

SALERNO LAKE LAKE PLAN STUDY SURVEY RESULTS 2013 - 2014

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Member of SDLCA

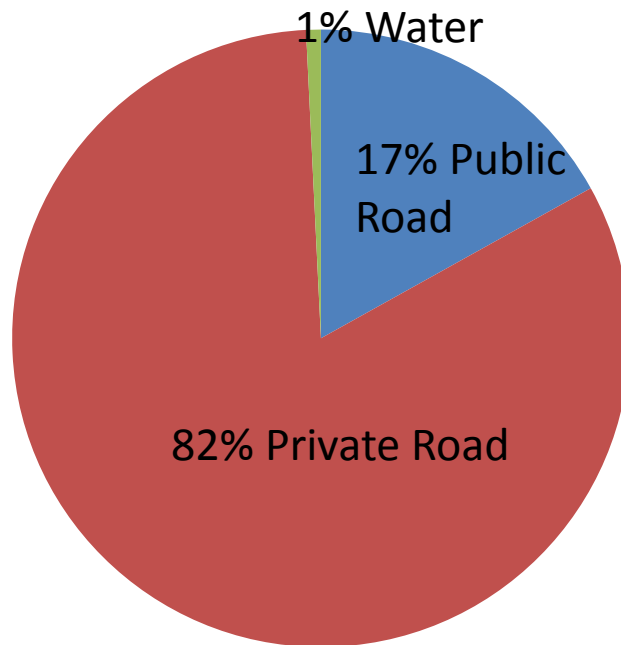

Property on Lakefront

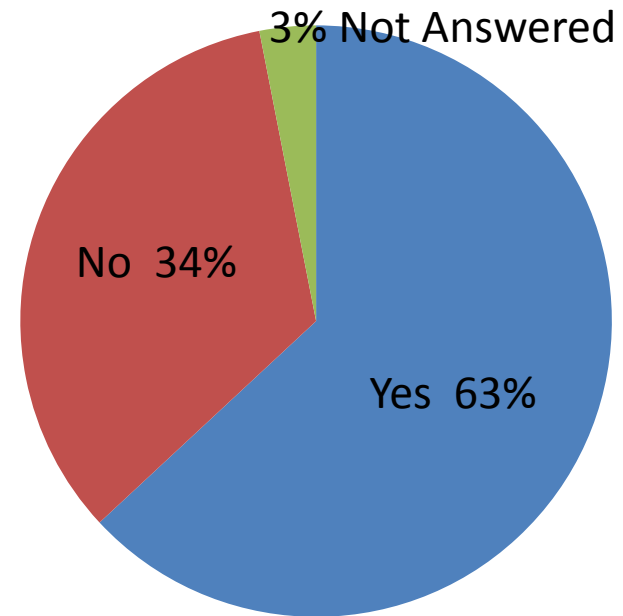

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Road Access/Association

Access to Property

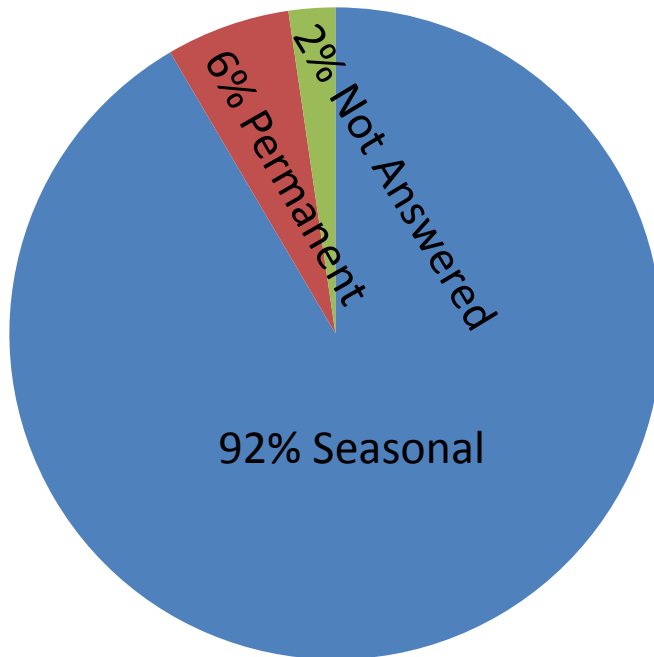

Member of a Road Association

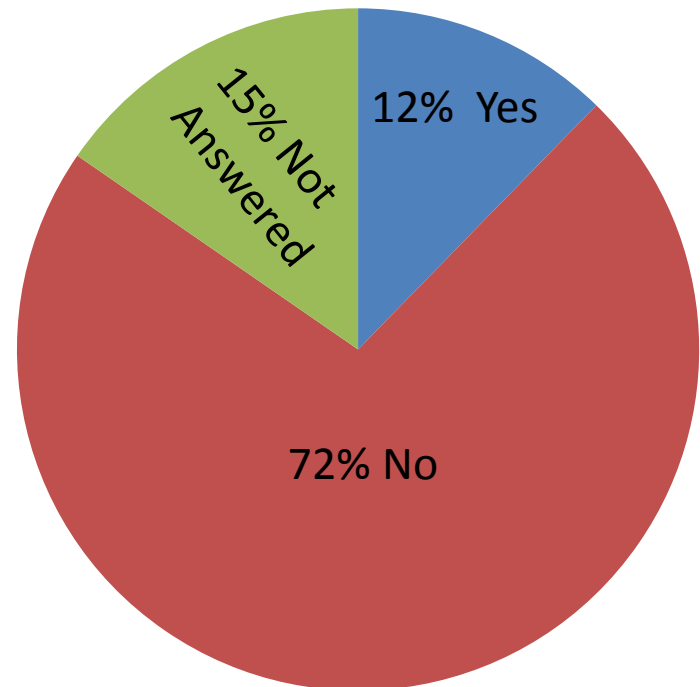

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Residency/Retirement

Current Residency Status

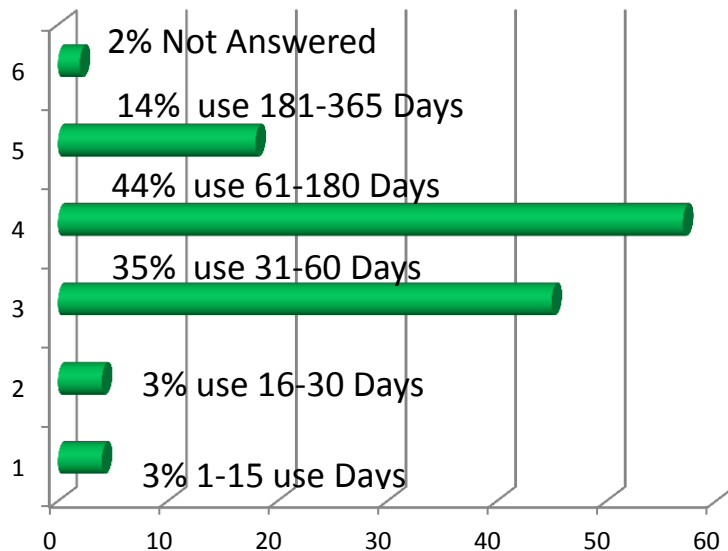

Plan to Make Property a Permanent Home

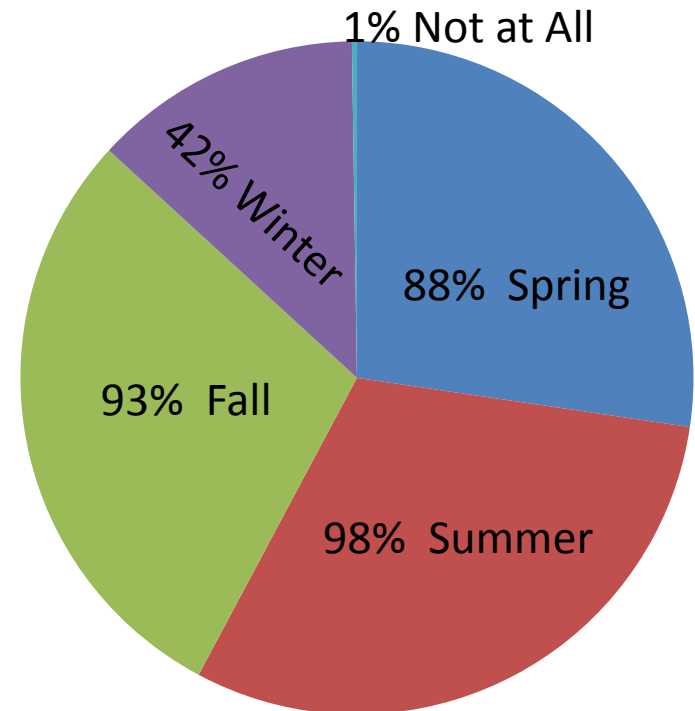

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Use of Property – Days/Seasons

Days of the Year Property Used

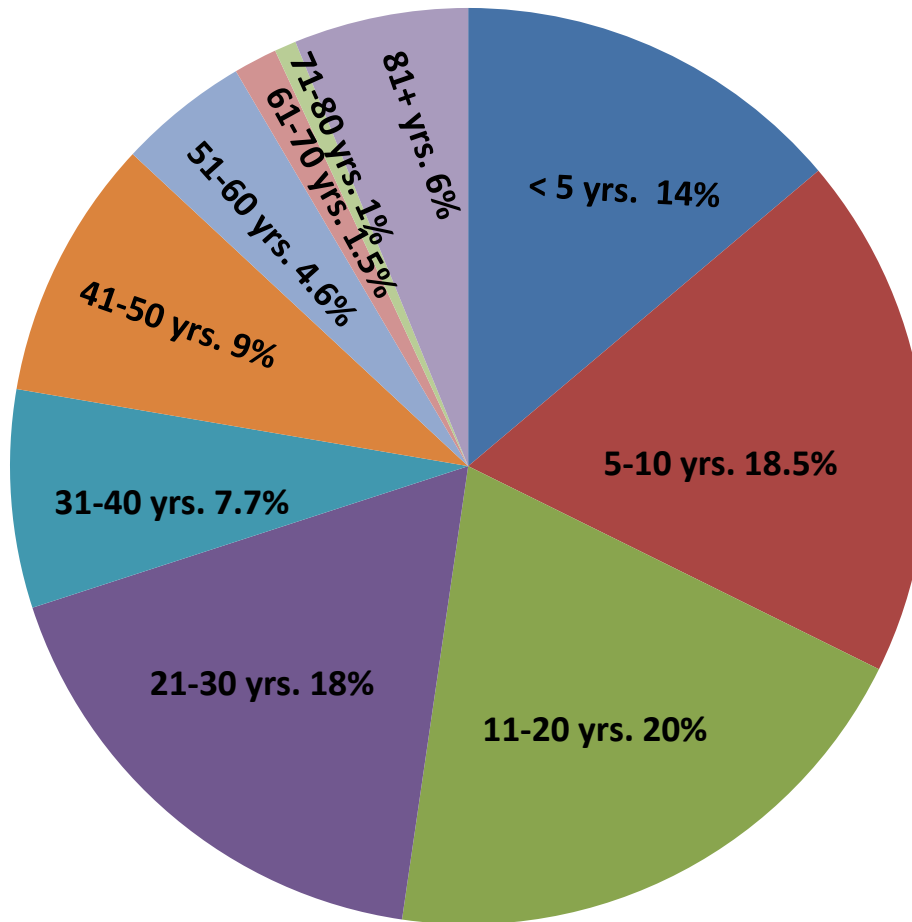

Seasons of the Year Property Used

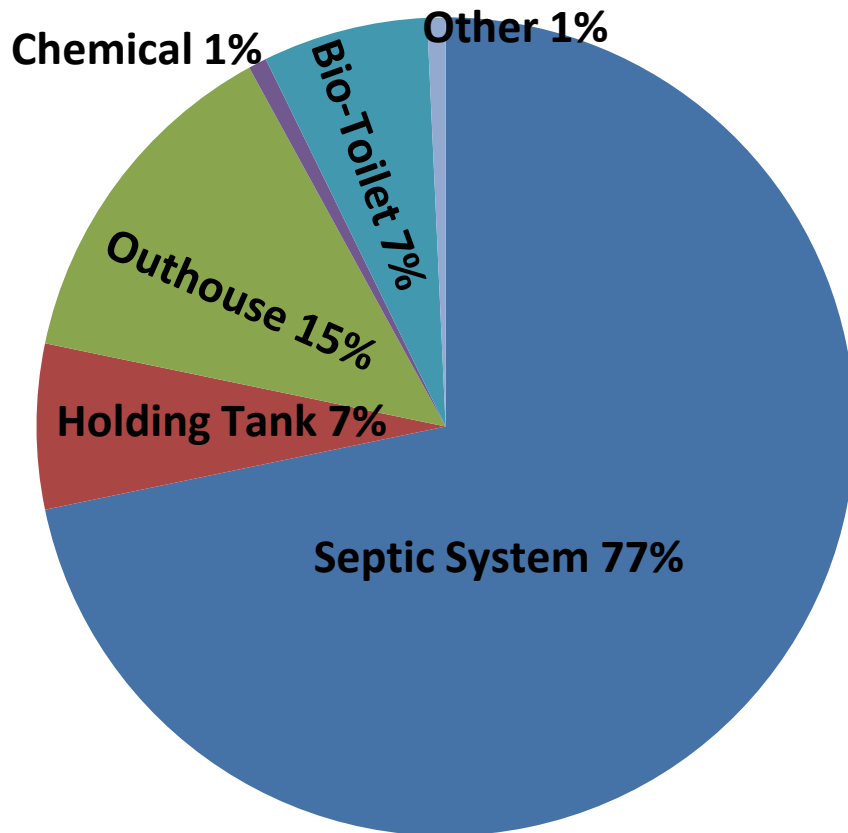

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Length of Time of Property Ownership

