# SOUTH DAKOTA ALL-STATE TRACK & FIELD

## South Dakota Track & Field All-State Team Announced

The South Dakota All-State Track & Field Team recognizes the top athletes in the state based on performances at the South Dakota State Track & Field Championships.

To earn All-State honors, an athlete must finish among the **top eight performers in their event when results from all three classes (AA, A, and B) are combined**. Running events are based on state finals performances, while field events also include prelim marks achieved during state competition. Ties for eighth place are included.

With approximately **3,000 athletes competing at the South Dakota State Track & Field Championships**, All-State recognition represents one of the highest individual honors a South Dakota track and field athlete can achieve.

The South Dakota All-State Track & Field Team is selected annually by the South Dakota Cross Country and Track & Field Coaches Association (SDCCTFCA) to recognize the outstanding performances of athletes from across the state.
