### Lemoine Trout Memorial Scholarship

Each year we'd like to give one Raider Track & Field student-athlete a **\$500** scholarship to help with their college expenses. In the event we have more than one deserving applicant and the funds are available we may choose to award additional scholarships and/or divide up the funds we do have between multiple applicants.

This scholarship is to honor the late Lemoine Trout! Lemoine Trout was a loving father, grandfather and husband who was a very dedicated teacher and coach in the Rapid City School District for many years. He was the Head Track & Field coach at Stevens until 2002 when he passed away due to cancer. The Lemoine Trout Scholarship fund has given many kids some financial assistance over the years to help with their college expenses at primarily Black Hills State University (Lemoine's alma mater) but many other schools as well. Additional information and other scholarship opportunities can be found on our website.

### Brynn Nelson Memorial Scholarship

The Brynn Nelson Memorial Scholarship is awarded in honor of an extraordinary young woman whose legacy continues to inspire everyone who knew her. Brynn was more than an elite athlete—she was a trailblazer, a fierce competitor, a compassionate teammate, and a shining example of character, resilience, and heart.

A multi-sport standout, Brynn left an indelible mark on South Dakota track and field. She was a two-time state javelin champion, the school and state record holder, and a finalist for Gatorade Player of the Year. Beyond the medals and records, Brynn was known for her infectious spirit, her support of others, and her commitment to growing the sport—especially for young female athletes.

This scholarship is awarded to a Raider Track & Field athlete who reflects Brynn's passion, determination, and selflessness. It recognizes someone who not only excels in their events but also uplifts teammates, leads with kindness, and lives with purpose—just as Brynn did every single day.

Though Brynn's time with us was far too short, her legacy lives on through this scholarship, encouraging future generations to carry her light forward—with strength, grace, and love for the sport.
