Junior A player does not constitute an additional Junior A player registration).

- f) If a player has been registered with a Junior A team/club at any time during the current playing season, this player is considered a Junior A player. This player may be signed to a NCJHL team/club during the same playing season, as long as that Junior A player has been officially released from the Junior A team/club and provided that the above paragraphs 1) through 5) are considered and/or met.

The order of selection of such draft shall be the reverse order of finish by teams/clubs during the preceding regular playing season. These players must return to their original NCJHL team/club should that team/club resume operation after a one (1) year leave of absence without any type of compensation being owed to the team/club for which they played during that one (1) year of absence.

SECTION III – RULES AND REGULATIONS

1. All rules and regulations of the League shall be strictly enforced.
2. Teams/clubs will abide with the Discipline Directives as stipulated in the League's Code of Discipline. If any discrepancy occurs, the Hockey Canada rules and regulations shall govern.
3. The League playing rules shall be as per the Official Rule Book of Hockey Canada for the current playing season and any additional rules that may be prescribed by HEO, from time to time.
4. The League will honour all penalties or suspensions handed out by Hockey Canada or any of its Branch members and no player, coach, manager or trainer shall actively participate in the League while under suspension.
5. The Management of each team/club shall be responsible for the enforcement of player eligibility regulations (see BY-LAW 8 – PLAYER ELIGIBILITY & TRANSFER POLICY). The penalty for a violation of any of these regulations shall be a fine of Three Hundred Dollars (CA\$300.00) and the loss of points gained in team/club standings while playing an ineligible player. The coach of the offending team/club will be suspended immediately until a hearing by the League Discipline and Appeals Committee is held. The result of the game will be recorded as a win for the non-offending team/club. The individual player statistics will count; however, the non-offending team/club will not receive any points in League standings.
6. It is the responsibility of each team/club to register players with HEO.
7. **ROOKIE OF THE YEAR:** To be eligible and considered for the Rookie of the Year Award, a player must be in his first (1st) year in the League and signed to a NCJHL player's registration certificate and must have played at least two-thirds (2/3) of the total number of games in that season schedule. Example: in a 30-game schedule, the player must play twenty (20) games (these players cannot have played for any other Junior teams/clubs of a higher level).
8. **DRESS CODE:** All players in uniform must wear the same coloured team/club sweaters and, except for the goaltenders, must wear the same coloured team/club socks, or the offending team/club will be fined Fifty Dollars (CA\$50.00) for the first (1st) offence, and this fine will increase by Fifty Dollars (CA\$50.00) for each

additional offence (the referee is to be asked to indicate on the game sheet or in his game report, which team/club did not comply with the League's Dress Code as to proof that this situation occurred).

9. During the part of the schedule prior to the first (1st) day of January of the current playing season, teams/clubs will wear light-coloured uniforms for home games and dark-coloured uniforms for away games. During the part of the year after the thirty-first (31st) day of December of the current playing season, teams/clubs will reverse the procedure. If there is a colour conflict, then the home team/club is responsible for changing of the uniforms.
10. It is the responsibility of the home team/club to provide crowd control for their home games.
11. Each home team/club must supply one (1) timekeeper and one (1) official scorer, who are mature and competent for all regular home games and all playoff home games. The visiting team/club will be allowed to have one (1) representative in the penalty box.
12. At the beginning of the game, each team/club must have nine (9) players of which one (1) must be a goaltender in uniform for each scheduled League game (including the playoffs). Each team/club shall be permitted to dress and play a maximum of twenty (20) players, of which two (2) must be goaltenders for each League game. Failure to have the minimum number of players in uniform shall result in the offending team/club being assessed a fine of Two Hundred and Fifty Dollars (CA\$250.00) for the first (1st) offence and adding Fifty Dollars (CA\$50.00) to a total of three (3) times (for example, 1st offence will be CA\$250.00; 2nd offence will be CA\$300.00; 3rd offence will be CA\$350.00). After the third (3rd) time, the team/club must meet with the Executive Council and be subject to further disciplinary action, if required.

Note: As per Hockey Canada, game may start if the team has six (6) players.

13. During the regular season, League games will consist of three (3) twenty (20) minute stop-time periods with an intermission between each period. If a tie exists at the end of regulation play, teams/clubs will play a ten (10) minute sudden victory overtime period with three (3) players versus three (3) players, except where teams/clubs have been penalized going into the overtime period: in this case, the non-penalized team/club will add a fourth (4th) player to proceed with four (4) players versus three (3) players until the penalty is finished.

If a winner is determined, the winning team/club will receive two (2) points and the losing team/club will receive one (1) point.

