## Program Advertising Contract 2017 Season

---

Please consider supporting one of the winningest sports programs in Pioneer history. PFH has consistently won State championships over the last 10 years, most recently three-peating as the 2014, 2015 and 2016 Division I State Champs. Due to decreased funding for sports, we rely on community support to continue this outstanding field hockey tradition, which includes fielding three teams every year--Varsity, JV Purple and JV White. We hope you will consider showing your support and enthusiasm for PFH by becoming a Pioneer Field Hockey Season Sponsor at one of the four levels listed below. Our goal this year is to raise \$8,000.
