

NORTH HILLS WRESTLING

OWN IT - One Team, One Tribe...

INDIANS EARN WEST MIFFLIN TOURNAMENT SECOND PLACE FINISH

The North Hills Indians entered into the second day of the annual West Mifflin Tournament with 9 returning wrestlers and a team score of 106 points. West Allegheny, the Indians' toughest opponent in the tournament, trailed by two points. It was clear early on that these two teams would have to work hard to keep up with each other and the whole day was a back and forth battle to see who would take first place. At one point, the difference between the two team scores was incredibly close, at only half of a point. Going into the Championship round North Hills was down by just six and a half points. Wrestling for the first place title at 120lbs was senior Gage Curry, a returning Champion. Wrestling for first at 138lbs was returning champion and senior co-captain Keagan Lawson. Both wrestlers went on to win their individual Championship matches and North Hills took home a second place trophy with a final team score of 171.5 points.

As the Indians close out the 2015 calendar year, the Indians eagerly look forward to the second half of their competition schedule that awaits them. With almost half of their schedule already wrestled, the Indians are finding their mid-season rhythm and are starting to discover their team identity. Although they came up short in the team standings in the WM tournament, it was an opportunity for the Indian wrestlers to identify some tactical strengths and areas of improvement. The NH Indians enjoyed competing against West Allegheny in trying to chase down the team title and this opportunity will provide great competitive experience that will help the NH wrestling team in the future.

Gage Curry
120LBS - Champion

Team Runner-up

Keagan Lawson
138LBS - Champion

Coach's Message -

"TRAIN INSANE or REMAIN THE SAME"
The choice is yours...
