

PV Sharks Booster Club Meeting

August 10, 2015

The meeting was held at Ponte Vedra High School and called to order at 7:00pm. Approx. 18 people were in attendance.

President's Report- Dan Reiman

Dan called the meeting to order and new board was approved. Missy Greene is moving to Communications and Molly James is taking over Membership.

Sponsor Appreciation Night for our Premier and Diamond Sponsors will take place on October 16th. The booster club will host a dinner before the game and then introduce the sponsors before game. This is senior night against Bishop Kenny. Suzanne Stephens will be organizing this event.

The permanent board showcasing the winners of the Student Athlete of the Year scholarship, sponsored by Advanced Disposal, has been placed just outside the gates to the football field.

Dan will call and thank the 15 Whale sponsors we have received this year.

Football has sold 5 diamond sponsorships already. Other sports should be trying to sell those now.

We need a boys and girls sports' liaison. This is particularly important during Sharkfest.

Membership-Missy Greene

Thank you to Missy for her hard work with membership the last two years. Currently we have 195 booster members vs. 175 this time last year. The membership packages were sent out last week. Seats are currently sold out. We have reserved bleachers for the overflow. We typically oversell the seats by 100 people each year, so Missy/Molly will look into getting more seats and submit information to the board.

Athletic Director- David Scott

Fields look fantastic thanks to our new maintenance contractor and the work of David Scott and his crew. The drainage project starts tomorrow and will be completed in a week. Scoreboard looks great featuring our premier and diamond sponsors which include Web.com, Legacy, Bogeys, Oceanside cleaners, Advanced Disposal and Lazarra Orthodontics.

August 21st is first home football game against Paxon. August 28th we host Nease.

New mandatory concussions forms need to be filled out prior to tryouts/ workouts for all sports.

Walt O'Shea- Treasurer

The expense approval process is up and running. Every coach has to sit down with David Scott before the season to present their budget for approval. The purpose of this is to alleviate any last minute expenses and to help the treasurers of each sport. The budgeting template will be sent out to the liaisons. Coaches will give approved budget to each liaison.

If your sport has records that need to be filed, please give to David Scott.

Our fiscal year is July 2014- June 2015. We have a balance of \$58,356.49. The board, in conjunction with David Scott, will determine which project we fund next. Mary and Cynthia will remain as the boys and girls

sports' treasurers respectively. This will be Walt's last year as Treasurer. We need a replacement that has an accounting background and can ideally commit to serving several years.

Missy Greene- Communications

Missy has updated the website with all of the new liaisons. Still missing a few sports including wrestling. She plans on revising the website to make it very easy for a corporate sponsor to donate.

Kevin Hanney-Fundraising

Still confirming date for Sharkfest. He needs logos asap from Sharkfest sponsors in order to make banners.

Sport Liaisons-

Holly Messinger, cheer liaison, informed the group that cheer has 4 new coaches and is very focused on creating spirit! Each home football game will have a theme. She is going to put together proposal for the board for the items they need to support the themes.

Huge turnout for golf tryouts. Will have to make cuts.
