

TTM (ABC), LLC

Status Update (09.18.25): TTM (ABC), LLC, the Assignee of Tritium Technologies, LLC and Tritium America Corp, have diligently worked to administer the Assignment Estate and maximize recovery for the creditors of the Assignment Estate. Though the Bar Date has passed, the Assignee continues the process of monetizing the Assignment assets.

Once the Assignee is satisfied that there are no further actions necessary to recover additional funds, each creditor who has submitted a claim as of the Bar Date will be notified and a notice will be posted on the website www.abc-claims.com

We thank you for your patience.
