MVCHA IS THE ABBREVIATION FOR MISSISSIPPI VALLEY HIGH SCHOOL CLUB HOCKEY ASSOCIATION AND IS HEREIN REFERRED TO AS “LEAGUE”

Section 1: GENERAL

1-G-1 DIVISIONS

The MVCHA Board of Directors will determine team assignments to divisions, based on the survey of teams following the May All Schools meeting, in the best interest of all teams.

1-G-2 SEASON – LEAGUE GAMES

League games include all MVCHA scheduled regular season and playoff games. The schedule will typically start in November and conclude by mid-March; however, exceptions are made to accommodate no play weekends.

****All dates & times are subject to change****

1-G-3 FINES and FEES

All outstanding League fines and fees must be paid to the League fee schedule. Fines are due within five (5) days of being incurred. If the fine is not paid on time, the club will forfeit all scheduled League games played after the due date, until such fines/fees are paid. All fines assessed during the regular League season must be paid prior to the start of the playoffs. Any fines accrued during the playoffs must be paid before the next scheduled League game (See 9-G-3). Teams with outstanding fines/fees will not be allowed voting privileges until such fines/fees are paid in full.

Intent to Play Fees will be due on or before June 30th for the following season. The due date and amount will be determined annually by the MVCHA Board of Directors. Once a club has paid their Intent to Play Fees, the fees are non-refundable. Intent to Play Fees will be applied toward each Club's annual fees.

If a club does not field any JV or Varsity Team after paying the Intent to Play Fee for that JV or Varsity Team, the club will forfeit the Intent to Play fee for that JV or Varsity Team and there will be an additional \$2,000 fine imposed, and the club will forfeit the Reduction of Ice credit for THAT team.

Reduction of Ice credits are applied toward each eligible returning club's second installment of League fees. The amount of the Reduction of Ice credits will be determined by the MVCHA Board of Directors annually.

League Fees Installment due dates are as follows:

October 1: \$3,500 due

November 1: half of remaining balance due

December 1: remainder of balance due

A 10% LATE FEE WILL APPLY TO ALL LATE PAYMENTS

1-G-4 PRACTICE, EXHIBITION and TOURNAMENT GAMES

Any MVCHA member team may participate in practice, exhibition and tournament games at any time during the calendar year. Should an MVCHA team have a player(s) and/or team official(s) receive a match penalty while participating in any of these games, that club shall report the details of this incident in writing postmarked or e-mailed within five (5) days of the incident to the MVCHA Disciplinary Committee Chairman in order to determine if additional action is required by the MVCHA Board of Directors. Failure to report such an incident shall result in a monetary fine of two hundred dollars (\$200) and possible additional suspensions and/or disciplinary action. Suspension penalties received by the player(s) and/or team official(s) will not count in the total required for suspension and/or fines from the League. (See 9-G-4 and 2-P-3)

Suspension penalties received by player(s) and/or team official(s) in a pre-season game can be served in another pre-season game. If a suspension penalty is received in the last scheduled pre-season game just prior to the team's first League game, then the penalty must be served in the first League game.

1-G-5 TEAM PHOTOGRAPHS AND GAME DAY PHOTOS

All varsity and junior varsity teams are encouraged to have team pictures taken. No electronic flash equipment may be used for photographs during any MVCHA game.

1-G-6 USE OF THE MVCHA NAME

The use of the Mississippi Valley High School Club Hockey Association name or its abbreviation, MVCHA, for any tournament or other function, to include social media, without approval from the MVCHA in writing is prohibited. Any request for permission to use the Mississippi Valley High School Club Hockey Association name or its abbreviation, MVCHA must be submitted via e-mail to the MVCHA President and must include a description of the desired use to include location, purpose and length of time for use.

1-G-7 TEAM ANNOUNCEMENTS AT LEAGUE GAMES

Home teams are required to have a game announcer at all home games for both varsity and junior varsity. Teams that fail to provide an announcer will be fined \$25.00 per game. Teams are allowed to make announcements at league games provided they are not considered offensive and are done in good taste.

1-G-8 MEDIA AND SOCIAL MEDIA**A. INTRODUCTION**

This social media and networking policy will encompass public communications through such internet mediums and Websites such as: X (formally known as Twitter), Facebook, Instagram, Snapchat, Truth Social, WhatsApp, GroupMe and or any other social media network that allows users to communicate online. The policy will apply to all members of the MVCHA community, including MVCHA Board Members, Club board members, clubs, coaching staff, volunteers, players, parents, and both on-ice and off-ice officials.

