MO Hockey: showcase still waiting to hear back from Texas. Mo Hockey will send stuff to teams that came here in the past.

Competition Committee: Justin Hopkins has been in touch with Katie and Larry. Trying to get a JV team for Father McGiveny Catholic School. next year or 2 Marquette would split from Aton. Need to look at forecasting the youth leagues to see where the kids are coming from and what schools will be going to.

-

New Business: sportscaster for Kahoks would like to get coaches information to be able to interview for the games versus Collinsville.

Players that are ejected from a game must go to locker room and then leave the premise. Cannot be spectators.

Crowds at RP will not allowed on track unless under special circumstances.

Rob Weimers came to promote the Hockey Fights Cancer game series that they are hosting and would like to talk about growing the series to include more teams.

Edwardsville would like to go to Nationals as a Division 1 team (total kids at that school). If another team would like to do this, they would have to play Edwardsville to make it. They would be representing MO Hockey.
