- Daughter Molly: Head Girls Volleyball Coach and Math/History Teacher at Webster Groves High School. Molly was the conference coach of the year this past season, her first year as head coach! She is also a Club coach for Team Momentum. Susan had the unique opportunity to coach against Molly this past high school season in a very fun, but emotional match. Luckily, Mom’s team won!
- Son B.J.: Senior at Mizzou majoring in Business. He will begin his work career in Kansas City upon graduation this May.
- All four Deans are Parkway West graduates! Bob ’78, Susan ’81, Molly ’11 and BJ ’13. Go Longhorns!

In addition to coaching, Susan has been a math teacher for her entire 31 year career, earning numerous awards including the Parkway School District Teacher of the Year in 2007. She has also been the Assistant Athletic Director at Parkway West for the past 10 years.
