

Pierogi Fundraisers

Looking for a fun, new way to raise funds for your organization?

Tired of the same old fundraising products?

Let us help your organization stand out from the throng of candy bars, magazines, and hoagies. Our unique, high quality, homemade pierogi are guaranteed to be a huge hit in your community - and your organization will reap the rewards! Our fundraisers work similarly to any hoagie or cookie sale:

Before you begin selling, we will schedule the day you will place your group order with us, and also the day your pierogi will be delivered. Delivery is typically scheduled for 10-14 days after the date you place your group order, but this may vary depending on the time of year.

Your group will go out and take orders for the pierogi. Then you will add up your sales and place one group order with us by your scheduled order date.

When your pierogi are delivered, we will review the inventory together. When we agree that your order is correct, you will sign your invoice. Payment is due in full when we deliver. Cash or check only – credit cards not accepted. Pittsburgh Pierogi Truck LLC will charge a \$40 fee for any returned check.

Pierogi fundraisers are **POPULAR, PROFITABLE, AND CONVENIENT.**

With fundraising profits of \$3 or more per unit, it is no wonder groups such as the North Allegheny Orchestra and the Knoch Knights and North Hills marching bands all reached their fundraising goals by selling Pittsburgh Pierogi Truck pierogi.

Ready to reach your fundraising goals? Contact us today to discuss your fundraiser, and to set up dates for ordering and delivery. Attached are our product descriptions and prices, and a convenient order form to simplify your fundraising.
