Players, please do not request a change in your Tryout time unless it is absolutely necessary. There are a few vacant spots, where I might be able to accommodate you, but I can't promise.

If you are paired with another player on your team, please contact her to see who will attend the Tryout on Sunday, September 7th and Monday, September 8th. If you are not paired with anyone, you are expected to be at both Tryouts. **Rookies and those who are in the draft eligible will attend all three sessions.**

If I missed your name, or put you in two different spots, please let me know ASAP.

Thanks,

Linda Benson
