Stephanie also shared the latest Booster membership numbers to date; the current number is 430 members. Highlights include boys' lacrosse with 100% participation and strong numbers for girls' lacrosse.

Stephanie also reminded everyone that the Chip in for Youth program deadline is 2/24.

Stephanie also asked teams to share with her if they like the platform for their teams' website. Boosters may look to streamline in the future and utilize one company/platform for all sports.

Stephanie promoted scholarship opportunities for athletes; The Baker's Sports scholarships and the Zander Pirgousis Scholarship. Details and deadlines can be found on Shark Bytes.

Anyone interested in joining the booster board? We are looking for candidates to join the board for the 2023-2024 school year. We are looking to fill the treasurer and membership roles. If interested, please reach out to Stephanie Cills.

TREASURER- Stephanie informed the group that the current General Booster Balance is \$56,926. This includes payment of \$57,000 for the gymnasium scoreboard.

There is also a financial commitment for a new scoreboard for the gym. This scoreboard will be funded collaboratively by several sources including the Athletic Department, General Boosters and Individual sports teams. The teams participating in the funding will be given the opportunity to sell permanent signage on the scoreboard.

Director Report:

ATHELETIC DIRECTOR- Mike shared that the plans for a new track have been finalized and Installation will take place over the summer.

Signing Day was a big success, we celebrated 36 athletes and their commitment to continue their athletic careers at the college level.

Incredible winter for sports at PVHS, latest victory was Cheer winning states for the second year in a row.

Conversations need to take place this summer to address the football scoreboard. Cost estimates are \$200,000.

Mike encouraged the 24-hour rule, for parents to address any concerns with coaches.