The MVCHA recognizes and appreciates the value of social media and the importance of social networking for its stakeholders. The MVCHA also respects the right of all members and affiliates to express their views publicly. At the same time, we must be aware of the potential issues that social media and networking can present.

The purpose of this policy is to educate the MVCHA Community on the risks of social media and to ensure all members and affiliates are aware that conduct deemed to be inappropriate may be subject to disciplinary action by the MVCHA Board of Directors.

Blogs, social networks, and websites such as listed above, are exciting communication channels to share positive hockey experiences and achievements. The MVCHA supports participation and involvement with social media communities and will view comments and posts as public information.

The following general recommendations have been developed as guidelines to follow when posting to a blog or some other form of social media.

1. Think before you post.
2. Respect the community in which you are posting.
3. Be enthusiastic.
4. Do not post personal information.
5. Be accurate.
6. Posting inappropriate pictures may cause issues for you, your team and your organization.
7. Double check your privacy/security settings.
8. Personal social media accounts should have the following disclaimer “Views expressed are my own and don’t necessarily reflect that of (insert team name).”

B. SOCIAL MEDIA GUIDELINES

1. The MVCHA holds all members who participate in social networking to the same standards as it does for all other forms of media including radio, television and print.
2. Comments or remarks of an inappropriate nature that are detrimental to an individual, a team or the Association will not be tolerated.
3. It should be recognized that social media and comments such as “texting” are on the record and can be instantly replicated, shared and published. Everyone, including Association and /or team personnel, players, corporate partners, and the media, can review social media communications. You should always conduct yourself appropriately and professionally.
4. Use best judgement at all times—pause before posting or sending. Once comments are posted or sent, they cannot be retracted and are subject to interpretation by the receiver/viewer. Ultimately, you are solely responsible for your comments.

C. SOCIAL MEDIA VIOLATIONS

The following are examples of conduct through media, social media, and networking mediums that are considered violations of the MVCHA social media and networking policy and may be subject to disciplinary action by the MVCHA.

1. Any statement deemed publicly critical of Association officials or detrimental to the welfare of an individual, any team, or the Association.
2. Divulging confidential information that may include but is not limited to: Player injuries, penalties or suspensions, or any other matter of a sensitive nature to an individual, a team, an official or the Association.
3. Negative or derogatory comments about any of the Terms, and /or players or officials.
4. Any form of bullying, harassment, intimidation, or threats against players or officials.
5. Photographs, videos or comments promoting negative influences or criminal behavior including but not limited to drug use, alcohol abuse, public intoxication, hazing, sexual exploitation, etc.
6. Online activity that contradicts the current policies of the MVCHA or any of its members' Associations.
7. Inappropriate, derogatory, racist or sexist comment of any kind.
8. Online activity that is meant to harm other individuals or to misrepresent fact or truth.

D. DISCIPLINE

1. The MVCHA will investigate reported violation(s) of this policy. If investigation determines a violation has occurred, the MVCHA Board of Directors will impose appropriate suspensions and/or fines. This decision is not subject to appeal.
2. The Club found in violation will be issued a fine for the violation, and violations will be handed down to the Club and not the Club's Individual(s). Fines will start at \$150.00 for the first offense from a Club and will double for each following offense.
3. If a Club is found to be in violation, the Head Coach of that Program will receive a one game suspension.

E. SUMMARY

When using social media and networking platforms, the MVCHA community should assume at all times they are representing their team and/or the MVCHA. All members of the MVCHA community should remember to use the same care with texting, social media, team live stream of games, and networking as they do with other traditional forms of media.

Failure to comply with these rules may result in game(s) forfeited and/or fines as determined by the MVCHA Board of Directors.
- C. Players who have had their date of birth verified through USA Hockey do NOT need to have a birth certificate with the team documents. Players who do not have their date of birth verified through USA Hockey ARE required to have a birth certificate or other USA Hockey approved form of identification which includes any government issued document, including passport, military ID or a state issued ID with team documents.

2-G-4 POOL PLAYER DRAFT

A pool player draft will be held in mid to late August. Clubs (combined varsity and junior varsity teams) must have no more than 24 rostered players to participate in the draft. Clubs that do not have at least two rostered goalies are also eligible for the goalie pool player draft. The pool player draft will be in three parts, an 8th grade draft, a grades 9 – 12 draft, and a Goalie draft.

