

MEN'S GAME COACHES CENTURY CLUB

The Men's Game Century Club measures the success of a coach by recognizing Head Coaches of High School, College Varsity, and Junior College Level who have achieved significant levels of varsity wins in their coaching careers and/or coaches who have reached established milestones in years of service as a varsity head coach. The "Century Club" will recognize coaches who have reached 100, 200, 300, 400, 500 and 600 win milestones in their careers. The "Legends Club" will recognize coaches who have been a varsity level coach for 20 or more years.

The US Lacrosse High School Coaches Committee is now collecting information for the publishing of its Century Club and Legends Club. Both lists of coaches will be available on the US Lacrosse web site.
