

West Valley High School Hockey

Dear Prospective Sponsor,

This season, I am playing for West Valley High School Wolfpack Hockey. Our season has already begun, and we are raising funds needed to support the Wolfpack Varsity and JV programs for this season.

Unfortunately, High School Hockey is now supported solely by the parents and players. The FNSB School District removed all supporting funds for this program from the athletic budgets of the schools and fundraising is now needed to cover the expenses normally covered by the individual schools. Some of these basic expenses include practice ice, game costs and travel. We will need to rely on local fundraising activities and support from family/friends and community businesses to make our season happen.

If you could help the program with a donation of any amount, it would be greatly appreciated. Your contribution will go a long way in our continued success both on and off the ice. All player sponsors will be featured on our website and social media accounts.

Thank you very much for your consideration and support.
