Director Reports:

ATHLETIC DIRECTOR – Eric thanked Dr. Kehoe and Tom West for attending the meeting.

Eric asked that the liaisons encourage their athlete's parents to pay the athletic registration fee for the spring via School Pay.

Athletic Signing Day is Wednesday, Feb 3rd at 4:00 in the PVHS Stadium. PVHS will most likely host another signing day in April for those that sign this winter or spring.

PVHS has hired a new football coach, Steve Price. He has 20+ years of coaching experience. Steve held a Zoom meeting last week to introduce himself with more than 60 people in attendance. Steve will also be the coach for the boys weightlifting program.

Eric reiterated that student athletes should advocate for themselves with their coach first before having their parents reach out to the coach or the athletic director.

Eric is finalizing the criteria for the Baker's Sports Scholarship. Baker's is awarding two \$2,500.00 scholarships to 2 student athletes; 1 female & 1 male. Once the scholarship application is complete, Eric will e-mail the application to the coaches for them to share with their athletes. It will also be available on SharkBytes and Naviance.

Amy Pattison discussed the Zander Laurin Pirgousis Scholarship. She is finalizing the details of the scholarship application with Zander's parents. PVSBC awards one \$2,500 scholarship which is matched by Zander's parents for another \$2,500.00 scholarship. It was agreed that the scholarships would go to the two best applicants regardless of gender. The application should be ready in mid-February.

MEMBERSHIP – Sharon reported that we have 473 Booster members.

FUNDRAISING – Susan thanked the liaisons for completing the survey about the plaques. Susan will soon begin marketing to teams and local businesses. Susan reviewed the pricing for the plaques.

Sports liaisons shared highlights from their seasons.

Meeting was adjourned at 7:58.