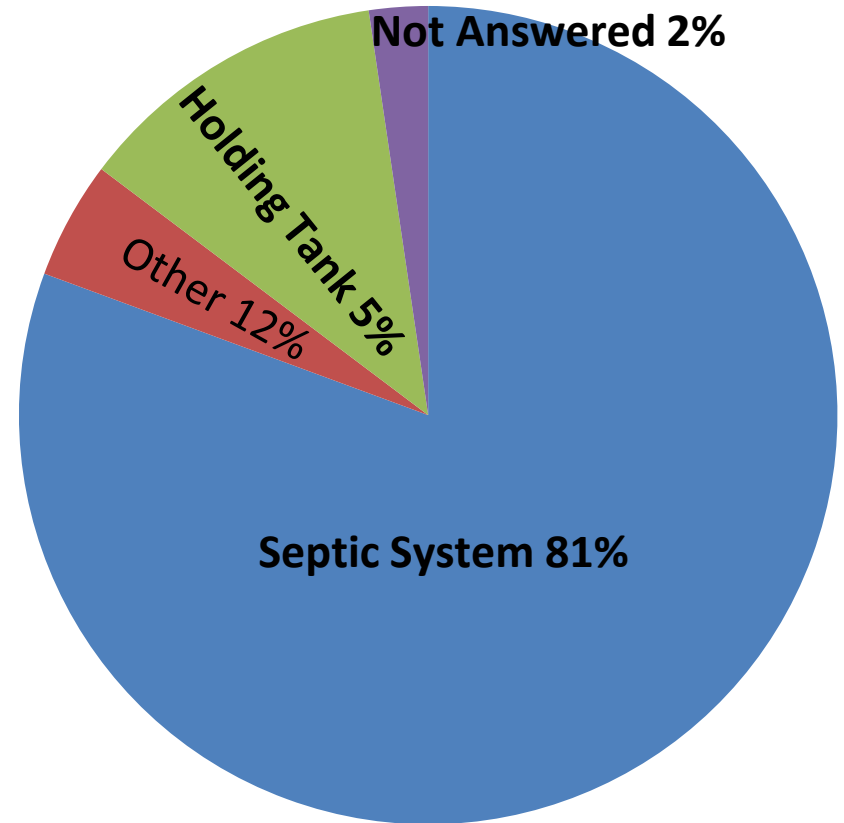

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Disposal Household Black-Water
(sewage from toilets)

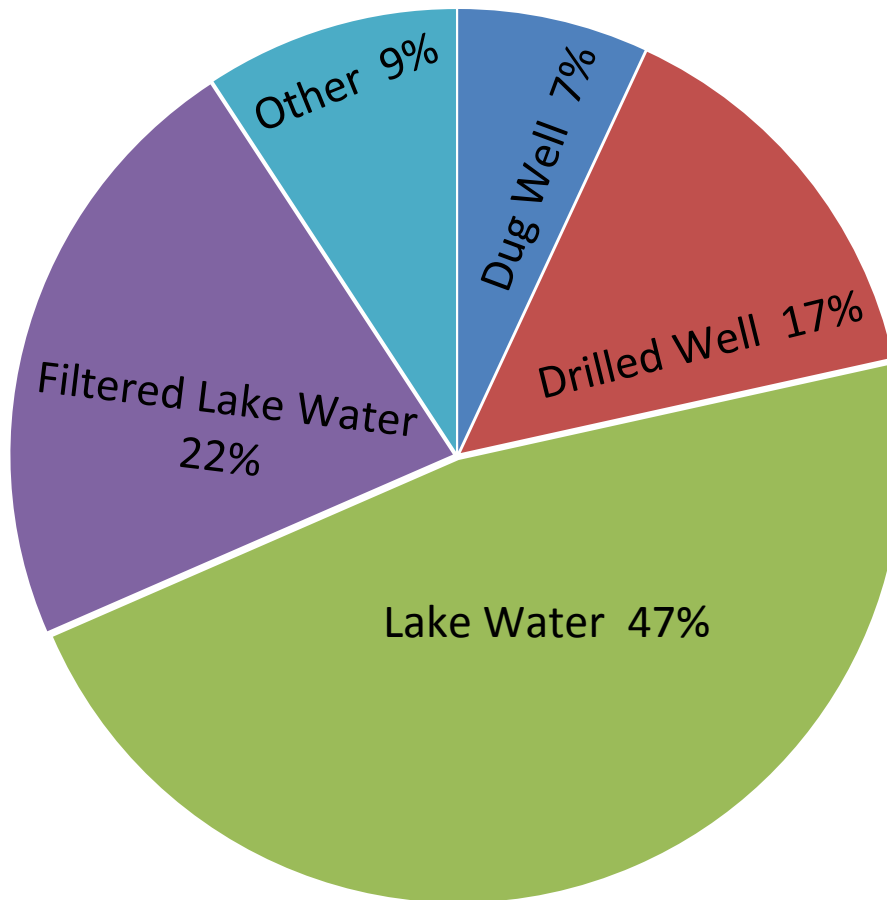

Disposal Household Gray-Water
(sinks, tubs, etc.)

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

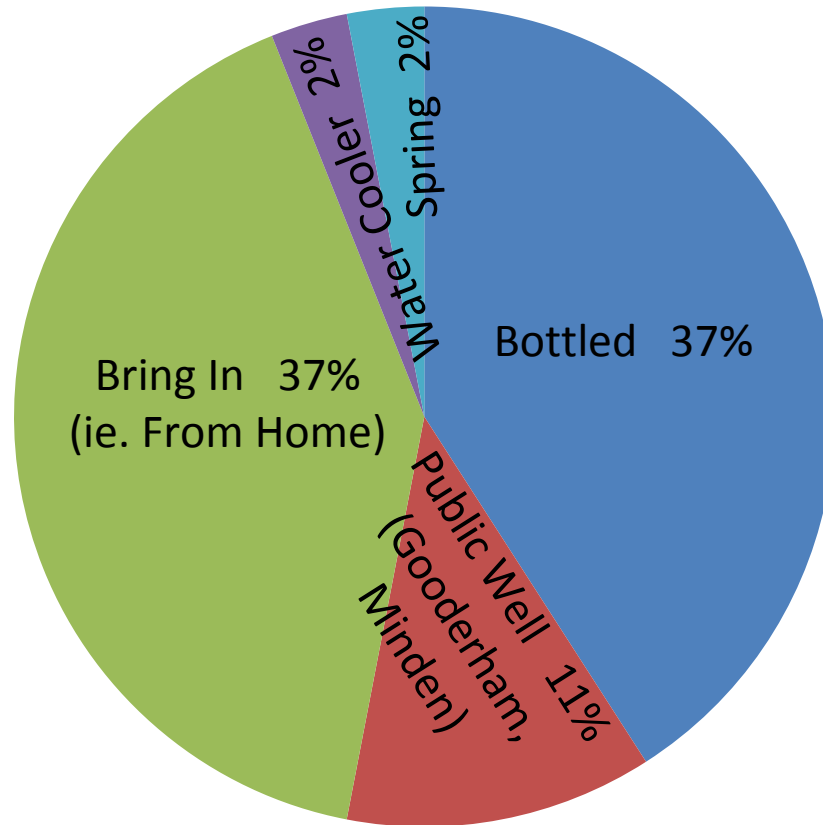

Source of Water Supply

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

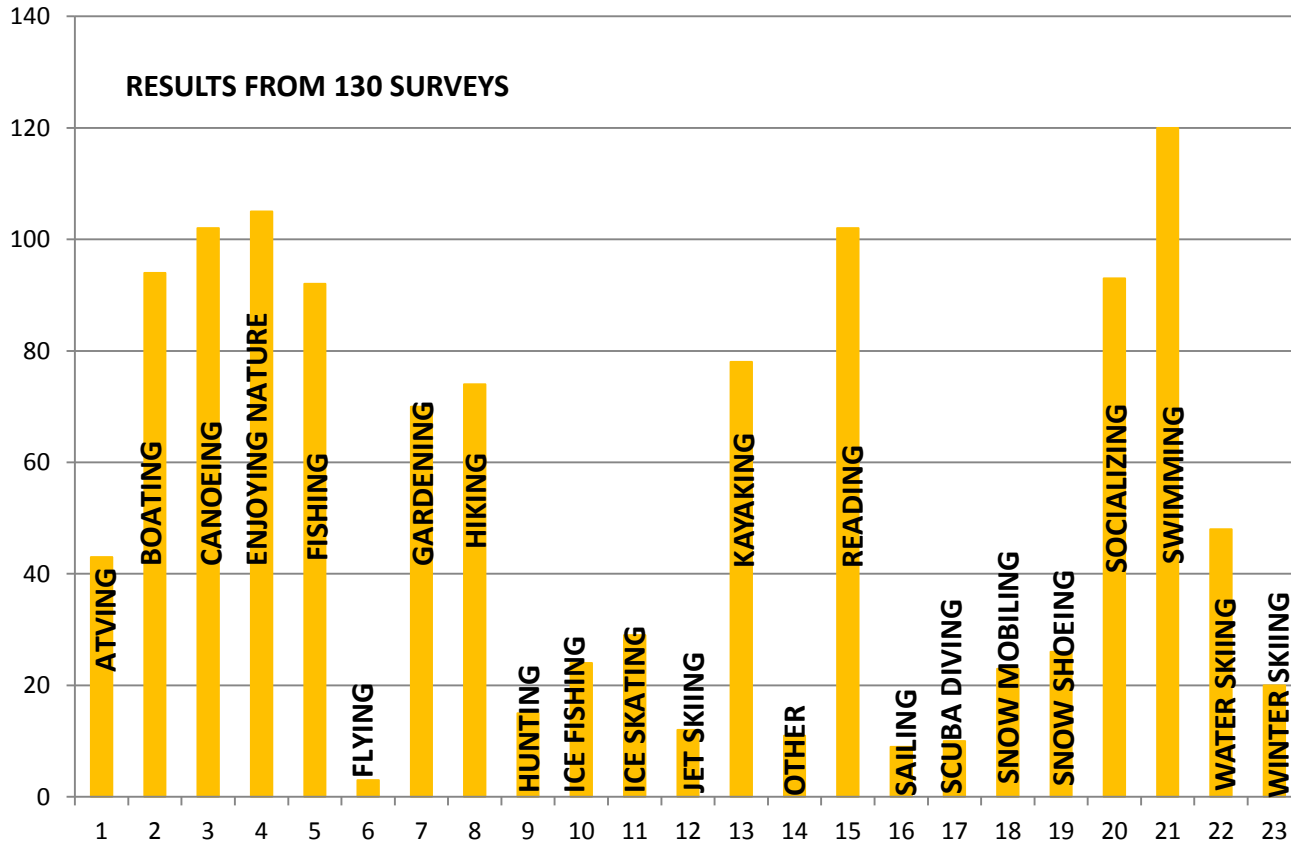

Source of Drinking Water if Different from Water Supply

56 % of respondents (73) source their drinking water separate from their water supply.

