Welcome to the 2000 - 2001 Birmingham Hockey Season!

Greetings from Birmingham Athletics and welcome to the 2000-2001 Hockey season! I am very pleased with the enthusiasm and dedication displayed by our coaches and athletes. I am excited about this year's Hockey team and certain that Coach Bill Reepmeyer and his assistants are poised for another year of thrilling hockey.

Our team and the Birmingham Public School District will count on you, our fans, to exhibit good sportsmanship. I truly believe that an important part of the high school athletic experience is the values which are promoted.

Our community expects that we will work hard toward high ethical standards. Please know that we are committed to the Michigan High School Athletic Association's principles of "Good Sportsmanship." "GOOD SPORTS ARE WINNERS."

Thank you for supporting our Hockey team. Please feel free to cheer loudly for our team and refrain from cheering against our opponent. Our student-athletes will feel your support and use it as momentum toward victory. Also, know that the referees are dedicated, hard-working, and committed individuals who help make high school sports possible. These individuals perform best in a positive atmosphere - Let's keep it positive.

I hope that you will enjoy the game and come back to join us on a regular basis.

Fred Procter
Athletic Director
Birmingham Groves High School

A Word from the Coach...

Welcome to the 2000 – 2001 edition of Birmingham High School Hockey. We are coming off an 11 – 13 – 2 season with a most difficult non-league schedule. We finished a close third in OAA Division I with a 9 – 4 – 1 record and played well in the district playoffs.

We have a strong nucleus returning this season led by goalie Tim Shea, 3 year all-league and honorable mention all-state, as well as returning six defensemen led by fourth year Chris Kotila, our captain. We also are returning some strong forwards who should mix well with many new players who look very promising.

Bill Reepmeyer, Head Coach

I regret losing assistant coach Tim Wedge whose job moved him to another school district. However, we have added Steve Avsharian who has played professional hockey. We have also added Kyle Friesen who played the first three seasons of our program and then for three years with U of M Dearborn. Together with Craig Conrad, I think we will be able to coach these very talented players to a successful season. Our objective will be to win our league and the district playoffs.

Thank you to our parents for all their help and to our loyal fans for all of their support.

Bill Reepmeyer
Head Coach

Asst. Craig Conrad
