

Salerno Lake Lake Plan Survey

The Salerno (Devil's) Lake Cottagers' Association (SDLCA) at the 2012 AGM approved the undertaking of a Lake Plan Study. The attached Lake Plan Survey is an important element of the Lake Plan Study.

A Lake Plan needs input from **ALL** Salerno Lake's lakefront and lake area property owners to identify the values and characteristics that are important to the Salerno Lake Community.

By completing the Salerno Lake Lake Plan Survey, **you**, as a Salerno Lake property owner, will help to identify the values and characteristics of Salerno Lake that are important to you and the Salerno Lake Community, and assist with developing a vision for the future of Salerno Lake.

Please take the time to complete the attached Survey and return to the SDLCA in the enclosed pre-addressed stamped return envelope by June 15th, 2013

This is an anonymous survey for the purpose of gathering information on the values and features of Salerno Lake that are important to you as a property owner and member of the Salerno Lake Community.

A Lake Plan Study Open House and Workshop will be held to present the findings of the Lake Plan Survey and to develop a Vision Statement for the future of Salerno Lake. Please plan on attending on

July 27th, 2013 – 10:00 a.m., at the Irondale Church Hall.

What is Lake Planning?

"Lake Planning" is a community-based approach to engage waterfront groups and individuals to have a voice in how their lake or river is managed. It involves identifying the natural and social characteristics of the lake environment that are important and developing stewardship initiatives and action plans to address any threats or concerns that may surround these features.