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Non-Motor Watercraft

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Non-Motor Watercraft (cont'd)

Total Number of Canoes = 123

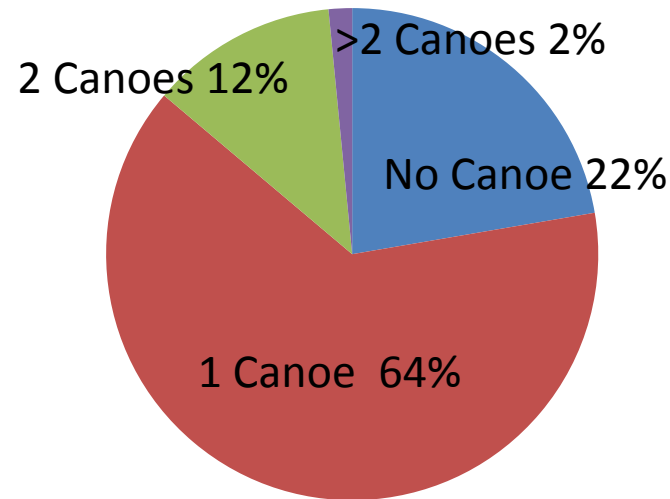

# of Properties	# of Canoes
-----------------	-------------

30 properties have	0
--------------------	---

83 properties have	1
--------------------	---

16 properties have	2
--------------------	---

2 properties have	>2
-------------------	----

Total Number of Kayaks = 118

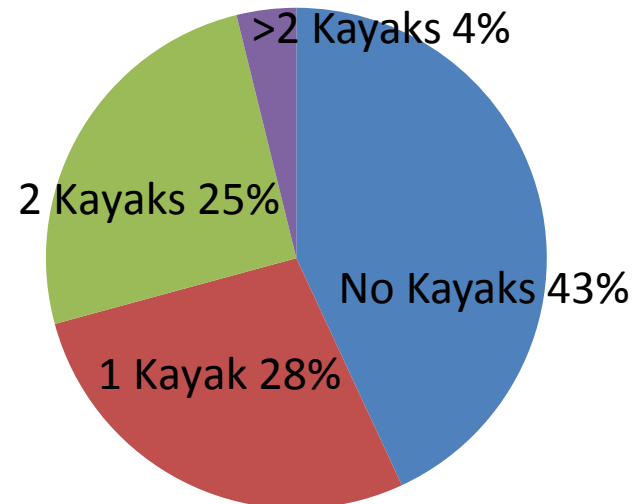

# of Properties	# of Kayaks
-----------------	-------------

56 properties have	0
--------------------	---

36 properties have	1
--------------------	---

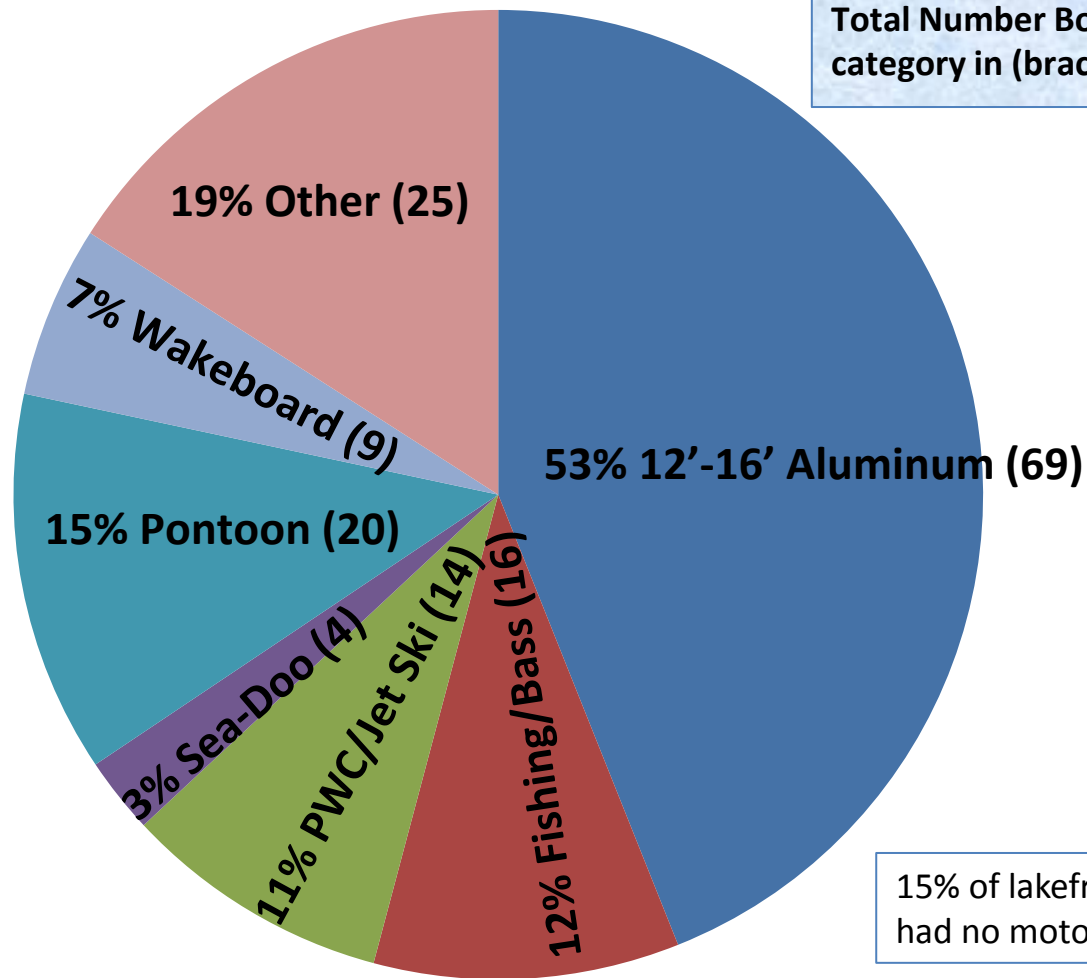

33 properties have	2
--------------------	---

5 properties have	>2
-------------------	----

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

MOTOR BOATS

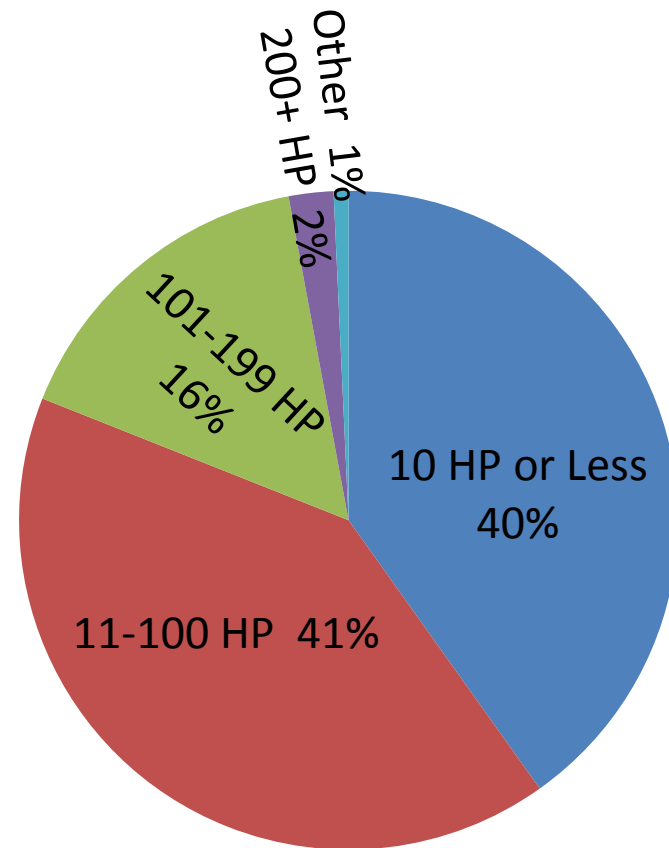

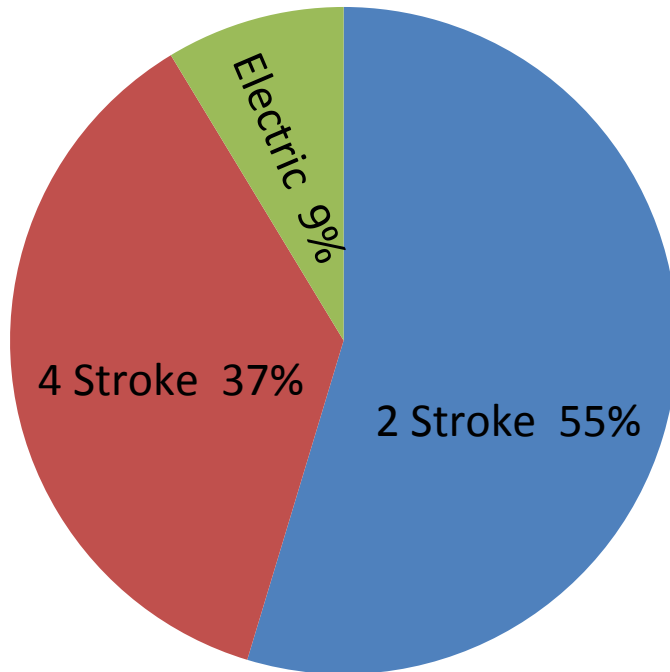

OTHER

Bowrider	6
Fibreglass	4
Inboard/Out	3
Run About	3
Motor	2
Jet Propelled	1
17' Boat	1
Zodiak	1
Ski Boat	1
Deck Boat	1
Not Identified	2

15% of lakefront properties had no motor boat.

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

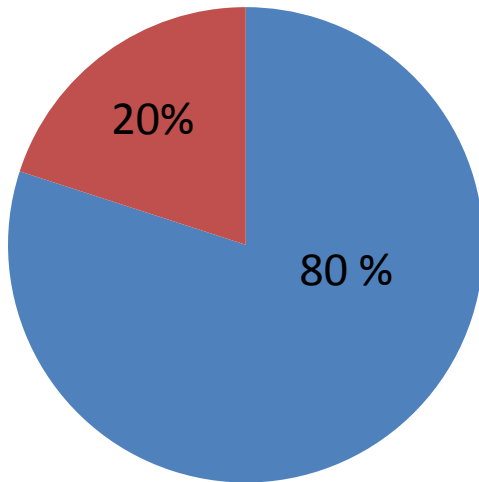

Motor Type & Size

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Percent 2 and 4 Stroke Motors

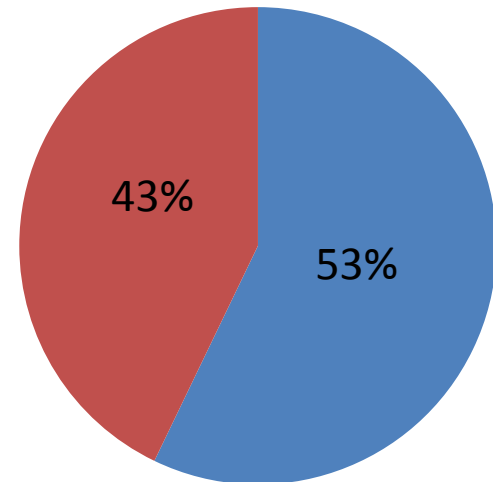

10 HP or Less

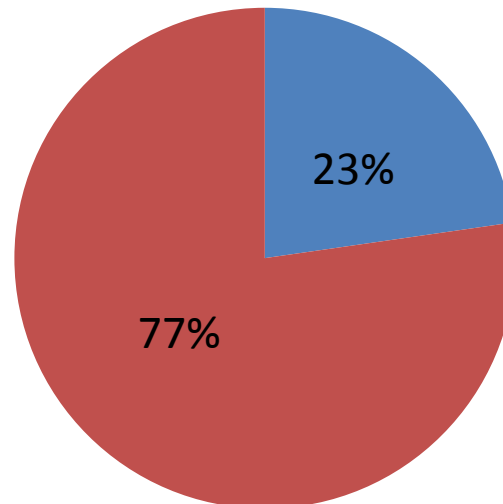

2 Stroke

4 Stroke

11-100 HP

101 – 200 HP

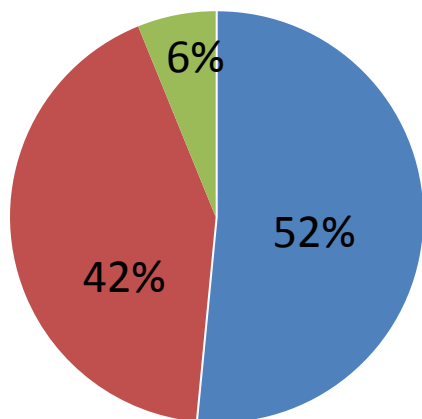

Of the 3 Motors 200+ HP
1 was 2 Stroke, 2 were 4 Stroke.