DRAFT GUIDELINES & RULES

Pool Player Draft Mission: To allow clubs with low player numbers to "draft" available players from a "blind" pool. To allow players that do not have an MVCHA high school team in their district, including home-schooled students and private school students, or players cut from MVCHA teams, to enter a pool player draft.

A. Frozen rosters of teams entering the draft:

- 1. Clubs must note that a completed IMR listing of all players on the team must be received by the Registrar at least **48 hours before the draft is held.** This IMR listing will be considered the same as a roster for draft purposes only.
- 2. Clubs must notify the MVCHA Board of their intent to participate in the draft at least **48 hours before the draft.** At that time the MVCHA Board will verify that the completed IMR list was turned in to the Registrar. Teams not following the above rules will not be eligible for the draft—no exceptions.
- 3. Teams declaring entrance into the draft will not be allowed to lower their roster number once they have entered the draft, without permission of the pool player draft committee.
- 4. Drafting clubs will not be allowed to add players after the day of the draft (unless an exception or individual circumstance is approved by the Board of Directors).
- 5. Clubs who do not receive any players through the draft, due to lack of players in the draft, will be allowed to unfreeze their roster to add players.

B. Eligibility for clubs to enter pool player draft:

- 1. Clubs must have a minimum of twelve players rostered in order to participate in the MVCHA league and participate in the pool player draft.
- 2. Clubs must have no more than 24 rostered players in order to participate in the pool player draft.
- 3. Clubs that do not have at least two rostered goalies at each level (including swing) are eligible for the Goalie pool player draft.
- 4. Any club that cuts a player is ineligible to enter the draft.
- 5. Merged clubs will be allowed in the draft if all other eligibility requirements are met.
- 6. Newly formed clubs will be allowed in the Goalie pool player draft.

C. Eligibility for players to enter pool player drafts:

- 1. Any **eligible player** who resides in the area who is enrolled in a public or private high school or junior high school that does not have a hockey team registered in the MVCHA, is eligible for entry in the pool player draft.
- 2. Any **eligible player** who is home-schooled at the junior high or high school level, who lives in a school district that does not have an MVCHA team is eligible for entry in the pool player draft.
- 3. Any player cut from an MVCHA team, including Missouri MVCHA affiliated teams, is eligible for this draft.
- 4. Any student who is home-schooled or attends a parochial or private school, and lives in a school district where there is an MVCHA team, is eligible to play for that MVCHA team without entering the pool player draft.

