

Houston High School Grade Policy

Everyone who represents Houston Volleyball must keep her grades above a 2.5 GPA. This is a C+ average and should not be hard to maintain. If at any time a player falls below a C+ average, she will be placed on probation until further notice. Each player will have her grades checked before making the Houston Volleyball Team. If a player's second semester grades are below a 2.5, she is not eligible to participate this season.

If you have any further questions, please contact Coach Pendleton.