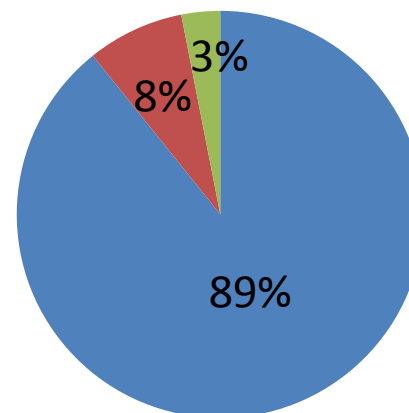

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concern About Boat Speeds

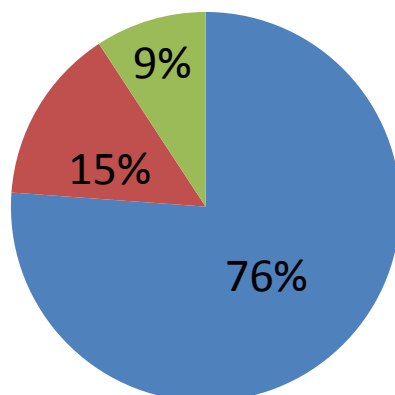

In Open Water

Close to Shoreline

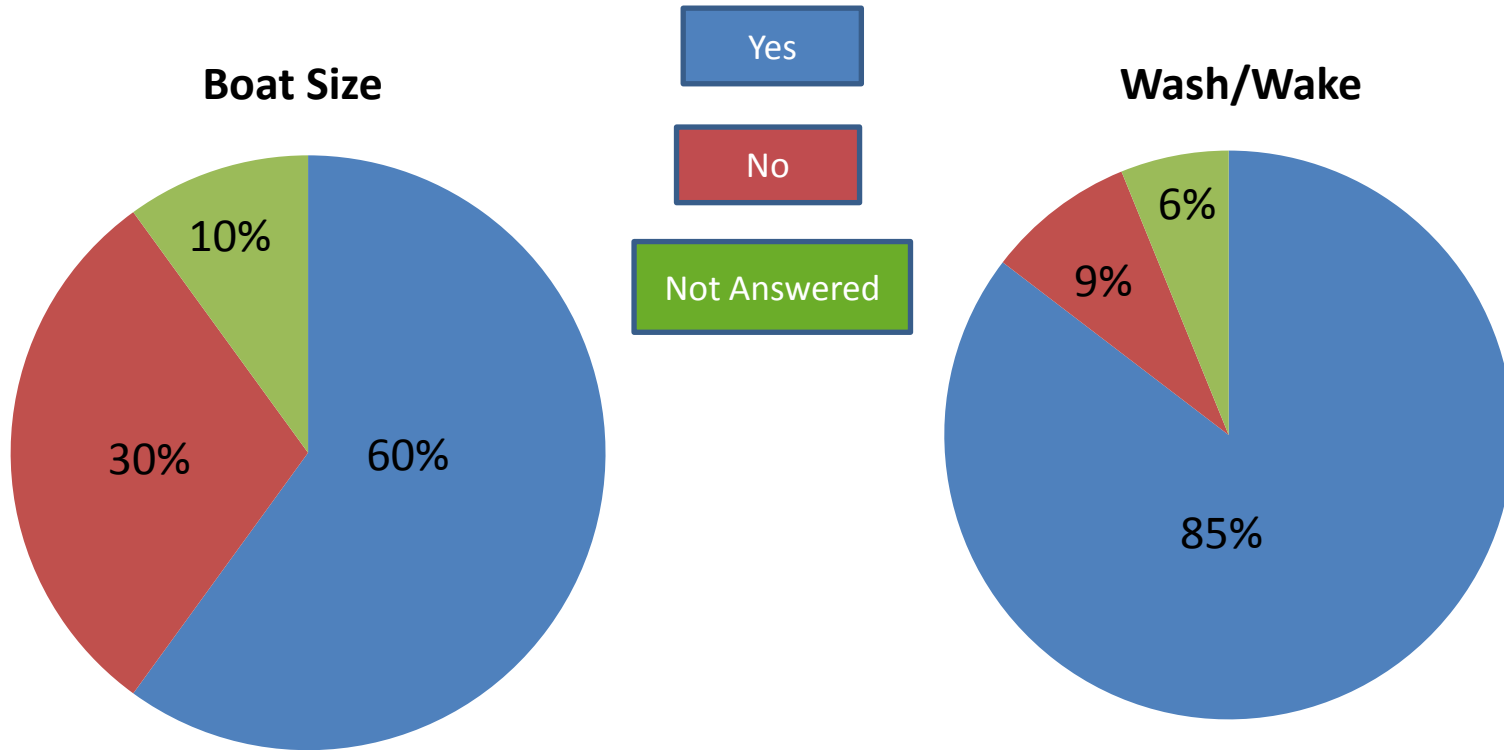

During Nesting Season

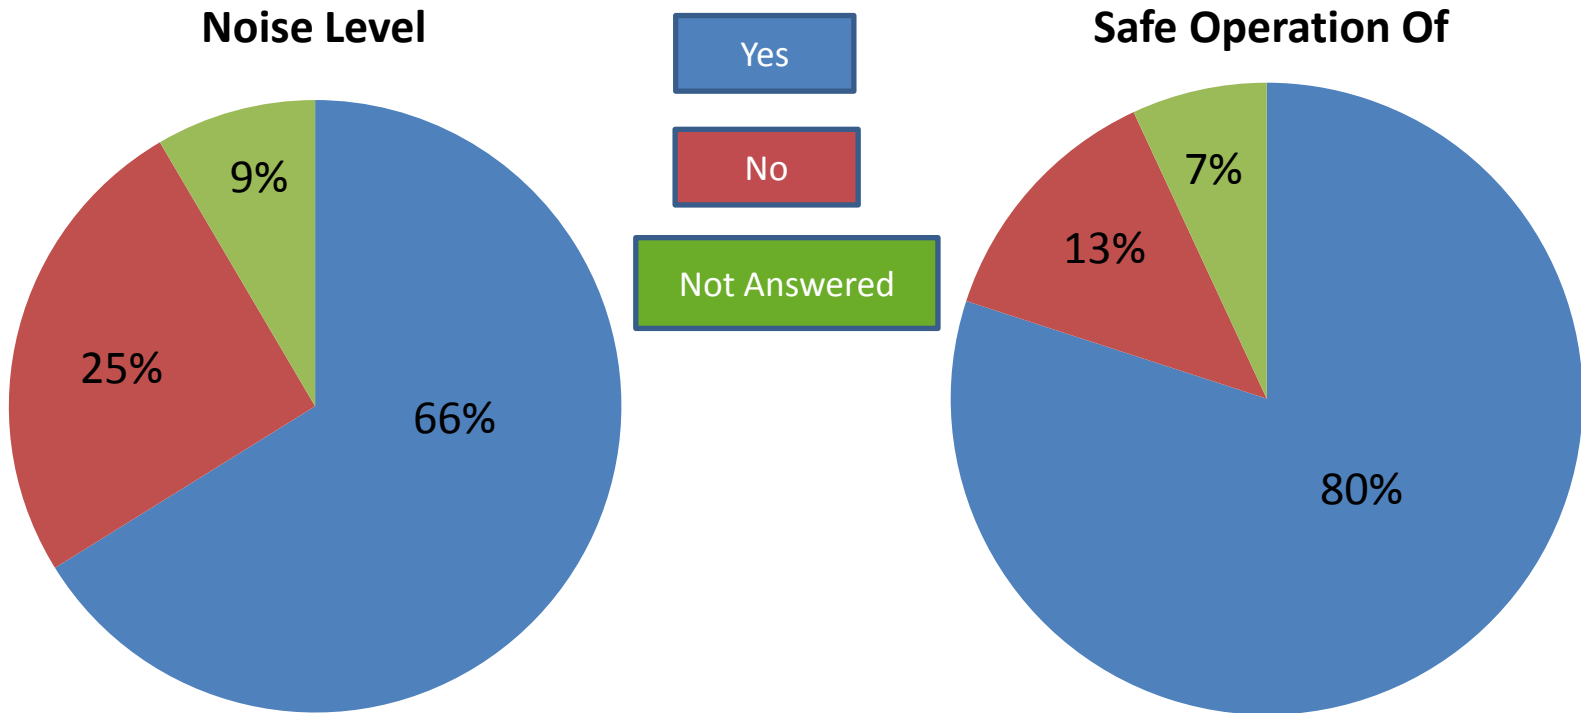

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Boats

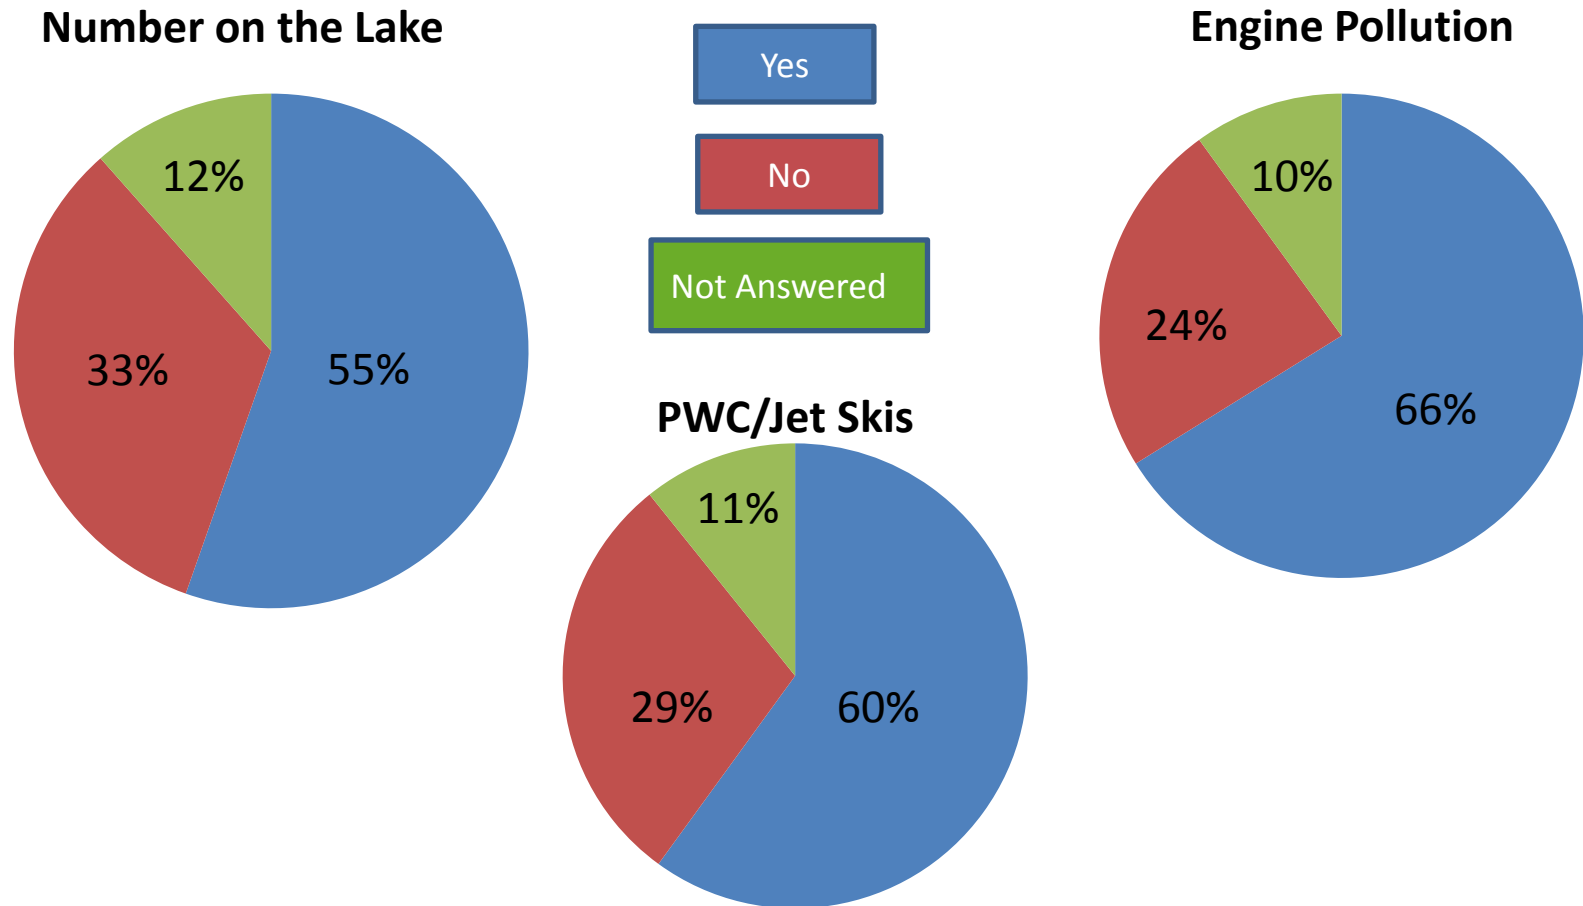

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concern About Boats (cont'd)

