

PV Sharks Booster Club Meeting

January 8, 2015

The meeting was held at Ponte Vedra High School and called to order by President Dan Reiman at 7pm. Approx. 15 people were in attendance.

President's Report- *Dan Reiman*

Focus of tonight's meeting is Sharkfest.

Treasurer's Report- *Walt O'Shea- nothing to report*

Athletic Director's Report- *David Scott*

David reported that all field maintenance quotes have been received and are being reviewed. Next major project is to secure lights for the back field. The track has been resurfaced. A chemical wash was put on the tennis courts and they look great. Spring sports are starting. Participation in girls' sports is down. We may not have enough girls to field a JV team for softball and lacrosse for the first time in school history. We need the girls to come out even if they have not ever played.

Membership Report-*nothing to report*

Communication Report- *Char Benson-nothing to report*

Fundraising-*Kevin Hanney*

Kevin presented the fundraising packet put together by Kevin and Joanie Grune. It contains all the marketing material needed to solicit sponsors for the event. This is the 4th year of Sharkfest and our goal is to raise 150K. Please start selling the sponsorships now. There are 27 tables available to sell. See the website and your liaison for all the details. Please remember that this is our major fundraiser for the year. We are one of the only high schools that is not "pay to play". We receive very little money from the county for sports so this fundraiser is crucial for supporting all the sports at PV High. A large portion of the tickets your sport sells and the profit from the auction items received will go back to your individual sport.

Auction items need to be a minimum value of \$50.00. Gift cards can be bundled.

Look for sign up genius to come out to volunteer for the various committees.

Next meeting is Monday February 9th, 2015.
