

2014 MITE / SQUIRT DEVELOPMENT PROGRAM

Mite / Squirt Development is a supplemental skills development program available to Mustang Hockey Association's Mite age players—Birth Years 2004-2009.

Players must be registered with MHA on a team for the 14-15 Season to participate in Mite/Squirt Development. The cost of Mite/Squirt Development is in addition to MHA's regular registration fees. ****This is not your MITE RED Fee.****

The program is structured to provide additional ice time and skills development for our young players and will consist of 10 skates. The program begins 9/3 and ends 11/19.

All of the coaches volunteer their time to run this program. This is a great opportunity for your player to experience excellent coaching and skills development.