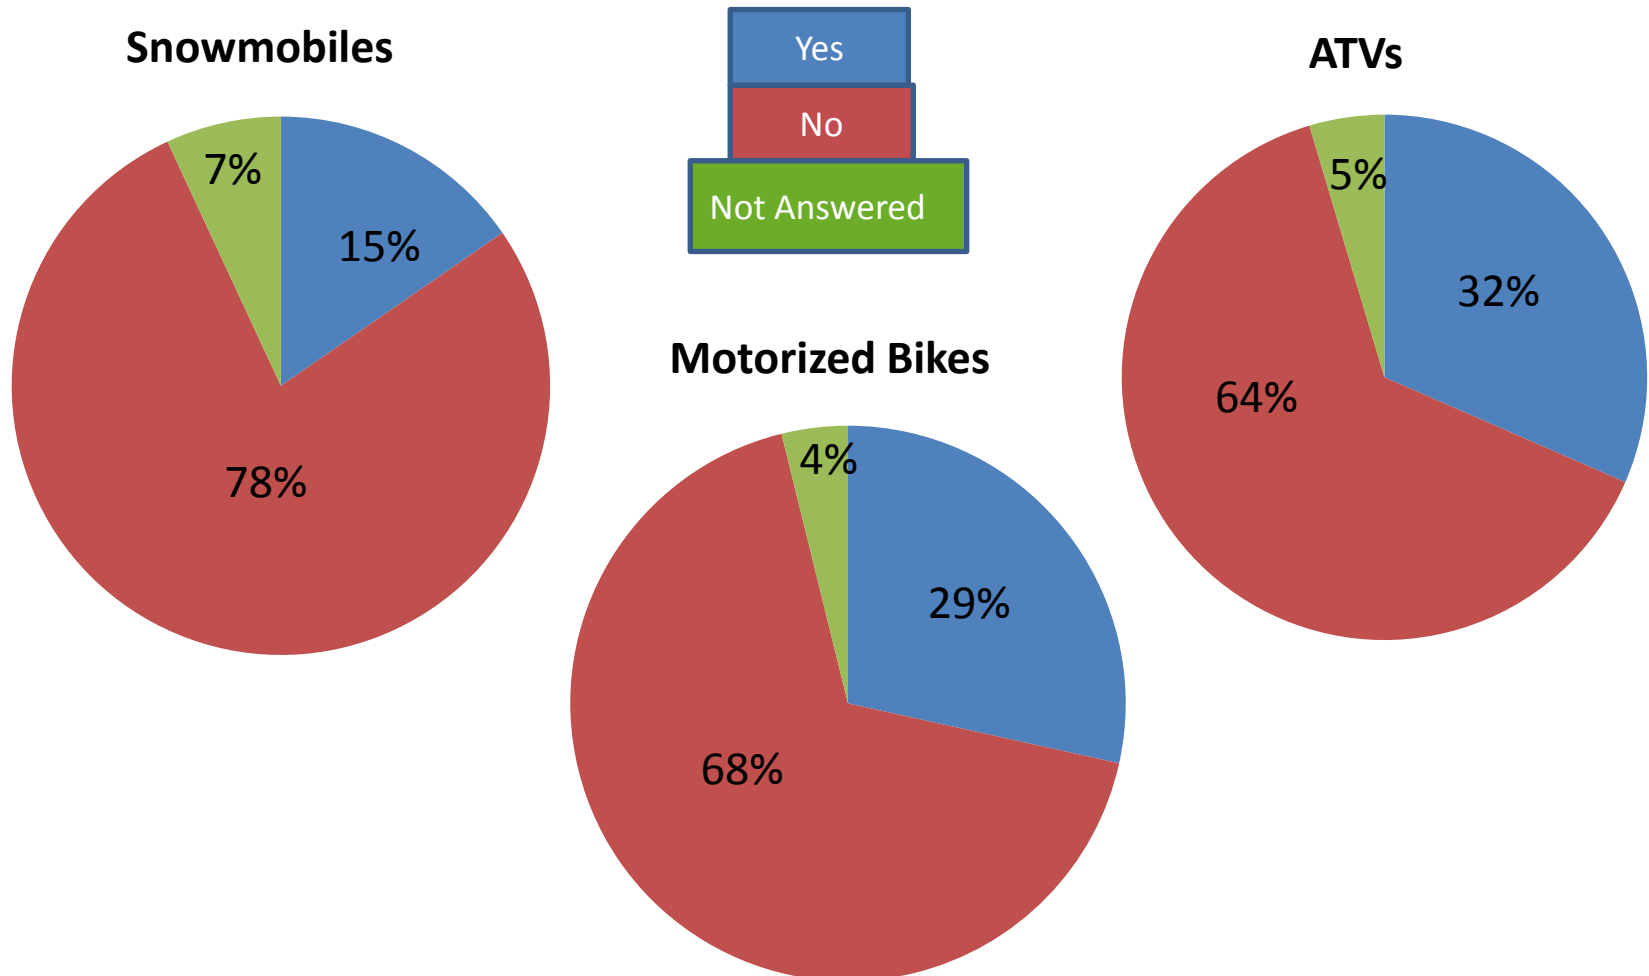

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concern About Boats (cont'd)

