The meeting was held at Ponte Vedra High School and called to order by President Dan Reiman at 7pm. Approx. 12 people were in attendance.

President's Report- *Dan Reiman*

Dan gave update on various sports.

- a. Track and Field will have a student informational meeting on Monday Nov. 17th at 4pm.
- b. Girls' Golf- finished 2nd in the district and 7th in the state
- c. Boys' Golf- Tied with Bolles at State.
- d. Boys' Soccer- 1st game is tonight. They are having a different theme for every home game. Sharkeys is throwing out 20 burgers into the stands during every home game. Tom Kassing is going to be soccer's field rep.

Also, we had a small showing at the St. Johns County Jaguars game. We can build on this next year. They were very appreciative. Thank you Margo for being the lead on this.

Treasurer's Report- *Walt O'Shea*

Balance = \$50,400 , P& L= \$24,400

Walt found 2 volunteers to help with bookkeeping.

Athletic Director's Report- *David Scott*

The field has held up remarkably well. Played 3 of the 5 home football games in rain. A complete redo of the field at this point does not seem necessary. However, we do need to keep up with sanding in the summer and adding gypsum every month. A system of French drains will also be installed. David has received 4 bids and will have that work completed. The combination of the sand, the French drains and the gypsum is approx. a \$20K expense. This is much cheaper than redoing the entire field. We have 3 wish list items that we could use help/connections from our community.

1. **720 lbs. of gypsum delivered/month**

2. **Portable bleachers that can be moved to various fields/venues at the school.**
3. **Lights on the track field. This would help all the sports by providing another field to practice on during the time when the sports overlap.**

David also reported that the swim team is sending 16 students (8 girls and 8 boys) to states this year. This is the most in school history.

Cross Country had a great season. They are a young team with huge potential.

The gym looks great with all the banners. We now have our own lift so we can hang banners easily.
