Fundraising- Kevin Hanney

Focus of the meeting was Sharkfest. Sharkfest is May 16th at the Ponte Vedra Concert Hall. It is the main fundraiser for all the sports at the high school. Money goes to field and venue maintenance and supplements the athletic director's budget. This event also funds the big ticket items, such as lights and bleachers on the track. Our goal is to raise \$125,000.00 this year. A good portion of the money raised from table sponsorships and silent auction items goes directly back to the individual sport that secured it. The evening consists of dinner, a cash bar, silent and live auction and the band, Pro bono. Dress is resort casual. Event runs from 6pm-midnight.

Essentially, all of the seats to Sharkfest have been sold. We have 115 silent auction items in hand with a max. of 140. Cynthia is in charge of the silent and live auction. Deadline for items is May 1st, no exceptions.

Lastly, each sport is required to provide 3 volunteers for the event. We need tons of people to pull this event off successfully. On the booster club website there is a sign up genius for volunteers. New volunteer needs are being added periodically so please know that if the spots are filled when you go to sign up, many more will be added! We especially need people to help with the silent auction check out.

See you at Sharkfest!