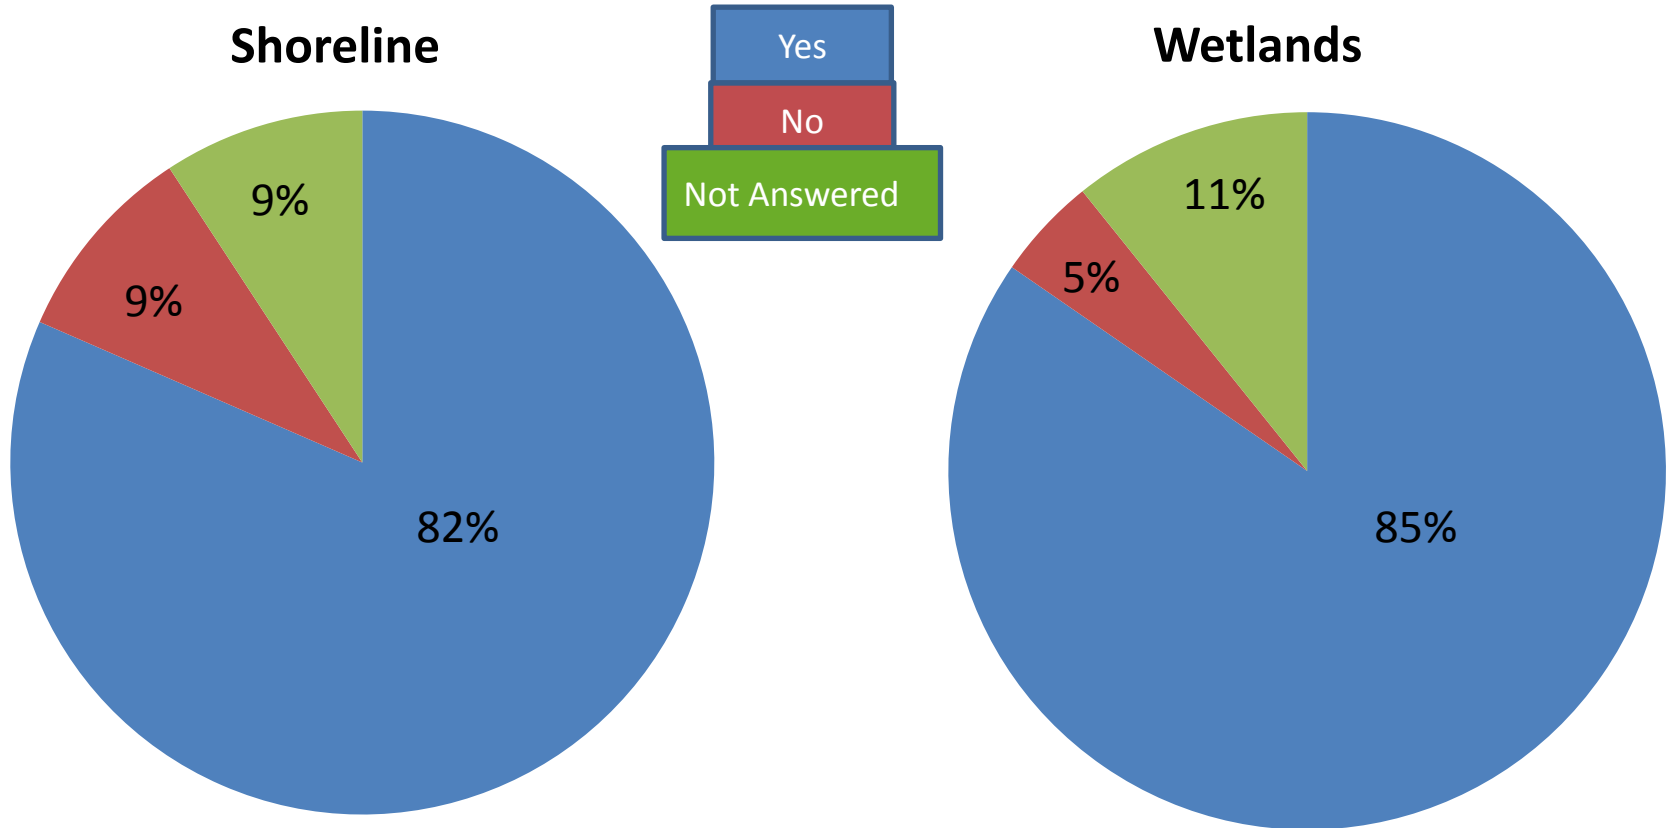

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns Off-Road Vehicles

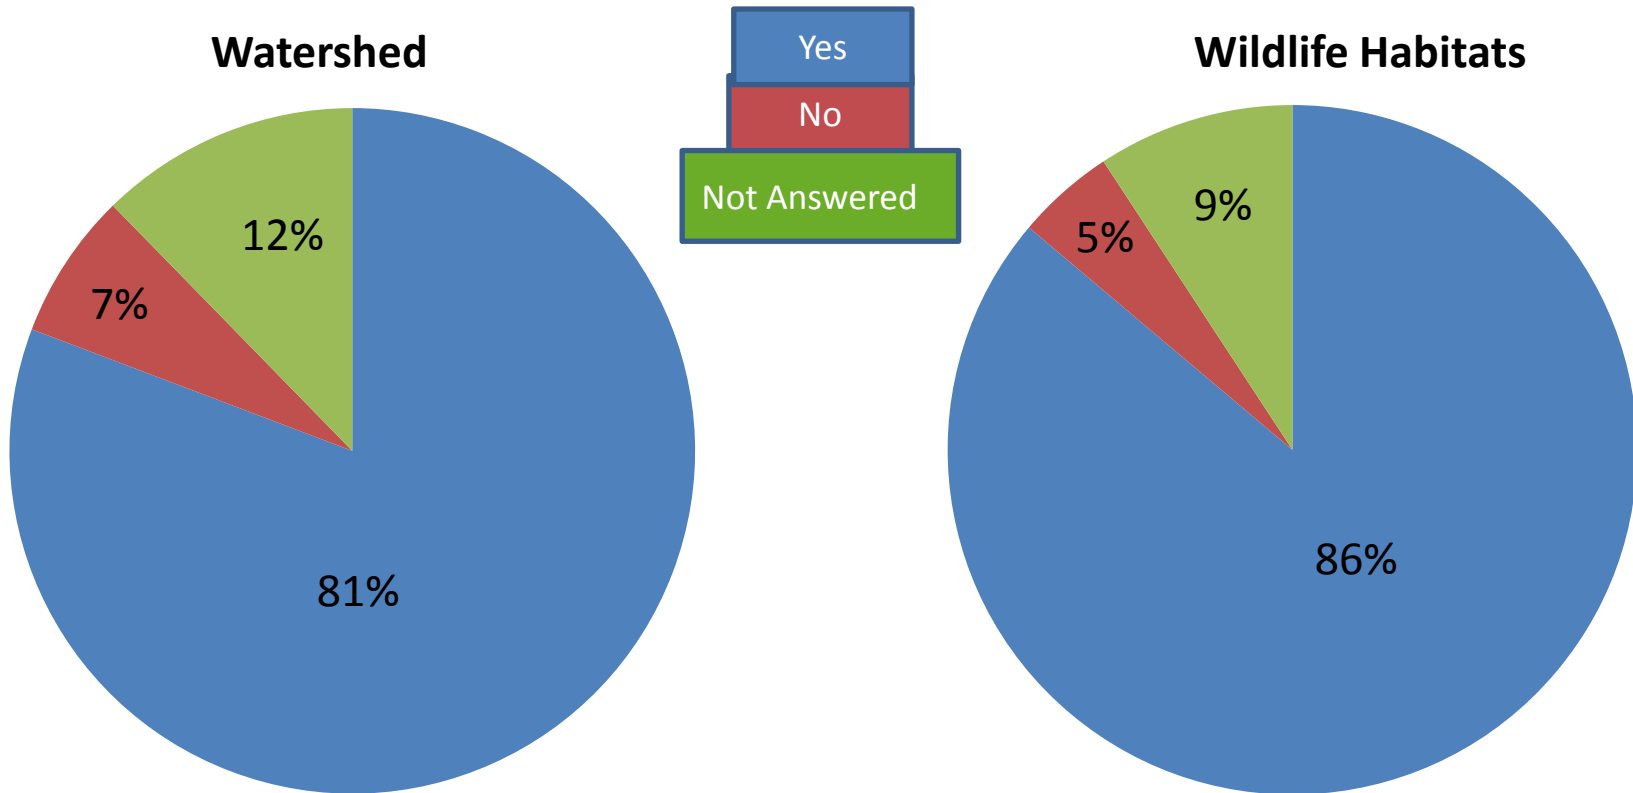

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Support for Efforts to Protect Lake Area

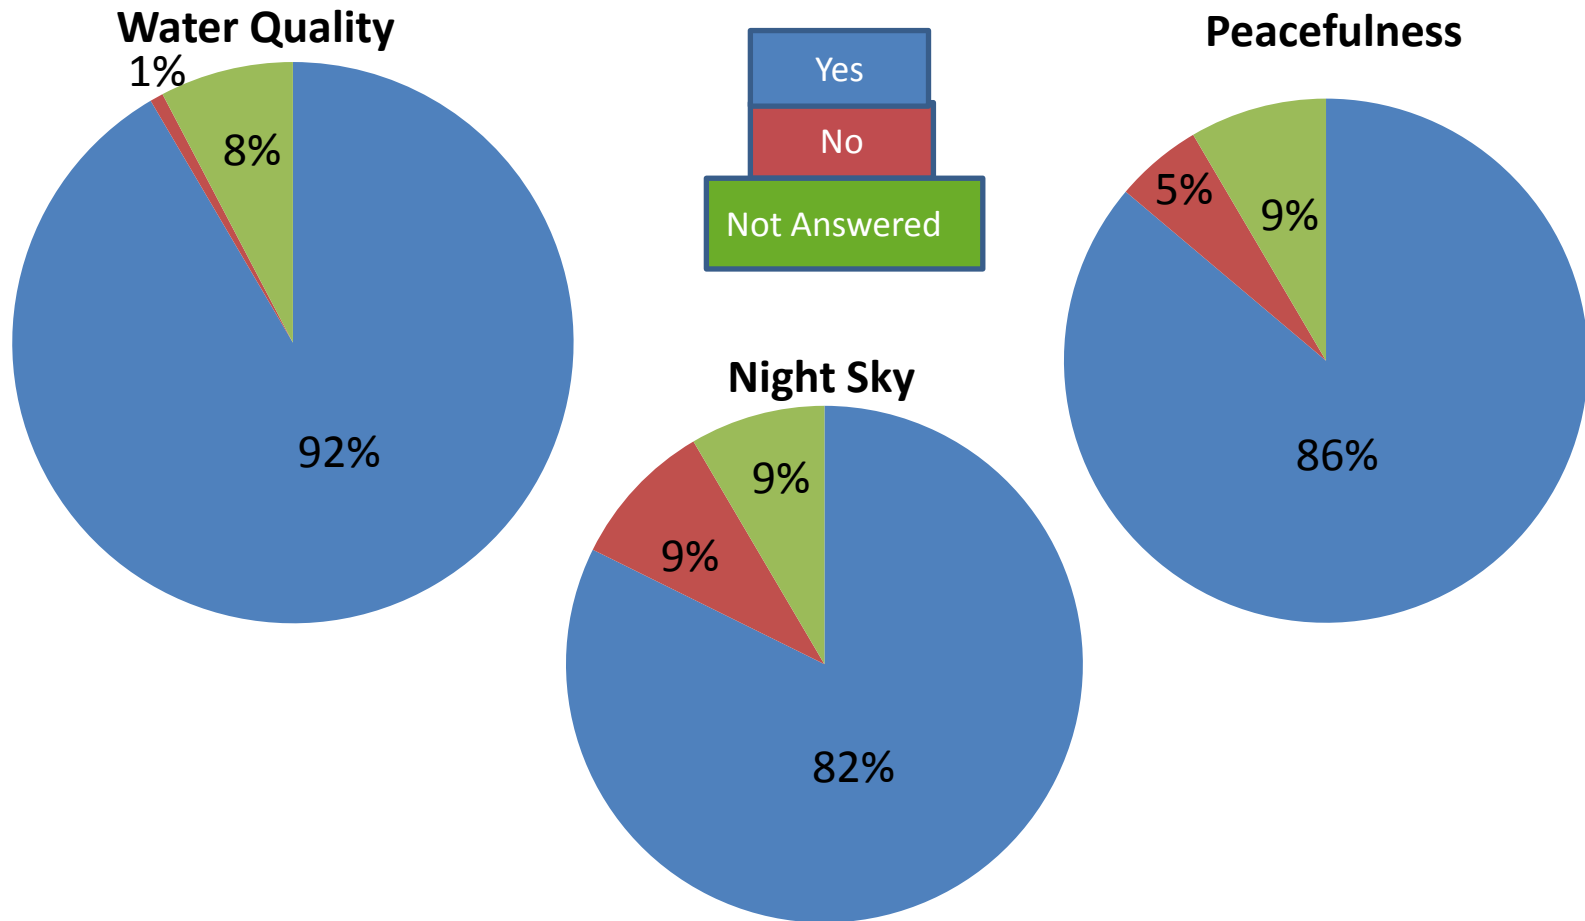

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Support for Efforts to Protect Lake Area (cont'd)

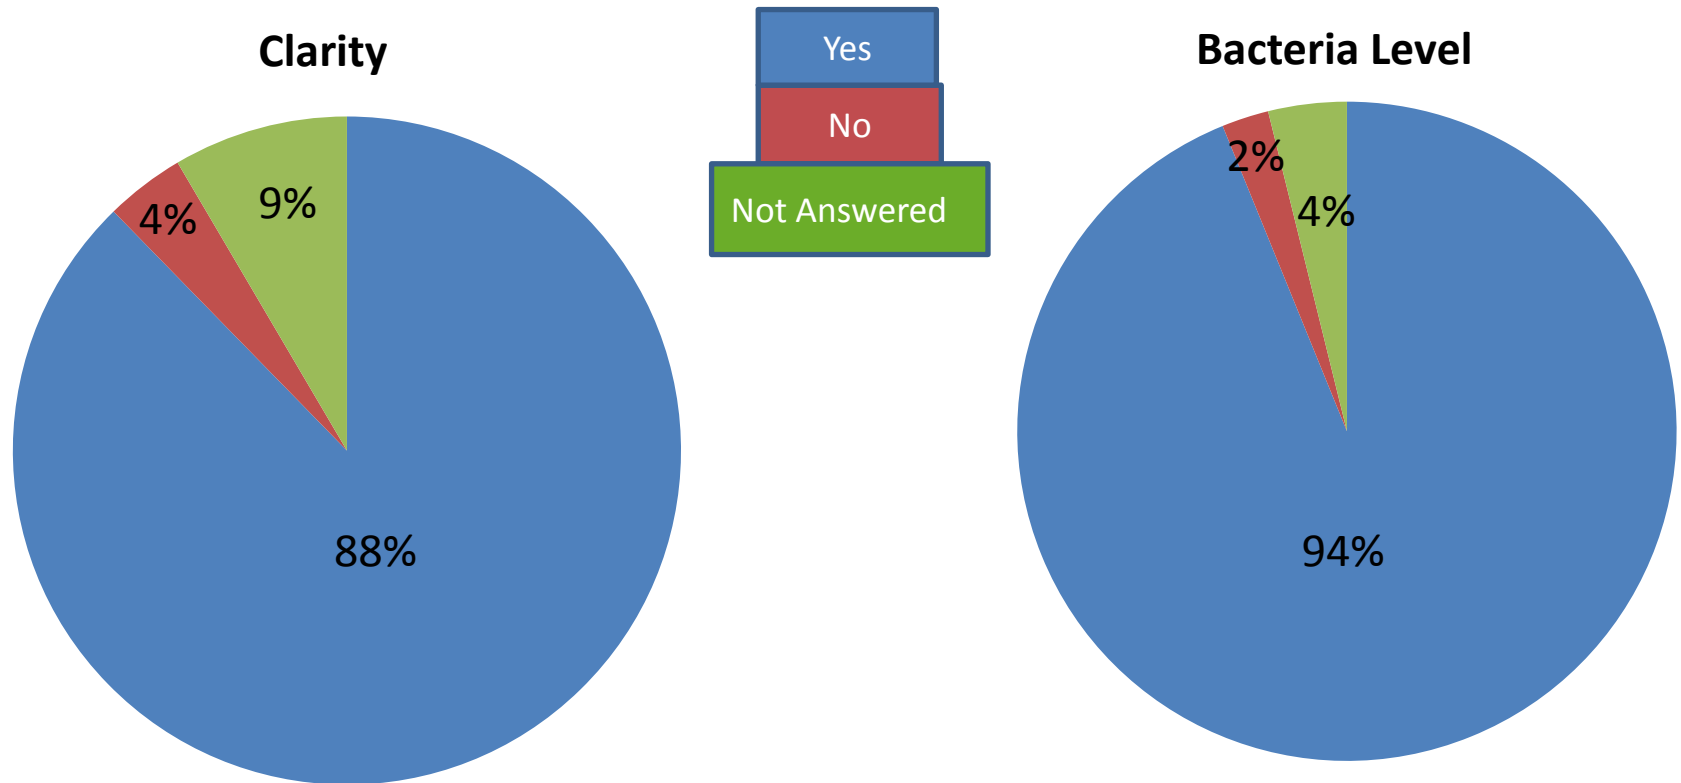

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Support for Efforts to Protect Lake Area (cont'd)

