October Meeting:

The minutes from October's Board Meeting were approved.

Treasurer's Report:

Danielle reported that all current bills have been paid.

Registrar:

Jim reported that one of the JV Green players will be permanently rostered to Varsity. This will require a petition to AHAI to move him.

The hotel manager in Madison had made some significant mistakes in billing the rooms for the November Wright Angles tournament. Jim wanted to make sure the families entitled to refunds are receiving them.

Suspensions and Roster Moves:

Johnny reported that the player changing rosters is currently serving a 6 game suspension. However, since this was in response to a *game misconduct penalty*, the suspension does not follow the player to his new Varsity position and will therefore be eligible to play immediately.

A Feed My Starving Children outing will be planned for after the New Year.

Next Meeting: December date to be determined.
