

Other Weekend Opportunities

As we've mentioned, this camp is not solely about playing hockey. Rather, the UT Hockey staff would like help educate players about what it means to play college hockey as well as help players decide if the University of Toledo may be a good fit for their secondary education.

This is why we will continually make ourselves available to answer questions before, during, and after the Prospects Camp. However, when it comes to the university itself we certainly don't have all the answers. We strongly encourage players thinking of enrolling at the university to sign up for a campus tour. Players can do this in two different ways.

The first way is to participate in the tour already set up by UT Hockey. This tour will take place on the second day of the camp and will be solely for camp attendees.

The second way is to sign up individually by following these steps:

- 1) Go to www.utoledo.edu
- 2) Select the Admissions tab at the top of the screen
- 3) Then select Visit Campus to see the multiple tours and presentations available

In addition, the entire Admissions tab is overflowing with information about the university. Please take the time to consider all that UT has to offer both as a college hockey player and a student and if at any time you have questions or concerns, please don't hesitate to ask.

Other Considerations

For registration to be completed this form AND check must be received by March 18th. Once a player's registration has been received a confirmation email or phone call will be made to the player. No refunds will be given after March 18th for previously confirmed participants.

COLLEGE PROSPECTS CAMP

March 25-26
Team Toledo Ice House
Toledo, OH

UT HOCKEY COLLEGE PROSPECTS CAMP

The University of Toledo Ice Hockey Club is very pleased to announce and invite you to its sixth annual College Prospects Camp. It is our hope that through hosting this camp we can better educate and prepare potential collegiate hockey players as well as get the opportunity to meet and watch many players already interested in playing for the University of Toledo.

Through the series of events we have planned and other opportunities available to participants, we hope to answer many of the questions incoming players and parents have about college hockey. Whether that be with us here at UT or elsewhere, we want players to get the answers they need before deciding where to continue their educational and hockey careers.

This camp is open to all players who are currently juniors in high school or older. This includes all incoming students, current UT students, and players not yet committed or accepted to the university. We understand that there is no stereotypical college hockey player and encourage anyone considering playing college hockey to attend.

Cost of the camp is \$100 and includes:

- 6 hours of ice time over the course of the weekend
- a Toledo Hockey practice jersey each player will be given on the first day
- a Toledo Hockey t-shirt
- a guided tour of the University of Toledo
- a pizza lunch for both the player and his immediate family on Saturday the 26th

Itinerary

- 7 pm Friday, March 25
Players begin checking in at the Team Toledo Ice House in Toledo, OH. Liability waivers are signed and practice jerseys handed out.
- 8 pm-10 pm Friday, March 25
Players take the ice for a quick warm up session followed by a scrimmage amongst camp players and returning UT Hockey players.
- 9 am-11 am Saturday, March 26
Players participate in a skills skate featuring drills our team uses on a regular basis. Meant to give players a feel for the tempo of a college practice.
- 12:00 pm-1:00 pm Saturday, March 26
Players and their families are invited to lunch and a Q&A session with UT coaches and players at the UT Rec Center
- 1:00 pm-2:00 pm Saturday, March 26
Players and their families take a campus tour set up just for camp attendees
- 4:00 pm-6:00 pm Saturday, March 26
Players take part in the second game of the weekend and the final event for the camp.