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

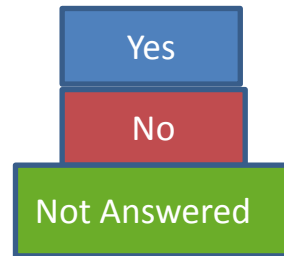

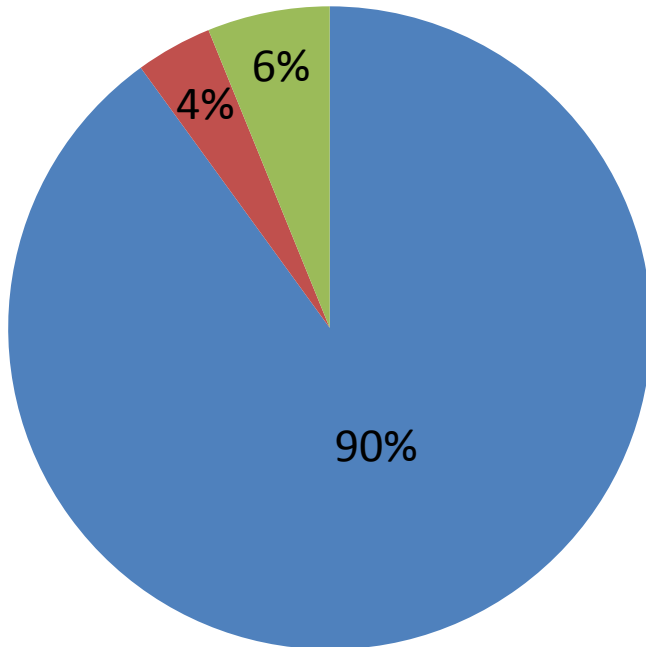

Support Efforts to Monitor Quality of Lake's Water

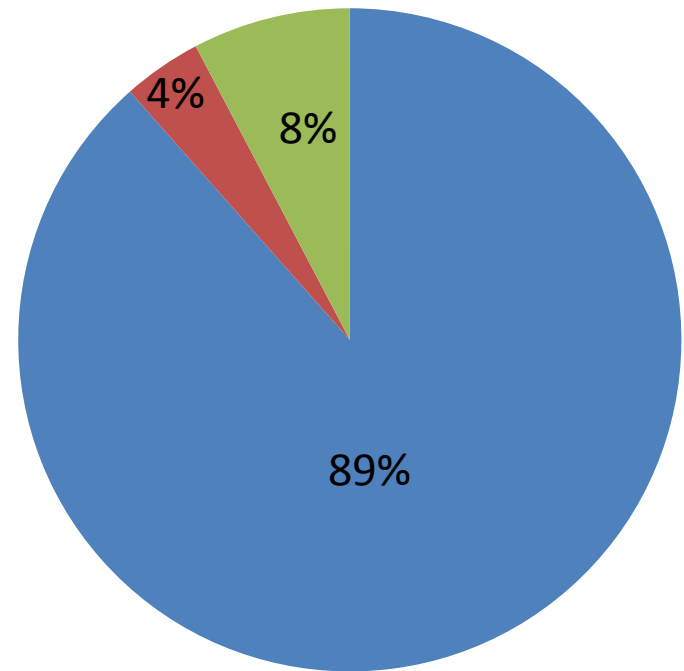

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Support Efforts to Monitor Quality of Lake's Water (cont'd)

