 - iv. If possible, the WCHL shall conduct a fourth tier of play for lower-level Women's Adult teams. Teams in this tier are generally composed of players who are new to the sport and are still learning skating and hockey skills. Teams may have some veteran players, but the overall level of the team makes it difficult to compete with blue-level teams.
 - b. As determined by the Board of Directors, additional tiers of play may be offered for Women's Adult teams.
 - c. As determined by the Board of Directors, the WCHL shall conduct a separate tier of competition at the college level for appropriate teams.
2. Division Alignment
 - a. Placement of teams in divisions shall be determined by the Board of Directors.
 - i. Placement will be based on the previous year's records as well as the current year's roster.
 - ii. Regular season winners and losers of each division may be moved to an appropriate level.
 - b. Teams wishing to change their division assignment must submit a request in writing to the Board of Directors no later than September 1st prior to the playing season.

- i. A newly formed or struggling team that joins the league with the intent to build and participate in the competitive side of the league after 1 or 2 years of exhibition play.
- b. Options for current exhibition teams:**
 - i. Petition the league for exhibition status.
 - 1. The WCHL board will only approve new or re-building teams that have the intent of joining the competitive side of the league after 1 or 2 years of exhibition play. Each year, exhibition status will be reviewed. If a team is not approved they must refer to options #2 or #3.
 - 2. Play in the competitive side of the league where teams will be placed in a division according to skill level.
 - 3. Opt out of the league - Teams deciding to opt out, or unapproved exhibition teams, will not have access to the WCHL scheduling meeting. WCHL League teams are obligated to schedule regular-season league games before scheduling exhibition games to fulfill their commitment to their WCHL season requirements.

- 2. If the violation which caused the problem is not resolved or any additional violation occurs during the term of probation, the offending team may be placed on suspension by a two-thirds (2/3) vote of all WCHL members for a term of one (1) year. A member team that has been placed on suspension:

- 2. If a member team is not in attendance at the scheduling meeting, without making prior arrangements, that team's membership shall be terminated. The team may petition the League for exhibition status, without guarantee of being accepted. If the team wishes to join in subsequent years, they shall return as a probationary team and subject to the rules thereof.
- 3. Exhibition teams who forfeit a game or act in a manner which, if the team were a League member, would put them on probation, shall not be permitted to register as a WCHL exhibition team the following season and shall not be permitted to attend the scheduling meeting. Supplemental rosters must be submitted to the Conference Rep within (7) days of the game appearance. A fine of \$10.00 per week shall be assessed until the roster is received by the League.

Section 4.03 Double Rostering

1. No player may play for more than one (1) WCHL team except in the following cases:

Appeals will be heard by the League Officers.
3. Players may double roster with other WCHL team(s) for the purpose of tournaments. These players must be declared to the League Officers prior to the first tournament game and can only participate in non-league games with the second team. 4. All players under the age of majority are required to follow their age-appropriate safety equipment guidelines. It is the responsibility of the team to ensure that minors on the team are following USA Hockey safety guidelines.

Section 6.03 Game Time Regulations

1. Games will consist of three 12-minute stop time periods. Before the game, both teams may agree to increase the periods up to three 15-minute stop time periods.
2. A minimum of three (3) minutes of warm-up time must be provided. The normal warm-up time will be five (5) minutes. However, if a game slot is 60 minutes in length (i.e. 50 minutes of ice time plus resurface), then the warm-up will be 3 minutes in length.
 - a. The home team should ensure that the visiting team is aware of the time slot length and therefore the possibility of curfew.
3. If the final period of play will not be able to be completed in its entirety due to curfew, at the first whistle with 5 minutes remaining in the ice slot, the clock will be changed to reflect the remaining time in the ice slot minus 2 minutes. The game will then continue with a stop clock.
4. At the point that a five (5) goal deficit exists in the 3rd period, the clock may remain running at the sole discretion of the losing team.
5. There is no provision for overtime in the WCHL due to varying ice lengths of home teams. The difference in ice lengths causes an uneven playing field, and therefore, even if both teams agree, the result after a period of overtime will still be tied, with both teams earning 1 point in the standings.
6. All timing clocks and score sheets must be made available to the visiting team.
7. For WCHL league games, there will be one (1) time-out per team allowed unless the game is curfewed and it is questionable as to whether the game will be able to be completed in its entirety, and there is a chance that both teams may not be able to have their time-out.

Section 6.04 Manager/Coaches Conduct

1. The managers and coaches in charge of a team for a WCHL game shall be regarded as responsible for their team for that game, and for the conduct of their team officials, players, parents, and guests during that game and while at the place where the game is being played.
2. Managers and coaches are obligated when requested, to do whatever possible to assist game officials and others involved in controlling the spectators at that game. Suspension for the coach or the manager or the entire team, and/or a forfeit of the game could result from lack of such action in attempting to control any person or group in the arena.