D. Pool Player Draft Process:

1. All players wishing to enter the pool player draft must submit the completed Player Entry/Information form along with the required deposit, postmarked no later than at least **48 hours before the draft is held.**
2. The pool player draft will be broken down by grade levels. There will be an 8th grade draft first, for those who will be eligible, by virtue of their birth year, to play JV only; followed by a 9th through 12th grade draft, for those who are eligible to play varsity. Each draft will be held separately.
3. There will be both an “out-skater” draft and a “goalie” draft at both grade levels, each held separately.
4. The goalie draft will be held first, if any. If a team drafts a goalie, their total number of combined JV and Varsity rostered players will increase, and their respective JV roster or Varsity roster will increase, affecting their eligibility and positioning for the out-skater draft at both the 8th grade level and the 9th – 12th grade level.
5. The order of teams that pick in the draft will be determined by each entered team’s number of rostered players.* In addition to providing the total number of players of their combined JV and Varsity roster, teams must report their total number of JV players, and their total number of Varsity players separately. Since the JV and Varsity drafts will be held separately, drafting an 8th grader who is eligible to play only JV will not change the number of the team’s Varsity roster. However, drafting any goalie will change the team’s total combined (JV and Varsity) roster number. *Ex: Team #1 has 14 listed players, team #2 has 15 listed players and team #3 has 16 listed players. Team #1 will pick first; Team #2 will pick second and Team #3 will pick third. In the event that there are teams “tied” in the number of rostered players, the Chairman will pick each team out of a box. That order will remain for the duration of the draft.
6. The MVCHA representative for the pool player draft will have the final determination as to the breakdown of the groups and which geographic area each applicant falls under. Every effort will be made to keep players in their geographic area (north/west or south/east).
7. In the event that a drafted player has a sibling(s) wishing to be drafted, the drafting team must also take the sibling(s). If the drafting team does not have room for the sibling(s) or would cause the team to exceed the maximum allowed, the player will be returned to the draft box and another player will be picked.
8. If a drafted player has a sibling who comes of age to play in the MVCHA during the years that he/she is with that drafting team, the sibling will be allowed to play for the same team without entering the draft.
9. Proof of (**Primary**) residence of parent/guardian (such as utility bill or occupancy permit) must accompany application or be presented no later than the day of the draft. No change of guardianship will be allowed to enter the draft.
10. If the player notes that he is willing to travel anywhere on his/her entry form, that player will be included in the other geographic area pool draft* (if not yet picked). * Before a team in one geographic area can pick a player from another geographic area, all players in the respective area must have been exhausted.
11. All eligible pool player entry forms will be folded and put into a draft box.
12. Each team will be chosen a “blind” pick out of the draft box. The order of pick will continue until all teams in the draft are equal in the number of rostered players. In the earlier example, after the first-round pick, team #1 would pick two more times and team #2 would pick once and then all teams would pick on rotation. The maximum number of players that a team may pick is 8 total players.
13. Once a team picks a player from the pool, that team must allow him a roster spot until graduation or risk eligibility.* Pool players are not allowed to be cut to make room on the roster at a later date. Teams wishing to cut a pool player (due to discipline, non-payment, move etc.) must petition the MVCHA Board to do so. *Exceptions (moving, non-ability to pay, etc.) must be appealed to the MVCHA Board for approval for future draft eligibility.
14. An MVCHA representative will log each drafted player and the team that drafted them.
15. Once the pool player draft is closed, there will be no other drafts until the following season, unless a supplemental draft* is deemed necessary by the MVCHA Board. * A supplemental draft will only be considered for teams who do not have a Goalie at the completion of the draft. This draft will occur at least two weeks prior to the first scheduled MVCHA game.

E. The MVCHA Board has the final decision on any additional matter(s) covering the Pool Player draft; including any not addressed in this section.

F. Special notes on pool players:

1. Every effort must be made by the TEAM to include the drafted player as a vital member of the team, no matter the ability of that player. The reason a team drafts is that they may not be able to field a team. The drafted pool player is a means to keep a struggling team viable. Any abuse of this will be reported to the MVCHA pool player draft committee for further review of future ability of the offending team to participate in future drafts.
2. Every effort must be made by the drafted PLAYER to strive to become a vital member of the team to which they are drafted, no matter what the ability of that team. The reason a player is allowed into the pool player draft is that he/she has no other means of playing high school hockey and wishes to do so regardless of the team’s competitiveness. Any abuse by a player (no-shows to practice or games, non-payment for no excuse, etc.) will be reported to the MVCHA pool player draft committee for further review of future ability of the offending player to participate in future drafts.
3. Players cut from an MVCHA team who enter the pool player draft, may try out for their regular MVCHA team in subsequent years. If they are cut again, they must re-enter the draft again. However, a player who chooses not to try out again for their regular MVCHA team will remain with the original drafting team.

At conclusion of the game, both coaches MUST initial next to final score to ensure they are satisfied with the sheet and both team's rosters in completion. No changes shall be made to the score sheet without the approval of the referee, and all changes shall be made on all copies with the referee's initials next to the change. The referee in charge of the game must sign or initial the score sheet after the game. The Rules Committee shall meet within ten (10) days of receipt of the protest letter. To review the protest, the coach, coordinator, player and the complaining party shall be required to attend the hearing. Section 9: SUPPLEMENTARY DISCIPLINE & FINES

9-G-1 AUTHORITY OF THE MVCHA

At the conclusion of a game or season the MVCHA Board of Directors may, at their discretion, investigate any incident, game related or not, that occurs, and may assess suspensions and/or fines, in addition to any suspensions and/or fines that have already been imposed under MVCHA Hockey or USA Hockey rules, for any offense committed by a player, trainer, manager, coach, or team official, whether or not such offense was penalized by the referee. The MVCHA Board of Directors will be required to contact the offending party or parties so they may present their side of the incident before additional penalties are imposed.