- If after the ten (10) minute sudden victory overtime period the score is still tied, each team/club will receive one (1) point.
14. If the referee for any reason stops any regular season game, up to a sixty (60) minute time limit is set to continue the game. After this time lapses, the referee must make a decision on the continuation of the game. If the game cannot be continued, it will be considered a complete game if at least forty (40) minutes have been played.
 15. If the referee for any reason stops any playoff game **and** at least forty (40) minutes have been played:
 - a) The game will be considered completed IF the score differential is four (4) or more goals – the leading team will be awarded the win;
 - b) The game will have to be replayed IF the score differential is three (3) or less goals – no individual statistics will count.
 16. The League playoff format will be decided at the beginning of each season during the League's first (1st) meeting:
 - a) Each team/club making the playoffs must obtain ice time five (5) days prior to the start of each series and must include at least one (1) weekday time slot other than their regular night.
 - b) In the playoffs, League games will consist of three (3) twenty (20) minutes stop-time periods with an intermission between each period. If a tie exists at the end of regulation play, teams/clubs will play a ten (10) minute sudden victory overtime period without changing ends with five (5) players versus five (5) players, except where teams/clubs have been penalized going into the overtime period. If a tie still exists after the ten (10) minute overtime period, teams/clubs shall convert back to twenty (20) minute stop-time sudden victory overtime periods with intermissions and alternating the net areas.
 17. In the event that there is a tie in the League standing, for any position, at the conclusion of the regular season, the tie-breaking formula shall be as follows:
 - a) The team/club to be awarded the higher position will be the team/club having the better record (more wins) as compared to the team/club with which the tie exists;
 - b) If a tie still exists, then the higher position will be awarded to the team/club having won the series between the tied teams/clubs;

- c) If a tie still exists, the higher position shall be awarded to the team/club with the better “goals for” and “goals against” record as compared to the team/club with which the tie exists;
 - d) If a tie still exists, then the higher position shall be awarded to the less penalized team/club.
18. It shall be the responsibility of the home team/club to report the game result by phone or email within one (1) hour after the conclusion of the game to the Statistician and submit a copy of the game sheet within three (3) hours of its completion. Failure to abide with this rule will result in a fine of Twenty-Five Dollars (CA\$25.00).
 19. It shall be the responsibility of both teams/clubs’ management to notify the Vice-President and the Statistician by telephone or email within three (3) hours after any Game Misconduct, Gross Misconduct, Fighting Major or Match penalty has been assessed to any member of their team/club, or be subject to a minimum Fifty Dollar fine (CA\$50.00) and to further disciplinary action.
 20. Both teams must approve any change in any regular scheduled, playoff, cancelled or postponed game. Any changes/cancellations **must be scheduled within ten (10) days** and must be played prior to the conclusion of the League schedule.
 21. In the event that the team/club involved in re-scheduling a game is not able to agree on a suitable time and date, or on a playoff series, or if their proposal is not acceptable to the League President, then the Executive council or the President shall decide the hour and date and this decision will be final.
 22. In the event of severe weather conditions preventing safe travel, either the home or visiting home/club must notify the other team/club and the President or his designate **no later than three (3) hours before** the game start time. The President or his designate will notify the referee assignor of the cancellation. If this is not done, the win shall be awarded to the team/club who did not ask for the rescheduling of the game and a loss will be awarded to the other team/club.
 23. In the event that a team/club does not appear for a scheduled game for reasons other than weather conditions, then that team/club shall be responsible for all expenses incurred by the home team/club up to a maximum of one-Thousand Dollars (CA\$1,000.00), payable to the League within seven (7) days of the advertised date and time of the game. The League will then reimburse the home team/club. The game shall be forfeited to the non-offending team/club, which shall be awarded the win. In the event that the offending team/club fails to pay within

the seven (7) days, then that team/club shall be suspended until the amount so stipulated is paid in full.

SECTION IV- CODE OF DISCIPLINE

1. GENERAL

- a)** Team/club officials are responsible for being familiar with the League's Discipline Directives, outlined in this Code of Discipline, and ensuring that suspensions assessed to members of their teams/clubs are served as directed.
- b)** No player(s) and/ or team/club official(s) who are under suspension may participate in any way during the game in which they are suspended, including being in the dressing room prior to or during the game including between periods on or near the player's bench or act as an off-ice official.
- c)** Any suspension(s) assessed under the Discipline Directives outlined in this Code of Discipline will not automatically terminate with the completion of the current playing season. - f)** Game officials accused of molesting or abusing carded member(s) of a team/club shall be suspended indefinitely pending a hearing by HEO Junior Council, and any possible further disciplinary actions.
- g)** When an incident occurs where a newspaper article has made derogatory remarks about an on-ice official, the Vice-President, Rules and Officials, should determine if such remarks are attributable to quotes from any team/club officials or coaches. If such comments are a result of quotes, the Vice-President, Rules and Officials, should turn the information including the article over to the appropriate Director (Junior A, B or C). The Director will first advise the Vice- President, Junior, of the incident and then turn over the information to the appropriate League President. The League will carry out an investigation of the incident including where necessary, holding a hearing with the coach or team/club official(s). Should the

League determine that the remarks made were attributable to quotes made by the coaches or team/club official(s) then the suspension listed below will be imposed. In the event that it is determined that the coach or team/club official(s) has been misquoted, the League President should then report such findings in writing to the appropriate Junior Director who in turn will advise the Vice-President, Junior that the matter is complete. In the event that it is determined that such remarks are made by a League President, the incident shall be reviewed by the Vice-President, Junior, for appropriate action/fine.
