Erica Burrell	Membership, Girls Soccer, Girls lax
Stacy Hauseman	Boys Lacrosse

Announcements/Opening Statements: Agenda and reminders are available digitally on the Booster website and SportsYou.

Agenda Item	Speaker	Description
President Topics / Housekeeping	Lisa / Team	• SportsYou: Liaisons should join the liaison team; those without accounts should create one first. Invitation links/QR codes available. • Winter GoFan passes distributed; additional memberships/tickets will be processed as received. • Membership: 374 total. Girls volleyball and boys soccer reached 75% participation, increasing team fundraising/sponsorship retention from 85% to 90%. Teams may verify status with Lisa and Erica. • December meeting planned; January meeting tentatively skipped, with updates shared through SportsYou. Confirm in December. • Concessions review: Multiple teams use stadium, gym, and baseball/softball stands. Assess equipment needs and shared resources; baseball/softball electrical upgrades underway. • Football alone outsources concessions; this reduces volunteer demands but also proceeds. Any outsourcing must follow district contracting and internal-account rules. • Teams encouraged to share menus, pricing, best practices and reusable supplies through SportsYou. District Pepsi beverage requirements apply.
Vice President Topics	Jill	• No additional report.
Athletic Director Topics	Mike	• Football (3–7) was projected as a regional playoff contender; final seeding and game location/date depend on remaining results and approvals. SportsYou clarification to follow. • Coaches encouraged to schedule strong opponents to improve competitiveness and postseason positioning. • George Moore Chevrolet sponsorship under review following a social media post; teams asked to pause new sponsorship activity pending Mike's update. • Boys golf finished second at regionals.
Treasurer Topics	Fiona	• Notify reimbursement recipients when mailed checks are expected; each reissued check costs $25. Check-envelope image to be shared. • Itemized receipts required for reimbursement, especially team meals; alcohol is not reimbursable. • New Square readers being purchased; iPad upgrades under review. Baseball capital projects in planning. • Bookkeeper transition expected at year-end; referrals welcomed as options/RFP are explored. • Over $16,000 in mini-grants paid; remaining spring-sport uniform requests expected closer to season. • Community-service credit: Send Lisa and Fiona a brief activity summary and photos; tag communications for social sharing.
Sport Liaison Updates	Team	• All Season (Cheer & Dance) • Fall (Indoor Volleyball, Football, Swim, Cross Country, Boys/Girls Gold) . • Winter (B/G Soccer, B/G Wrestling, B/G Basketball, Wrestling) • Spring
