John Cunningham-Canton and Steve Spicer of Fowler, two legendary Michigan high school coaches, will be inducted into the National High School Athletic Coaches Association (NHSACA) Hall of Fame June 25, 2019 in Bismarck, North Dakota.

The NHSACA, the professional organization of school coaches and athletic directors, will induct Coach Cunningham and Coach Spicer, who will be represented by his family, along with deserving coaches from other NHSACA member states.

The award will be presented June 25th as part of the NHSACA annual conference which takes place June 23rd-26th at the NHSACA Annual Conference in which over 500 coaches an athletic directors will participate.

of the Year in 16 different years.

Few coaches in the history of coaching Michigan prep football have accomplished what Steve Spicer did at Fowler High School.

His career was cut short due to an untimely illness and death, however, his impact on the students and community of Fowler will last for generations.

In his twenty five year career of coaching the Fowler Eagles, Steve's teams compiled a record of 201 wins and 49 losses. They won 12 conference championships and appeared 4 times in the Silverdome to play for the state championship and won 2 times. The Fowler Eagles earned a spot in the football playoffs 13 times under Spicer's leadership. He compiled a record of 167 win and 53 losses in coaching JV basketball and earned 63 wins and 38 losses in coaching baseball. He was named the Regional Coach of the Year or State Coach

John is a graduate of the University of Michigan and while attending U of M John competed on the gymnastics team. After graduation John taught and coached at Plymouth High from 1968-1972, and started at Plymouth Canton in

1972 and is still actively coaching. During his 51 years of coaching, John's gymnastics teams have been on an incredible streak of success having placed first or second in the Michigan High School Athletic Association state finals five times. He also has coached 12 individual state champions.

John has been named the Gymnastics Coach of the Year 4 times. He was honored as the National Regional Coach of the Year by the NHSACA in 1999 and National Coach of the Year in 2016.

John has also served as the Gymnastic Representative and President of the Michigan High School Coaches Association.

John and his wife Sally three children Eric, Adam and Ryan

Steve was inducted into the MHSFCA Hall of Fame in 1988. In 1997, the football field at Fowler High School was named "Spicer Field". Now Coach Spicer will be Michigan Newest National High School Athletic Coaches Associations Hall of Inducted posthumously.

Steve and his wife Becky have three children: Tammy, Tricia and Michael.

2018-19 NFHS National Coach of the Year Honors

Three Michigan Coaches have been named National Federation Coach of the Year.

Mr. Leon Braisted III Golf Coach at Birmingham,

Mr. Terry Schwartzkopf, Tennis Coach at Midland H.H. Dow High School,

and Ms. Betty Wroubel, Volleyball Coach at Pontic Norte Dame Prep,

are national top coaches.

Twenty-three high school coaches from across the country have been selected as 2018 National Coaches of the Year by the National Federation of State High School Associations (NFHS) Coaches Association.

The NFHS, which has been recognizing coaches through an awards program since 1982, honors coaches in the top 10 girls sports and top 10 boys sports (by participation numbers), and in two "other" sports – one for boys and one for girls – that are not included in the top 10 listings. The NFHS also recognizes a spirit coach as a separate award category. Winners of NFHS awards must be active coaches during the

year for which they receive their award. This year's awards recognize coaches for the 2018-19 school year.

The NFHS has a contact in each state who is responsible for selecting deserving coach award recipients. This person often works with the state coaches' association in his or her respective state. He or she contacts the potential state award recipients to complete a coach profile form that requests information regarding the coach's record, membership in and affiliation with coaching and other professional organizations, involvement with other school and community activities and programs, and coaching philosophy. To be approved as an award recipient and considered for sectional and national coach of the year consideration, this profile form must be completed by the coach or designee and then approved by the executive director (or designee) of the state athletic/activities

association.

The next award level after state coach of the year is sectional coach of the year. The NFHS is divided into eight geographical sections. They are as follows: Section 1 – Northeast (CT, ME, MA, NH, NJ, NY, RI, VT); Section 2 – Mideast (DE, DC, KY, MD, OH, PA, VA, WV); Section 3 – South (AL, FL, GA, LA, MS, NC, SC, TN); Section 4 – Central (IL, IN, IA, MI, WI); Section 5 – Midwest (KS, MN, MO, NE, ND, SD); Section 6 – Southwest (AR, CO, NM, OK, TX); Section 7 – West (AZ, CA, HI, NV, UT); and Section 8 – Northwest (AK, ID, MT, OR, WA, WY).

The NFHS Coaches Association has an advisory committee composed of a chair and eight sectional representatives. The sectional committee representatives evaluate the state award recipients from the states in their re-

spective sections and select the best candidates for the sectional award in each sport category. The NFHS Coaches Association Advisory Committee then considers the sectional candidates in each sport, ranks them according to a point system, and determines a national winner for each of the 20 sport categories, the spirit category and two "other" categories.

A total of 806 coaches will be recognized this year with state, sectional and national awards.

Also joining Leon, Terry and Betty for NFHS honors for the state and sectional levels are 11 other Michigan coaches.

Please see posting below.

