Using *Photos by Elizabeth*, the sister of member Pegeen Skennion. She also did LVF's pics this season and comes highly recommended. Date being arranged and Angela will forward ASAP.

**Practice Information**

**Fundraising**

Shop Rite Canning: Tony got the date wrong! PTWC was slated to participate on November 15<sup>th</sup> but Tony shared the date November 22<sup>nd</sup> instead. A few families showed up on that date along with June. June has granted those families credit for their work bond hours. She will get the names to Cris so she can credit those families.

**Uniform Distribution**

Any new members must contact Pat directly and arrange a pick up.

**Family Work Bond**

Volunteer sheets are online, live and being utilized.

### **Kindergarten Clinic**

Albert not present but Cris was at a few practices doing paperwork and it seems to be going great. The kids are having a great time and Albert has complete control of the room.

### **Med Kits**

Done and handed out to coaches immediately after November meeting.

### **New Business**

#### **PTWC TOURNAMENT – JANUARY 2-3, 2016**

Very lengthy discussion and brainstorming led by Ralph. Discussed teams currently committed financially and teams verbally committed. Ralph is hitting every outlet he can to get more teams. Jeff shared contact information of other coaches with Ralph. It is imperative we get more teams registered in order to make our efforts successful.

Concessions: Being handled by Cris. June, Cris and Angela want to stay away from offering too many cooked-to-order items – the effort and time involved is a lot, especially if there aren't a lot of teams (therefore not as many spectators purchasing.) Cris will get the shopping lists and trips taken care of just prior to the tournament. June will take care of filling out and submitting permit with town – Fire Permit and Health Dept. We believe each to cost \$50.

Volunteers: All families are required to volunteer four (4) hours to the weekend. They will be divided among Concessions, selling 50/50, door admissions, timers, book, etc. Mat movers night before and at the end of the tournament will be fully credited with their volunteer hours.

We agreed to meet again later in the month to iron out details as we will be closer to the tournament and have a better handle on numbers, financials, and what we need to get done.

**Motion to Adjourn Meeting: 9:16 pm by Mario Fornini, seconded by Kerry Krauss**
