

Morden Minor Hockey

- AA Twister/Rockets made final cuts
- checking numbers with other organizations to see how to make this work for MMH players
- President had reached out to Manitou, Carman, Winkler, Altona and St. Claude looking for players or goalies
- Carman sent 1 goalie as they had 3
- Winkler had 12 and 13 with balanced teams. Could take up to 5, not all on one team
- Sweet deal with Altona, 9 and 3 goalies, send 5-6 kids to Altona together, Red River could join with Macdonald as of thursday, that night Altona said no goalies interested to come to Morden
- 23 skaters and 1 goalie, unless some wanted to travel, and we can find Morden kids home
- Noon on Friday the coop opportunity with Altona fell through
- 2 options left - Winkler 5 skaters, St Claude 6 skaters
- 1pm Altona says 1 goalie will come that way
- 2 Goalies, 2 smaller teams or 1 big team was offered to parents
- only AP from U13 and have to be major kids and 7 major U13 are AA and ineligible
- Votes came in 8 in favour of 1 team
- 12 in favour of 2 teams
- 2 no votes
- may not have ice for all this, if we ran 2 teams but working on a resolution
- It became evident that Altona goalie was enticed with their registration fee being waved, and this had not been approved by MMH executive
- Awkward position because Carman goalie coming and paying full registration
- U18 out means we have some ice for 2 U15 teams 3hrs of ice, 1 hr shared ice
- Future reference if we are in need of a goalie and canvassing other communities we would pay ½ of the goalie registration to entice goalies to come
- Motion - Any Goaltender from outside MMH coming to register when we don't have a goalie we will have their registration cut in ½
