters and advertisers who have helped to make the 1999-2000 Birmingham Unified Hockey Season a reality through their contributions to this program. Patronizing the businesses and services advertised in the program is the perfect way for fans, parents, and players to say thanks!

Welcome to the 1999-2000 Birmingham Hockey Season!

Greetings from Birmingham Athletics and welcome to the 1999-2000 Hockey season! I am very pleased with the enthusiasm and dedication displayed by our coaches and athletes. I am excited about this year's Hockey team and certain that Coach Bill Reepmeyer and his assistants are poised for another year of thrilling hockey.

Our team and the Birmingham Public School District will count on you, our fans, to exhibit good sportsmanship. I truly believe that an important part of the high school athletic experience is the values which are promoted.

Our community expects that we will work hard toward high ethical standards. Please know that we are committed to the Michigan High School Athletic Association's principles of "Good Sportsmanship." "GOOD SPORTS ARE WINNERS."

Thank you for supporting our Hockey team. Please feel free to cheer loudly for our team and refrain from cheering against our opponent. Our student-athletes will feel your support and use it as momentum toward victory. Also, know that the referees are dedicated, hard-working, and committed individuals who help make high school sports possible. These individuals perform best in a positive atmosphere - Let's keep it positive.

I hope that you will enjoy the game and come back to join us on a regular basis.

A Word From the Parents Association

Dear Hockey Fans:

The start of the new hockey season always brings high expectations for success. This year's team, filled with many new players, coaches, and parents promises to be both entertaining and competitive.

As a seasoned veteran of the hockey program, it is always gratifying to watch the new year take shape. New parents offering to take over responsibilities from those who have graduated, new players filling their respective roles, and new advertisers filling the pages of this book.

The Birmingham Unified Hockey Program is an exemplary program of student athletes and parents from two great high schools joining together to form one hockey team. The friendships and mutual respect the BUH families have for one another is a tremendously rewarding experience.

The financial support from the advertisers, parents, and boosters listed in this program is the basis for the success of the Birmingham Unified Hockey Program. This effort is matched by the effort expended by the young men playing for Birmingham Unified. On behalf of the Parents Association, I would like to offer my thanks and best wishes for a successful season.

Sincerely Yours.

Kerry R. Kotila
Birmingham High School Hockey Parents Association

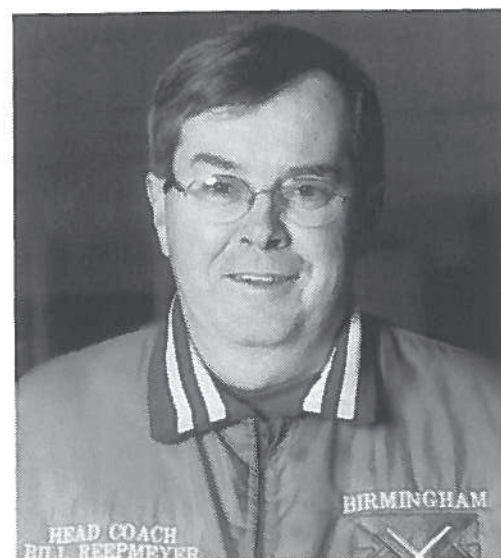

A Word from the Coach...

Welcome to Birmingham High School Hockey, 1999-2000! A new season...a new century. First of all, I'd like to acknowledge the ten graduating players for their contributions to our team. Their efforts and abilities helped us to challenge all last season for the OAA League Title. And who could forget the drive our players put forth in that gruelling but exciting concluding four overtime loss in districts!

This season looks promising with the addition of many young but skilled players who join ten returners from last year. Our challenge will be to gain experience from playing a difficult early season non-league schedule. Then it will be our goal to build on this experience to win both our league and district playoffs.

Special thanks to last year's assistant coaches, Dave Unger and Gary Borgquist, whose ongoing help is sincerely appreciated. Our coaching staff this year returns Craig Conrad and Tim Wedge, both of whom assisted in several previous seasons. Their experience and talents should be most valuable to the development of our players' skill and team play.

Thank you for all of the time our present and past parents contribute to support the Unified Team. And to all our fans, the team is committed to providing exciting hockey.