9-G-2 FINE FOR INELIGIBLE PLAYER

Any club playing or listing an ineligible player(s) on the scoresheet during League games will result in a fine of one hundred dollars (\$100) per game to be paid by the club within five (5) days as well as forfeiture of those games(s) in which the player participated while ineligible. The team's coach will appear before the MVCHA Board of Directors for possible disciplinary action. **Any team found playing one half or more of the regular season total games with an ineligible player, the entire team will be ineligible for participation for that year.**

9-G-3 FINE FOR SUSPENSIONS NOT SERVICEABLE

All game suspensions received by players and coaches in the last game(s) that cannot be served during the current season will result in a maximum fine of one hundred dollars (\$100) per violation to be paid by the club within five (5) days. If the player or coach serves the game suspension(s) in the first game(s) of the subsequent season, the club may apply in writing to the MVCHA Board within five (5) days of serving the suspension for a credit in the amount of the fine. Failure to recognize and pay this fine may result in additional fines and/or penalties as determined by the Rules Committee.

Beginning October 1st of each season, after a team has played four games in which a player, coach, and/or administrator has been removed from the game (this includes game suspensions), the team shall be subject to the following penalty: On the commission of an offense in the fifth game, the team will be fined \$100.00, payable to the MVCHA within five (5) days, and the team will be suspended from the League and will forfeit all games after the five day period until the fine is paid. It is the responsibility of the team to recognize the fifth offense and to pay the fine. Ignorance is no excuse since every team has a copy of the score sheet.

For each offense after the fifth the fine shall be an additional \$50.00; i.e. 6th \$150.00, 7th \$200.00, 8th \$250.00, etc., all payable within five (5) days. On the sixth offense the head coach of record shall be suspended for one game and, on the seventh offense, the head coach of record shall be suspended indefinitely until a hearing before the Disciplinary Committee. Fines payable to MVCHA are due within five (5) days of the incident. The team will forfeit all games played after the five-day period if payment has not been received.

Penalties incurred by the head coach with regard to his/her team receiving fifteen (15) or more penalties in one game will be counted with regard to this ruling. (See 2-P-3)

9-G-5 50/50 TICKET SALES

Teams may sell 50/50 tickets at their home games, no longer required by the league.

If a member club feels that another club has violated the rules of the MVCHA, the protesting club may lodge a formal written protest with the MVCHA President within five (5) days of the alleged rule violation, accompanied by a fee of fifty dollars (\$50). 10-G-3 FIRST APPEAL

If a member club or penalized party feels that a ruling has been in error, that club or party may lodge a formal written protest with the MVCHA President within five (5) days (See 5-P-1) of notice of the ruling. This written protest shall contain all pertinent details of the case and shall be accompanied by a fee of \$50.00.

In the case of particularly controversial matters, and those for which there is no clear-cut rule or precedent, the President may choose and has the right to refer the matter directly to the Disciplinary Committee.

The Disciplinary Committee shall review the information presented and either decline to review the matter or investigate it further according to the merits of the case. If further study is needed the Disciplinary Committee will hold a formal hearing with all participants in the dispute present, including the President, within **fifteen (15) days** after receipt of written notice of such appeal and issue a decision **within fourteen (14) days of the hearing**.

The appeal fee at each level of appeal shall be refundable only in the event of a ruling in favor of the appealing member or party. Any suspension or other disciplinary action shall remain in effect during the entire appeal procedure unless suspended or changed by any appeal decision.

10-G-4 SECOND APPEAL

If the MVCHA Disciplinary Committee declines at any stage of its investigation to review the first appeal or, if after a formal hearing they rule against the first appeal, the protest may be taken to **Missouri Hockey Inc.** The appeal must be presented to the Missouri Hockey Board, in written form, accompanied by a check for an additional \$100.00, within fourteen days (14) days of receipt of the written notice from the Disciplinary Committee.

No appeal to the USA Hockey Board will be considered appropriate for any penalty to an individual unless said penalty is greater than three (3) games.