Even though interscholastic athletics may garner an extraordinary amount of attention from spectators at given times, it is important to remember that these programs exist to prepare young men and women for the next level of life, not the next level of sports. What would your choice be if given the opportunity, either to help produce a handful of elite athletes, or to produce hundreds of thousands of productive citizens who will become our future business and civic leaders?

I am a coach because of the kids and the passion I have for the sport itself. There is no other feeling quite like helping young athletes further develop their natural persistence, determination, discipline, dedication, resiliency, work ethic, heart, leadership skills, connection with, and respect for, others, not only in competition but in life!

MHSCA COACHING RECOGNITION for 15/20/25/30/35/40/45/50 Years

The candidate must have distinguished himself/herself with good coaching ethics and promoted good sportsmanship throughout his/her coaching career. *The AD or principal's signature confirms this. Ten (10) years of coaching outside of Michigan may be applied to the application. Coaching at any level may be applied as long as it is a school sponsored interscholastic sport. To receive a general coaching certificate the candidate must have been coaching at least one sport per year at any level for the requested number of years. To receive specific certificates for a single sport the candidate must qualify for the specified number of

years in that sport. This can be at any level. You cannot however count more than one level or season for a sport in any one year. For example, coaching both boys and girls basketball during the same school year counts as "1" year; coaching both 7th grade boys and JV boys during the same school year counts as "1" year. Up to three (3) years may be included for active duty military service which delayed or interrupted an applicant's coaching career. Awards for 30 years and more (plaque) will have the sports that the candidate coached listed on the plaque. The coach will be presented only one award for each level of service

after 30 years.

For more information go to www.mhsca.org or contact Mike Jolly at E-mail to: dlsathletics@aol.com

Application online now for The Rich Tompkins Multi-Sport Athlete Award

The MHSCA Board of Directors recognized Rich Tompkins (1946-2015), former Executive Director, for his service to high school athletics by naming the multi-sport athlete award in his name.

Each school in the state can nominate one boy and one girl from their school for the MHSCA Rich Tompkins

Multi-Sport Athlete Award. The only requirement for the athlete is that they must have participated in a least 3 sports for all four years of high school. Information will be sent out through the help of the MIAA to all AD's in the state.

Nominations are due by April 15th and must be submitted by the school's principal or AD. Each of the

nominees are evaluated on the basis of their athletic achievements (both individual and team), scholarship, leadership and service. The committee utilizes a rubric to rate the candidates.

All of the nominees receive a high quality certificate from the MHSCA in honor of being their

school's honoree. Additionally, one boy and one girl from each of the four classes of schools (A, B, C, D) receive a plaque as the MHSCA State Multi-Sport Athlete of the Year.

For more information contact Mr. Larry Merx, MHSCA 2nd Vice President at: larrymerx@gmail.com or go to MHSCA.org

February, 2019 Brr! It's cold, but we are on the downhill, and before you know it we will be too warm. It is incredible how quickly sports seasons slip by. In less than a month most of the winter seasons will be history.

I hope you all have had an opportunity to enjoy some good high school competition.....for you that are coaching good luck coming down the stretch!

Most of the Executive Committee will be meeting in March in Vermillion, SD for the spring meeting.....

one old soul will be joining the meeting by Skype from Wyoming. We tried that for a previous brief conversation and it worked well with a few minor technical problems.

The NHSACA Finalists have been announced and the Executive Board is busy evaluating the finalists. I think you will all find the finalist to be super qualified candidates. I want to thank all of the sports chairs for completing the evaluations for their Sport COTY. This is not an easy task. If there are any suggestions on how to make the evaluation chore easier, now is the time to let Dave Dougherty know, when it is fresh in your mind. If you're a sports chair or you know someone being honored,

please help them make arrangements for the convention.

House-cleaning items:

1. Randy Johnson, Convention Coordinator, has been extremely busy organizing a great convention in Bismarck, ND for this summer. You should make reservations soon at the Ramkota in Bismarck. The rates are \$109 and the phone number 701-258- 7700, the dates are from Friday, June 21st through the 27th. The first board meeting is Sunday June 23. Also, don't forget to register for the convention. That information is available at hscoaches.org

2. The schedule, although continually being updated, is posted on the website and Randy is requesting help from the Sports Chairs in securing speaking spots from the COTY finalist. Please contact your finalist and get them committed to speak.

3. While you are on the website, don't forget to take advantage of some of the discounts that are EXCLUSIVELY for coaches including travel, insurance, supplies and other personal discounts.

4. "Coach and AD Magazine" continues to be a huge benefit

for all coaches in the country. We need to thank them at every opportunity. They recently conducted the "2019 State of the Industry" survey, and published it in the January edition. The findings of that survey should help NHSACA chart a path for improving the coaching profession. The number one concern for coaches and athletic directors is finding qualified coaches, and that doesn't necessarily mean X's and O's. That certainly matches the NHSACA mission of educating our coaches and it matches most state associations goals. This should help guide NHSACA in future decisions. Thanks to the magazine for helping guide your course.

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for services and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

- To recognize person who has positively impacted interscholastic athletics in a significant way;