Section 6.05 Penalties, Game Misconducts, Match Penalties, and Suspensions

1. Penalties shall be served as follows for games consisting of periods less than 15 minutes in length:
 - a. Minor penalties = 1:30
 - b. Major penalties = 4:00
 - c. Misconducts = 8:00
2. Penalties shall be served as follows for games consisting of periods equal to or greater than 15 minutes in length:
 - a. Minor penalties = 2:00
 - b. Major penalties = 5:00
 - c. Misconducts = 10:00
3. Any player who receives a Game Misconduct penalty shall be suspended until after her next WCHL League game. Therefore, if the team's next scheduled game is an exhibition game, a player receiving a Game Misconduct may have to sit more than the minimum number of games as detailed in these guidelines.
 - a. Any player who receives two majors in one (1) game shall receive a Game Misconduct and be suspended for her next two WCHL League games.
 - b. Any player who receives a second Game Misconduct during the course of the season shall be suspended for her next two WCHL League games. If her second Game Misconduct is the result of two majors in a game she will be suspended for her next three WCHL League games.
4. Any coach of a team that receives fifteen (15) or more penalties in one (1) game shall be suspended for the next WCHL League game.
 - a. If there is a scheduled exhibition game before the next league game, the coach shall also be suspended for that game.
5. Any player, coach, or team official receiving a Match Penalty shall be immediately suspended from all WCHL activity until the case is heard by the proper governing body.
 - a. Any player, coach, or team official who receives a second Match Penalty or a third Game Misconduct during the course of one (1) season shall be suspended indefinitely. The player or coach must appear before the WCHL Rules and Ethics committee and apply for reinstatement. The Rules and Ethics Committee may reinstate her at the beginning of the next season, may continue her suspension for a set number of WCHL games, or may deny her petition for reinstatement. A player or coach may petition for reinstatement once a year until reinstatement is granted.
6. A player serving a suspension cannot be on the players' bench during her suspension, but can be in the stands or rink area.
7. A team official cannot be in the vicinity of the players' bench while serving the suspension.
8. Players and/or coaches serving suspensions must be noted on the score sheet.

Article VII. FORFEITURE

Section 7.01 General

1. Teams who refuse to play a league game, fail to provide the required elements as the home team, request to change a scheduled league game within 3 days of the event, or do not appear for a scheduled game will be charged with a forfeit.
 - a. In case of a forfeit due to inappropriate officials, the officials must print their name and referee registration number or phone number on the top of the score sheet. All protests regarding the officials must be filed prior to the start of the game. The protest must be written on the score sheet and initialed by both teams and the officials. If the game begins, it must be finished and no protest regarding the referees age or certification level will be accepted.
2. If agreed upon by both teams, the game may be rescheduled, but the entire cost of both the forfeited game and the make-up game (ice, refs, etc.) shall be covered by the team responsible for the forfeit.
 - a. Rescheduled games cannot be open-ended. A new time and place must be given at the time of rescheduling, unless agreed upon by both parties involved.
 - b. Failure to reach an agreement in a mutually agreed upon time frame will result in forfeiture by the team responsible for the initial forfeit.

Section 7.02 Fines and Retribution

1. A forfeit fee of \$50 will be assessed to the forfeiting team, made payable to the WCHL.
2. The offending team will reimburse the non-offending team 1/2 the cost of ice and the full amount of the officials.
3. Any team who does not appear for a scheduled game must pay the home team the cost of their officials if the home team was required to pay them anyway.
4. The forfeiting team will be given a game played and a 0-1 loss. The game will be recorded as a game not played for the team against whom the forfeiting team was scheduled to play. The standings for the entire division will then be calculated by winning percentage of games played.
5. In the case where a game is rescheduled, forfeiture fines and retributions will not be applied.
6. Any team who is found at fault of forfeiting three games will be placed immediately on probation.
7. The team will be removed from the league standings.
 - a. All games against the offending team will be deleted from the league standings.
 - b. The team will remain on probation until the end of the next playing season or until their expulsion from the league.
 - c. Teams will not be required to play previously scheduled league games against them. Although, teams may choose to play the game. These games will not count as official league games and will not be reflected in the standings.