10-G-5 LAWSUITS

Any recourse to the courts of any jurisdiction by any individual or group of individuals before all of the appeals procedures outlined in the MVCHA and USA Hockey Rules, Regulations and Procedures have been exhausted will subject such litigants to immediate suspension or permanent disqualification

A player or coach that is assessed a game misconduct or game suspension penalty will serve the suspension in the next already scheduled game of that team on their schedule when the infraction occurs. In addition, if that game is not a league game the next league game occurring on their schedule will be served as well. (See 3-JV-1) All players removed from the game must be accompanied to the locker room by a coach or the penalty box attendant

2-P-2 COACH SUSPENSION

A coach who receives a suspension penalty in either a junior varsity or a varsity game will serve the suspension in the next League game at the level where assessed. (See 2-P-4) Penalties incurred by the coach with regard to his/her team receiving **twelve (12)** or more penalties in one game will be counted with regard to this ruling. A suspended coach will not be allowed to communicate in any manner with his/her players or other coaches after the team leaves the locker room to enter the ice for the pre-game warm up. The offending party must then appear at the next scheduled Disciplinary Committee meeting. Once a player has accumulated three (3) serious penalties at either the JV or Varsity level, each subsequent **minor that carries an automatic misconduct and a major that carries a game misconduct** at the same level in League games shall carry the immediate suspension and review described above. It is the responsibility of the team to recognize such third (3rd) and subsequent incidents and self-impose the suspension and to advise the Chairman of the Disciplinary Committee immediately so that the proper review may be held. This does not apply to third man in penalties or to coaches suspended with regard to the team receiving **twelve (12)** or more penalties in one game.

2-P-4 COACH OR TEAM OFFICIALS REFUSING TO LEAVE

A coach or team official receiving a game misconduct penalty shall not be on the bench, in the locker room or spectator area after this time. Any such person who offers assistance to the team will receive disciplinary action by the Disciplinary Committee or the MVCHA Board of Directors and may cause the team to forfeit the game when such action takes place. (See 2-P-2)

2-P-5 SUSPENSION CARRY-OVER

Any penalty that involves a suspension is understood to carry over into the playoffs or next game, **even if said game is an All-Star contest**. In the case that an All-Star game occurs with other League games remaining, penalties involving suspension incurred in an All-Star game will be served by the offending player or coach in their next League game.

2-P-6 SUSPENSIONS - RESCHEDULED GAMES

Players who were to serve their suspension during a canceled game (e.g. mutual agreement between coaches due to weather, poor conditions or facilities as determined by rink management or referees, and/or other MVCHA action) will serve the suspension at the next scheduled League regular season or playoff game. "Next scheduled" shall include any intervening make-up game that is scheduled by the League office. Any extra game scheduled by the offending team shall not count as service of the penalty.

2-P-7 ACCOSTING GAME OFFICIALS AND USE OF OBSCENITY

- A. A player, coach or team official who assaults or accosts a game official in a disrespectful manner will be suspended from participation in League events until a hearing before the Disciplinary Committee. Game officials will include the League scorekeepers, MVCHA Board members or other game officials as well as game referees.
- B. Any player, coach or team official who receives a game misconduct for profanity, obscene gestures, racial slurs or physical abuse, whether directed toward game officials, players, team officials or spectators will appear before the disciplinary committee prior to becoming eligible to participate in League games.
- C. Any player, coach or team official who uses social media to direct profanity, obscene gestures, racial slurs or verbal abuse, toward game officials, players, team officials, MVCHA board members or spectators will be immediately suspended and must appear before the disciplinary committee prior to becoming eligible to participate in any MVCHA activities.

2-P-8 HAZING INCIDENTS

It is the responsibility of every MVCHA team and its team officials to not encourage or tolerate hazing activities or player initiation rites or rituals. Reports of such activities will be aggressively investigated by the MVCHA Disciplinary Committee and, if necessary, civil authorities. If activities are found to be factual and evident, the head coach and other team officials will be held accountable. The head coach will be suspended for a period of time as determined by the Disciplinary Committee and the team will be fined an amount not to exceed five hundred (\$500) dollars.

2-P-9 – FIGHTING (FISTICUFFS)

A. As per the current USA Ice Hockey Rule Book (Rule #615)

B. Any player who receives their second major penalty for fighting with the same team during the same season shall receive a three-game suspension. The suspension shall encompass the time it takes for the three games to be served at the level the penalty was received. Any player who receives a third fighting major in the same season shall be suspended from all MVCHA activities until a hearing is conducted by the proper authorities under USA Hockey Rule 410 Supplementary Discipline.

Section 3: INSTRUCTIONS TO REFEREE**3-P-1 REPORTING GAME MISCONDUCT and MATCH PENALTIES**

When a game misconduct or match penalty is administered there shall be clear notations on the score sheet and the penalty shall be reported to the Disciplinary Committee Chairman or to a designated substitute within 24 hours. Action will be taken against officials who fail to file a report.

