Shouldn't you choose a sports medicine doctor as carefully as the pros do?

Imagine how important a shoulder is to a wide receiver or a fullback. How important a knee is to a competitive skater.

For professional athletes, their whole career—their life—depends on their bodies performing at their peak. That's why they're so very particular about their doctors.

And why, so many professional and college athletes choose the Sports Medicine specialists at Beaumont.

BIRMINGHAM UNIFIED SENIOR CLASS OF 2013

Kenneth Jacob O'Hanlon #9 Captain Kevin Kristopik #5
Assistant Captain Zach Tayler #11 Mark Deacon #7
Jacob Saroli #1 Michael Madigan #24
Captain Adam Susalla #17 Patrick Blair #12

**YOUR FAMILY AND FANS THANK YOU FOR YOUR
DEDICATION AND TO ALL THE THRILLING
MOMENTS YOU PROVIDED. GO KINGS!!**

BIRMINGHAM UNIFIED SENIORS

Patrick Blair #12

Patrick began his hockey career with Birmingham at the age of 7 where he quickly developed a love for the game. He has been playing at Birmingham his whole life, and has been apart of the Birmingham Unified program for 4 years. He hopes to continue his hockey career further into college. A message for the underclassmen is to enjoy every moment you can, because it will be over before you know it. Patrick's dream is to attend the University of Michigan and to play club hockey as a Wolverine.

Mark Deacon #7

Mark started skating in the backyard at 3 years old. He joined the Birmingham Hockey Association at 5 and played there until he was 12. He then joined the Birmingham Liberty for one year then moved on to Royal Oak. Mark joined the BU program as a sophomore playing with the JV and Coach Chateau. Mark loves playing defense and is looking forward to a great senior year.

BIRMINGHAM UNIFIED SENIORS

Kevin Kristopik #5 Captain

At the age of 4, Kevin began his hockey career as a “chair pusher” at the Learn to Skate program in Royal Oak. He especially loved laying on the ice and making snow angels during the instruction time! Eventually he got the hang of skating and hasn’t stopped since. He has participated in both the Royal Oak and Birmingham house hockey programs, as well as travel hockey for Birmingham—the Birmingham Liberty. His favorite hockey times have been as a member of the BU hockey teams. He played JV as a freshman and sophomore and Varsity as a junior. Kevin loved winning the JV championship! Last year, the playoff game against Orchard Lake St. Mary’s was quite a memory. Kevin hopes to participate in hockey in some way in college---either as a fan or on a club team or both!

Kenneth Jacob O’Hanlon #9

Kenn started his hockey career when he was eight years old, playing defense as a mite for the Southfield Hockey Club. The following year he moved over to Royal Oak Hockey where he chose to change his position to a forward. This is where Kenn played for the majority of his time. He also chose to play travel for a season, as a defenseman/forward for the Royal Oak Eagles. During his final year at Royal Oak Kenn switched to the Adray League where his team went on to win the State Championship. After that he joined the high school team as a freshman on the JV team for two years and two years as a varsity player. Kenneth is planning on attending the University of Michigan next year and will always play hockey somewhere.

BIRMINGHAM UNIFIED SENIORS

Michael Madigan #24

Ever since the age of 5 Michael has displayed a love for the game of hockey. Whether it was skating on the back yard rink or the verity of travel teams, Michael has never lost his passion of the game. He skated for the Birmingham Rangers, Orchard Lake Pirates, and the Southfield Warriors, before joining the BU Hockey Program. Michael has skated for BU the past three seasons. Great friends and memories have been made over these past three years! Michael hopes to take his passion for the game to the next level and skate for Ole Miss while earning a degree in Business.

Jacob Saroli #1

At age 2, Jacob was constantly roller blading through the house with a plastic hockey stick recruiting anyone and everyone to play hockey. At age 4, Jacob started playing for the Royal Oak house team as a center. After being asked to take a turn playing goalie, Jacob realized that was his passion. There were numerous cold evenings that he would have his mom shooting on him in the driveway for hours at a time. It was when he requested that his mom get in the goal that she drew the line! In his Squirt year, Jacob was awarded the "Vezna trophy" by his coach for having broken the shutout record with a total of 14 shut outs that season. After finishing his Squirt year at Royal Oak, he moved to Michigan Travelers where he managed a 93% save average that year and "began all the goalie superstitions" that come with the position. From there, he found his home with BU hockey, where his first year in JV, they won the BU JV championship. His 2nd year with BU hockey, Jacob won the MVP award and is now very excited for his senior season and to finish his high school career on a high note

BIRMINGHAM UNIFIED SENIORS

Adam Susalla #17 Captain

Adam started skating when he was 5 years old at Royal Oak's John Lindell Arena. He played in the Royal Oak house program until he was 10. He relished those 6am games and practices. Something about being home before the sun comes up in the dead of winter. Adam went on to play travel for the Birmingham Rangers until his freshman year when he played for the Birmingham Unified JV team. Adam has been skating with the Varsity squad since he was a sophomore. After graduation, Adam will be attending the University of Detroit-Mercy where he will be studying engineering and playing lacrosse.

Zach Tayler #11 Assistant Captain

Zach has been playing hockey through the Birmingham Hockey Association and later through the Birmingham Rangers travel program since he was 5 years old. He began his BU career as a sophomore on the JV team, and never looked back. Zach worked hard to improve his game, and moved up to the varsity team last year. His favorite BU memory is scoring against Orchard Lake St. Mary's in his first career state tournament appearance last year. Zach was also captain of Seaholm's Varsity Tennis Team, winning a state championship at his individual flight. In his junior year he was named an Advanced Placement Scholar with Honor and just received his 4th OAA Scholar athlete award. Zach has applied preferred admission to the University of Michigan's Ross School of Business, and is also applying to the University of Pennsylvania, New York University, Northwestern University, and the University of Miami (FL). He plans to pursue his interest in executive management in college, along with playing in the ACHA. He would also like to thank his family for all of their support.
