

## 2019 DONATION TROJAN BLITZ

### **\*IMPORTANT\*** **DONATION TROJAN BLITZ** **Neighborhood Donation Drive**

8:30AM to 12noon

Saturday, August 3rd 2019

Meet in the Anderson Large Gym at 8:30am

(this helps pay for our road trips and uniforms and meals---please plan to help)

### **DISTANCE FOR DOLLARS**

Trojan Cross Country families!

Coach Sanford has asked me to share some important fundraising info with you.

The team will be holding a Distance for Dollars fundraising drive in order to help offset some of the costs of the cross country season. Runners will log all of the miles they run in practice at Anderson High School and Zilker Park through August 19th. We welcome donations from family relatives and friends, and it's easier than ever to give; this year we're able to use an online system for donations as well as accepting cash and checks.

Our runners will also be in the neighborhoods in the Anderson community tomorrow asking for donations or pledges based on miles they run in practice this week. The total number of miles that each student runs will not exceed 50 miles.

As discussed in practice this week, all students will need to meet in the Anderson small gym tomorrow by 8:30 a.m. so we may organize them into teams for the Distance for Dollars Blitz in the neighborhoods. We will collect donations from 9:00 - 12:00 a.m. and return to Anderson High School to turn in all money that is collected.

Students need to wear an Anderson cross country shirt. We will also have some shirts for 9th grade runners and any new runners.

Note: We would like to have parents help us with drop off students in the neighborhoods around Anderson High and Murchison Middle School.

Please call or text Coach Sanford if you have any questions: 512-426-9390.
