ASSET LIST

LEAGUE _____

For Year _____

An Asset is a long-term (usually 3 years or more), tangible asset held for business use and not expected to be converted to cash in the current or upcoming fiscal year, such as manufacturing equipment, real estate, and furniture. If it doesn't fit these criteria it should be listed as an expense. List all equipment/property purchased for or received as a donation to the League that exceeds \$500.00. If the item is donated to the League, list the Fair Market Value for the item. (Examples: bleachers, ice machines, refrigerators, mowers, etc.)
