

The poster features a black background with two white line-art illustrations of female models. The model on the left is shown from the side, wearing a long-sleeved dress with a polka-dot pattern and high heels. The model on the right is shown from the front, wearing a short-sleeved dress with a large bow at the waist and high heels. A large, light gray, scalloped-edged shape is centered over the models, containing the event's title and details in white text.
