

# 2025 - 26 TRANSCONA RAILER EXPRESS SPONSORSHIP PROGRAM

**Est .2012**

Transcona Railer Express

@mmjhlrailerexpress

Thank you for the opportunity to request your support for the Transcona Railer Express Junior Hockey Club's community partnership

This is not just a junior hockey program, but also a vibrant contributor to the great community of Transcona.

We take great pride in ensuring that we give back to the people and businesses in our community whenever possible.

Here are a few examples of our community involvement.

- **Remembrance Day Service**      players, directors & staff volunteer. by working with the Transcona Legion.
- **Transcona Food Bank**      players, directors & staff volunteer.
- **Reading Week**      players reading to kids in local schools
- **East End Community Club**      Breakfast and Skate with Santa and other events as needed.
- **TMHA Programs**      Coaches and players participate/coordinate hockey skills, evaluations and development camps

We believe giving back to our community is the key to a successful community minded program.

The Railer Express continue to grow its roots as one of the most successful franchises participating in the Manitoba Major Junior Hockey League, both from a sound fiscally responsible non-profit based entity and, in recent years, as one of the top teams in the standings of the M.M.J.H.L.

One last amazing and integral piece to the program's success is our scholarship funding. Each year approx.. \$10,000 in scholarships is given to our players pursuing career aspirations through University or Post Secondary Education.

Our Mission Statement:

***“Create a venue and opportunity for young players to foster their athletic skills as well as enhance their community spirit”***

Please take a moment to review options to be a part of this amazing community minded Junior Hockey Program.

Thank you for your consideration.  
Board of Directors Transcona Junior Hockey Club