Section 7.03 No-Fault Forfeits

1. If the forfeit was caused by factors outside control of the team (e.g., the arena double-booked the ice, a power loss, dangerous weather, etc.), the game must be rescheduled.
 - a. Rescheduled games cannot be open-ended. A new time and place must be given at the time of rescheduling, unless agreed upon by both parties involved.
 - b. If the game cannot be rescheduled, and the teams were only scheduled to play once that season, the game will be considered a non-played game. In this no-fault case, affected teams will have one (1) game fewer than the other teams in their conference.
 - i. No win, loss, or tie statistics will be added to team standings.
 - ii. No player can be counted present or absent at a no-fault forfeited game, and playoff eligibility shall be determined by attendance at the actual number of physical games played by the affected teams.

In the case where one (1) or more teams in a division have been affected by a no-fault shortened season, standings will be determined by a normalized point system:

$(\text{POINTS EARNED} / \text{ACTUAL GAMES PLAYED}) * \text{SCHEDULED GAMES IN THE SEASON}.$

Article VIII. PLAYOFFS

Section 8.01 General

1. Playoffs will be held for the top 50% of the teams in each ability division (unless there are five or less teams in a division). If enough ice time can be procured and the teams are interested, the playoffs may be expanded to more than 50% of teams.
2. Only teams that are in good standing with the League (i.e., don't owe money to the League or to other teams, have all registration materials in, etc.), are eligible to participate in Playoffs.
3. Qualifying teams must notify the board if they elect not to participate. If a team fails to do so, forfeiting fees will apply (Section 6. Forfeiture).

Section 8.02 Playoff Requirements

1. In order to play in any WCHL Playoff or Championship Game, a player must appear on the score sheet (not marked absent) of at least 50% of her team's league games.
 - a. Players who run the risk of not being able to meet the minimum requirements to participate in playoffs may petition the Board of Directors for eligibility at least 4 weeks prior to playoffs. The Board of Directors shall have the authority to grant or deny petitions based on the reasons that the team needs to add the player and the skill level of the player.
 - b. Double-rostered players will be restricted to the higher-tiered team if they played in 50% or more of the higher-tiered team's league games, unless declared otherwise.
 - c. In the case where a double-rostered player declares to play with a team in the playoffs, and that team does not qualify, the player may compete with her second team as long as she meets eligibility requirements.

Section 8.03 Registration and Eligibility

1. Teams playing an exhibition schedule are not eligible for WCHL tournament play, season awards, playoff awards or listing in the league standings.
2. Teams eligible for the playoffs are determined from the final standings. The standard system shall be used unless otherwise stated.
 - a. Point Systems
 - i. Standard (2 point system):
win = 2 pts, tie = 1 pts, loss or forfeit = 0 pts,
 - ii. Brampton (5 point system)
Winning the game = 2 pts, tying the game = 1 pt, loss or forfeit = 0 pts,
Winning a period = 1 pt, tying a period = 1/2 pt, losing a period = 0 pts

Winning the game = 3 pts, tying the game = 1 pt, loss or forfeit = 0 pts.

 3. Goals differential (goals for – goals against)
 4. Goal quotient (divide goals for by goals against)

 2. Goals against
 3. Goals differential (goals for – goals against)
 4. Goal quotient (divide goals for by goals against)
 5. Fewer losses
 6. Most wins
 - ii. If still tied after these tie breakers, the following tie breakers will be utilized first in head-to-head, then compared to the other playoff teams, and then to the whole season:
 1. Penalty minutes
 2. Number of penalties
 - iii. If the teams are still tied after this formula has been applied, the teams will be asked to play a single elimination playoff game to determine the ranking in the tournament.

Section 8.04 Playoff Rule Exceptions

1. All WCHL Rules and Regulations apply to playoff games, with the following exceptions:
 - a. Officials
 - i. On-ice officials will be furnished by the Playoff Committee rather than the participating teams.
 - ii. Minor officials will be provided by the team hosting the playoffs or by the Playoff Committee, unless otherwise noted.

If the game is still tied, the “sudden victory” overtime periods shall be repeated until one team scores. There will be a one minute break between each overtime period if time permits.
 - ii. With 5 minutes remaining in available game time, the game will be decided by shoot-out. Each team will pick 5 players to participate; the score after all 10 players have shot will determine the winner. If the score is still tied at the end of the first shoot out, sudden-death shoot-outs shall be utilized with a different set of 5 skaters. Sudden-death shoot-outs must include an equal number of skaters for each team. In the case where one team has more participating members than the other, at the point where one team has run out of players, both teams can re-use players.
 - iii. Each team will be allowed one (1) time-out during the Championship game.

Section 8.05 Monetary Awards

1. If monetary awards are allotted to the top teams as the end-of-season award, and the top team chooses to not participate in league playoffs, the prize money will be deferred to the team that takes their place in the playoffs.

Article IX. SUSPENSION AND EXPULSION

 - b. Complaints of conduct detrimental to hockey must be submitted in writing.
