Greetings Raiders,

We hope you and your family are having a wonderful summer and finding time to relax and recharge together.

Believe it or not, it's already time to start preparing for the upcoming 2026–2027 school year! That means getting ready for another exciting year of activities, athletics, and opportunities for students and families. This message will help you get started with important information, athlete registration, and ways to stay connected so you never miss an update.

Before you start, please note the following:

1. This is for all activities at Stevens, including the Performing and Fine Arts that are SDHSAA sponsored. https://sdhsaa.com/
2. If you do not have a student ID yet, you will have to wait until your student is enrolled in our district. You can find your student's ID number in our Skyward portal.
3. Physicals are good for 365 days. Your student's physical needs to be uploaded and valid before participating in sports. We do not have a specific date that your physical needs to be turned in! Once your current physical is close to expiring, you will need to upload or provide us with the most current one.