3-P-2 REFUSING TO LEAVE AFTER SUSPENSION

As per current USA Ice Hockey Rule Book (Rule #633)

3-P-3 OBSCENITIES

The referee is encouraged to use a zero-tolerance policy to any player or coach using obscene language, gestures, racial slurs or exhibiting other unsportsmanlike behavior. All individuals penalized for obscenity will appear before the Disciplinary Committee at its first convened meeting after the incident. Failure to appear will result in the individual becoming ineligible to participate in League games until an appearance is made. The Disciplinary Committee will have the right to impose further sanctions.

3-P-4 FAN CONDUCT

The referee is encouraged to use a zero-tolerance policy against a team for the unsportsmanlike conduct of its fans. The official is asked to bring the violation to the attention of the minor officials so that they can make an announcement to the crowd when possible. Unsportsmanlike conduct shall include obscene cheers and other actions that would bring discredit upon the League. Action will be taken against all fans that are reported to violate the zero tolerance policy; which may include suspension from all MVCHA functions. MVCHA bans the use of artificial noise makers at all rinks and at all games. The MVCHA will only allow hats to be tossed on the ice when a player scores a “hat trick”.

3-P-5 COACH ENTERING ICE

Any coach or other team official entering the ice without the consent of the referee may be assessed a bench minor penalty and may be subject to a suspension upon action by the Disciplinary Committee and the Board of Directors. Should such an incident occur, the referee will make a clear notation on the scoresheet.

3-P-6 DELAY OF GAME

As per the current USA Ice Hockey Rule Book (Rule #610)

3-P-7 GOALKEEPER REPLACEMENT

As per the current USA Ice Hockey Rule Book (Rule #205)

3-P-8 PENALTY NOMENCLATURE

It is most important that the game officials adhere strictly to the nomenclature of penalties, particularly match, misconduct and game misconduct penalties. When an official rules a player off the ice, the official must designate the offense and any special amount of time to the penalty timekeeper and shall have the penalty announced. The official must also see that such penalties are clearly recorded on the score sheet at the time of the occurrence and before play continues. No corrections are allowed on the score sheet after being signed by the referee unless such change is initialed by the referee. In the event that an official score sheet is received by the League statistician with incorrect penalty nomenclature or lacking proper notation of automatic game suspension penalties, the appropriate changes will be made by the League statistician. Affected teams will be notified. These changes will be considered corrected clerical errors and are not subject to protest.

3-P-9 VIDEOTAPING

Game officials shall not be allowed to use videotaping during or after a game to assist in making any decisions.

Section 4: GAME SCHEDULE & CHANGES**4-P-1 GAME CHANGES**

All MVCHA regular season and playoff games will be played at the time and place designated on the schedule. Coaches may not agree to change a game except as provided for in Rule 6-P-5. In cases of natural disaster, the MVCHA may reschedule a game with as little as 24-hour notice. If, because of unforeseen difficulties, a rink has trouble with ice or other equipment and the MVCHA Directors deem it unwise or unsafe to play a scheduled game at the designated time, there will be no additional cost to the involved teams.

4-P-2 SUSPENDED GAMES

If a game has started but two periods are not complete and the referee suspends the game, the penalties are still in effect and any suspension shall be served in the next scheduled League game. When the game is rescheduled only those players' names that appeared on the original game score sheet are eligible for the rescheduled game. The game will start from the point it was suspended with penalties in effect. If the game has completed two periods and is then suspended, the game will be considered complete at that point. Either team may appeal this decision to the MVCHA President.

Section 5: PROTESTS INVOLVING REFEREES' DECISIONS**5-P-1 PROTESTS**

Protest of referee's decisions must be submitted in writing within five (5) days of the occurrence to the MVCHA Disciplinary Committee Chairperson, accompanied by a protest fee of \$50.00. The fee will be refunded if the protest is upheld.

- A. Referee's judgment calls are non-protest actions (e.g. penalties that are assessed for cross-checking, high sticking, off-sides, goal or non-goal calls, etc.).
- B. Referee's decisions that are in conflict with non-judgment rules may be protested.
- C. The Disciplinary Committee Chairperson may hold a hearing within ten (10) days after receiving the written protest and shall respond within five (5) days thereafter.
- D. The burden of proof in all protests is on the person or team lodging the protest.
- E. The Board of Directors will determine the procedure used for protests during the playoffs.

