

Sports Engine Instructions

To complete missing requirements

1. Go to SportsEngine.com and click Login, then it will ask 2 questions. For the first, select that you are a parent/guardian, and for the second, select Log in to my SportsEngine account.

The screenshot shows the SportsEngine web application interface. The left sidebar contains navigation links: Home, Household, Schedule, Teams, Bills, Registrations, **Memberships** (circled in red), Credentials, and Video Streaming. The main content area displays a list of memberships with columns for Membership, Status, Organization, Valid Date Range, and Person. The membership "25-26 HOA-F8 Junior Player - SafeSport Required" is circled in red. A callout box points to the "Person" column for "Samantha Meng", stating: "This should have your child's name and picture or initial if they don't have a picture in the system".