Section 6: MISCELLANEOUS PLAYING PROCEDURES**6-P-1 INSUFFICIENT PLAYERS**

- A. A team must start a game with a minimum of six players. Any time that a team has been reduced to less than four players, the game shall be declared a forfeit. A maximum of 20 players, of which not more than 18 are skaters, shall be permitted to play in the game.
- B. Game score for a forfeited game will be recorded as 0-1. Players' stats - goals and assists - scored in a game that is recorded as a forfeit are credited to the players who scored them, with the following exception: If a player was not on the team's official roster and/or not cleared by MVCHA registrar to play in a game, that player will not be given credit for playing in the game nor for goals and/or assists scored in the game.
- C. If a player is on the team's official roster but is ineligible to play in a game due to suspension, and he/she plays in a game while ineligible, they must sit out their suspension in the next game(s) until the suspension has been fully served. Rules for playing an ineligible player still apply.

6-P-2 LATE ARRIVAL-SHORT TIME GAME

If either team arrives late but time permits at least two full periods to be played, the game shall be considered complete. Failure of a team to arrive and/or to play this short game shall be considered a forfeited game by the late or no-show team. Teams are asked to exercise all care to avoid a forfeit.

6-P-3 COACHES CERTIFICATION, SCREENING AND ELIGIBILITY

- A. All coaches must be properly certified in order to be eligible to coach an MVCHA team and must comply with the Coaching Education Program certification requirements as mandated by USA Hockey. Certification requirements can be found on the USA Hockey website, www.usahockey.com, under 'Coaches, Coaching Certification'. All teams must submit verification of their coaches' certification by Oct 31 of the current season to the MVCHA Game Day Chairperson. Verification must include CEP#, level and age-specific component, and date of expiration. A team that does not have properly certified coaches is subject to disciplinary action by the MVCHA Board of Directors.

- B. All Team board members and all volunteers who have routine access to the players as well as all coaches, assistant coaches, team managers, trainers, etc. must have a background check (screening) through Missouri Hockey, at their club's expense. Screening is good for three years. A roster of board members and completed Safe-Sport training will need to be submitted to MVCHA prior to the start of any season.
- C. A team must have two certified adults (age 18 or older) behind the bench before a game starts. Failure to comply may result in forfeiture of the game by the offending team if proper protest is made to the MCVHA within five (5) days. If at any time during the game, through penalties, illness, or any other reasons, there are no Team Officials on the players' bench to be in control of and responsible for the team, the game shall continue provided there is adult supervision on the bench. If no adult supervision is available, the referee shall suspend the game and submit a report to the proper authorities.

6-P-4 LACK OF SUFFICIENT GAME OFFICIALS

All MVCHA games must be played with at least two (2) game officials on the ice and **will not** be played with only one (1) official.

6-P-5 WEATHER CANCELLATION PROCEDURES

The MVCHA will make the final decision on all-weather cancellations. MVCHA officials will notify both teams of cancellations at least three (3) hours before the scheduled game. The MVCHA will be responsible for rescheduling the canceled game.

6-P-6 FINES - INSUFFICIENT PLAYERS & NO-SHOW

Any team that forfeits a game due to lack of players or a no-show will be fined \$100.00, **plus present game expenses** payable to the MVCHA within five (5) days or the team may not be allowed to continue to play in the League. They may lose their eligibility for playoffs and may jeopardize their ability to participate in League play in future seasons.

6-P-7 ALCOHOLIC BEVERAGES, SMOKING & CHEWING TOBACCO

As per current the USA Ice Hockey Rule Book,

Note: The MVCHA strongly suggests that alcohol not be present in the playing surface or area around the playing surface.

6-P-8 TEAM OFFICIALS IN THE PLAYERS BENCH AREA

As per the current USA Ice Hockey Rule Book (Rule # 201)

6-P-9 LOCKER ROOM RESPONSIBILITY & LIABILITY

The team is liable for damage to rink facilities. The MVCHA will pay for the damage. The team will then be billed with payment due in five (5) days of notification or the team may be suspended. The team will also be liable for damage to rink facilities caused by their fans. MVCHA does not own or have representation at any of the facilities currently used for games. The MVCHA is limited in what it can do for any special request with regard to the facilities played at. Any request, outside normal team procedures already provided by the facilities, will need to be between the team and the rink.