Phosphorous Loading

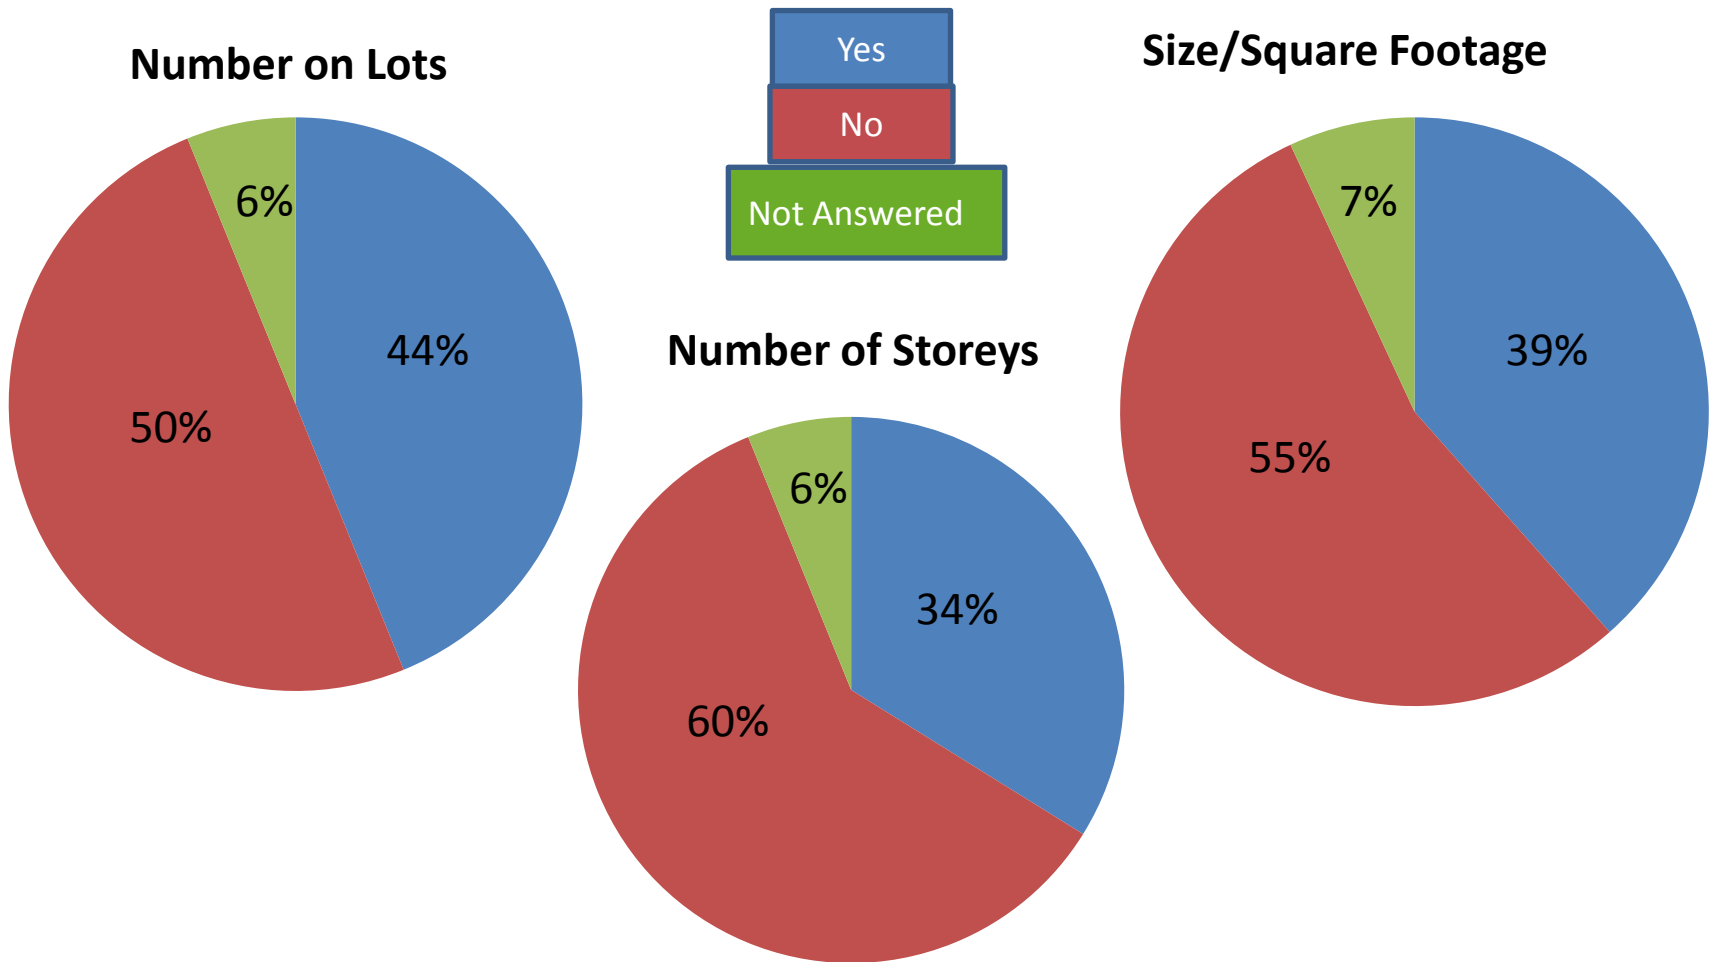

Algae

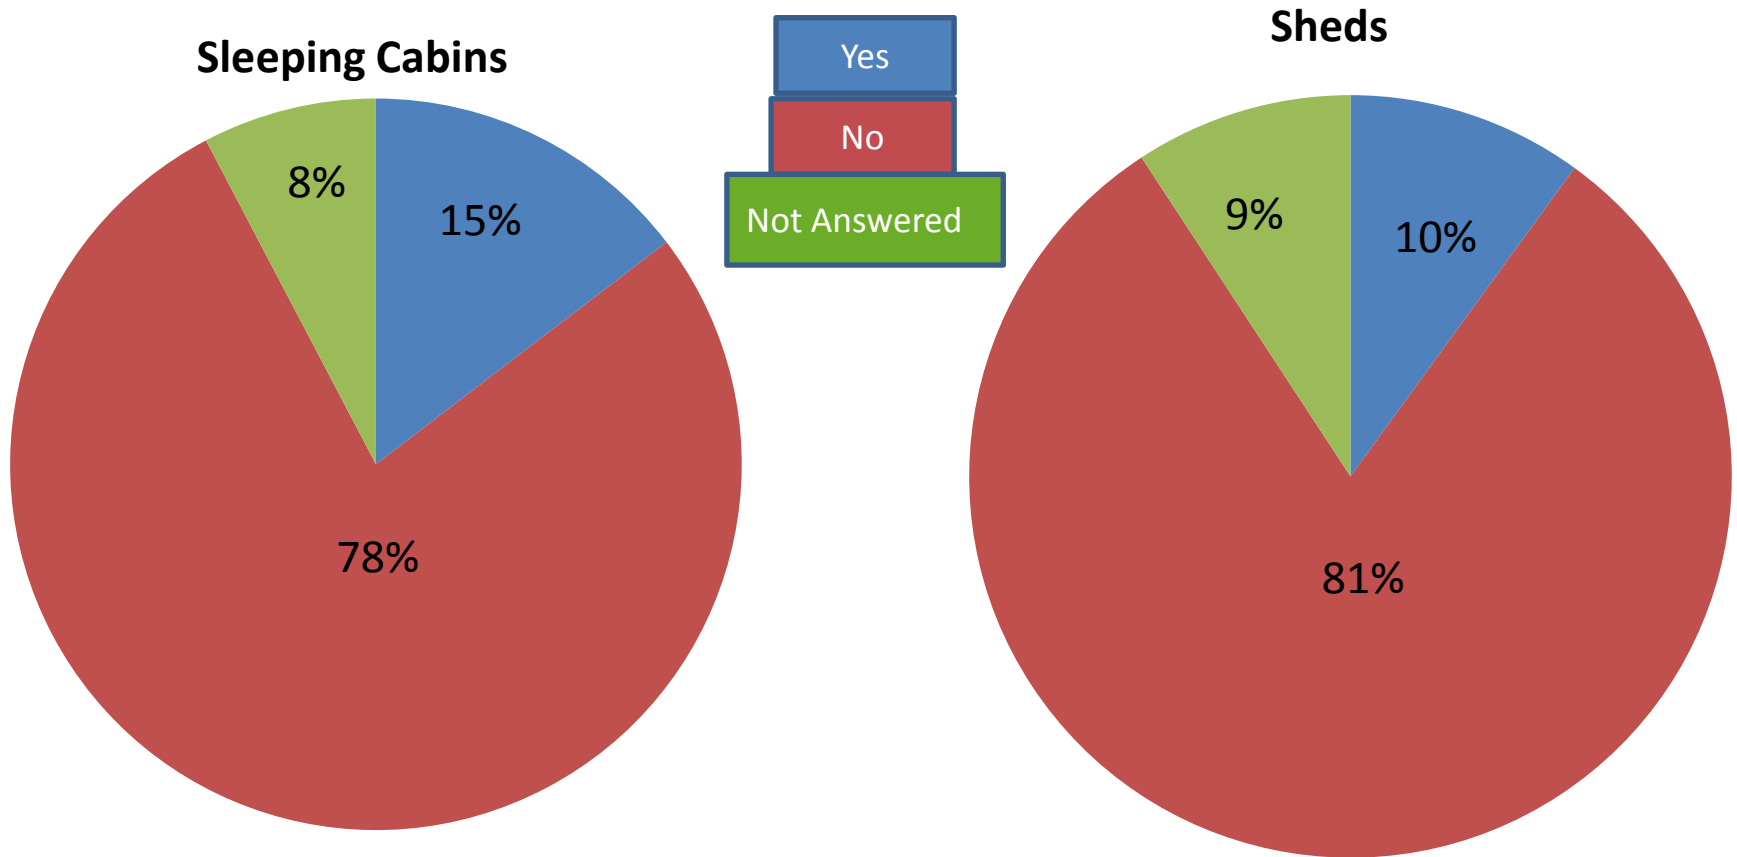

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Buildings

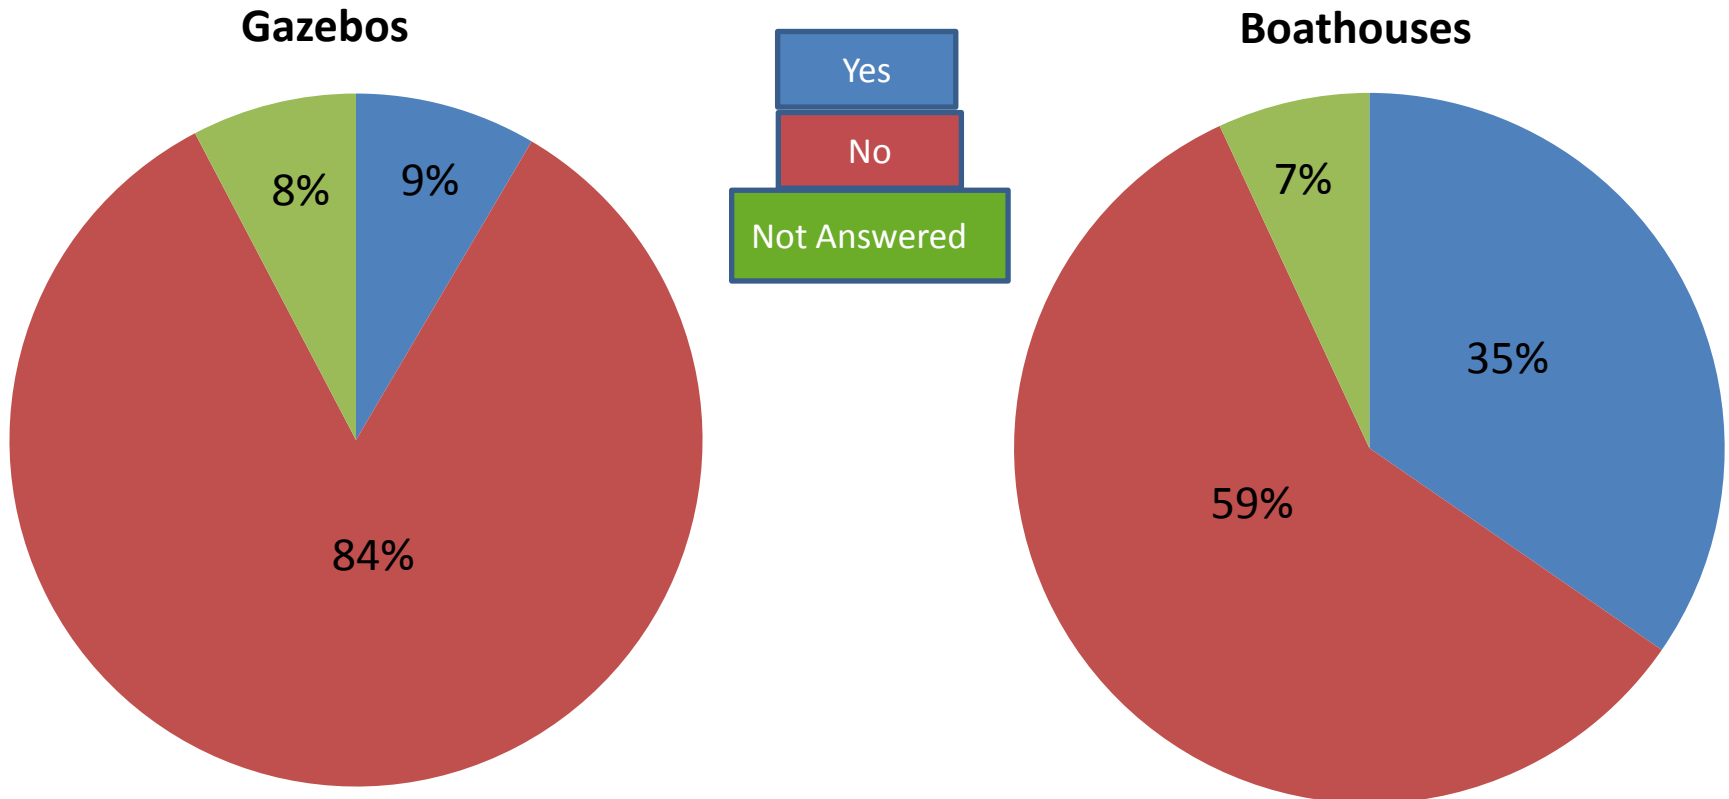

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Development, Structures, etc.

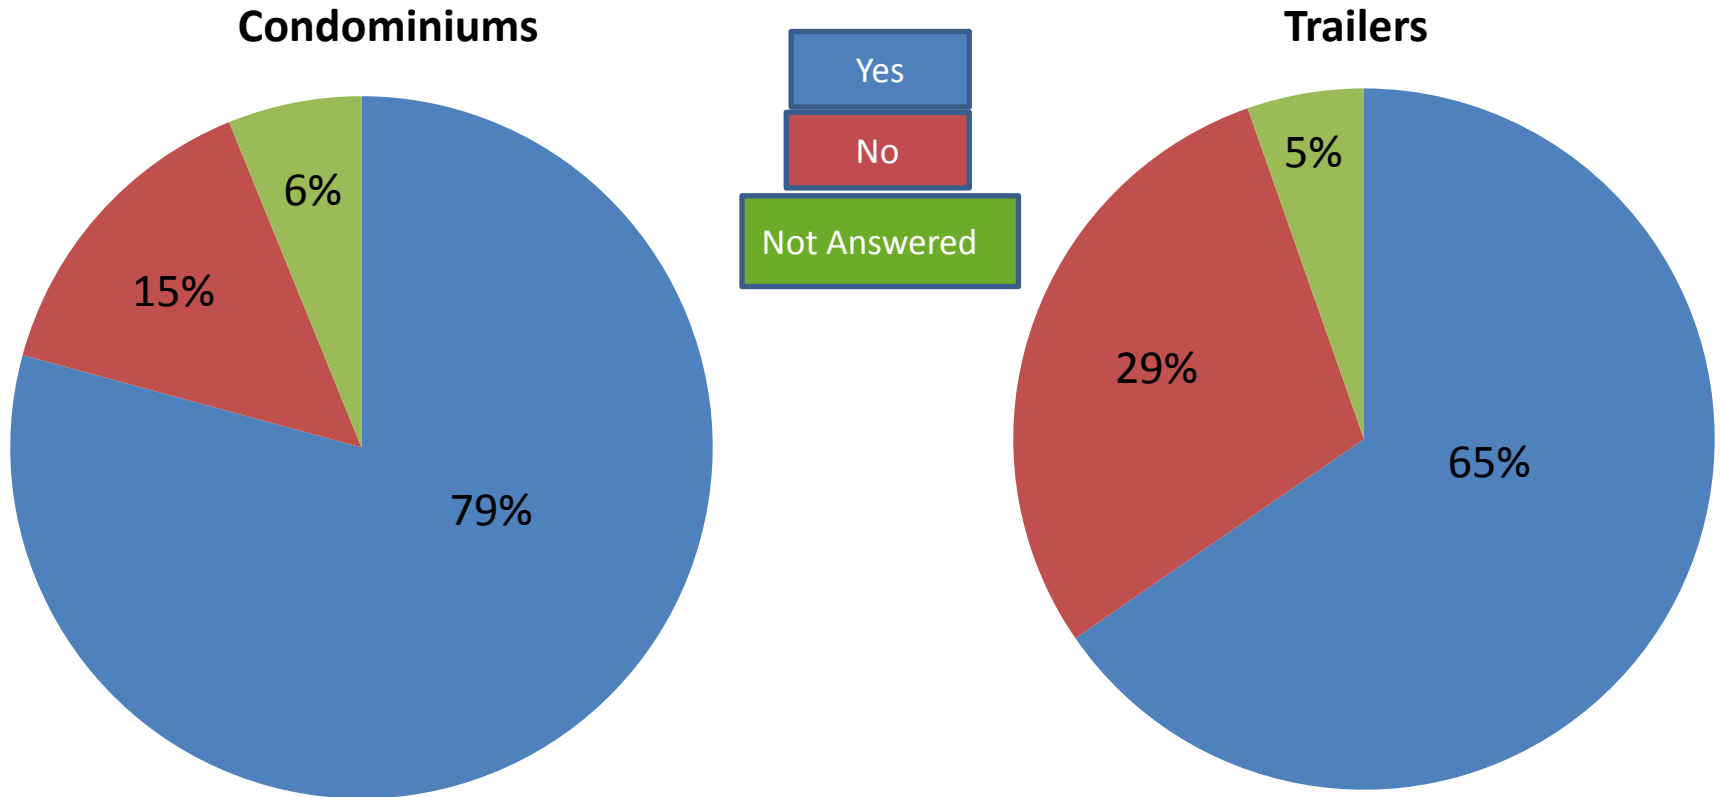

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Development, Structures, etc. (cont'd)

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

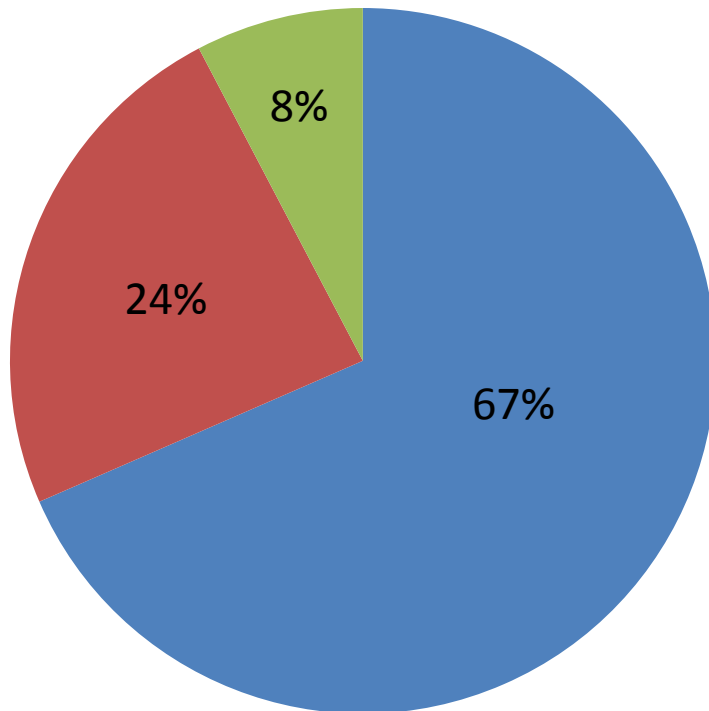

Concerns About Development, Structures, etc. (cont'd)

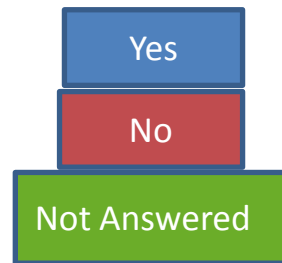

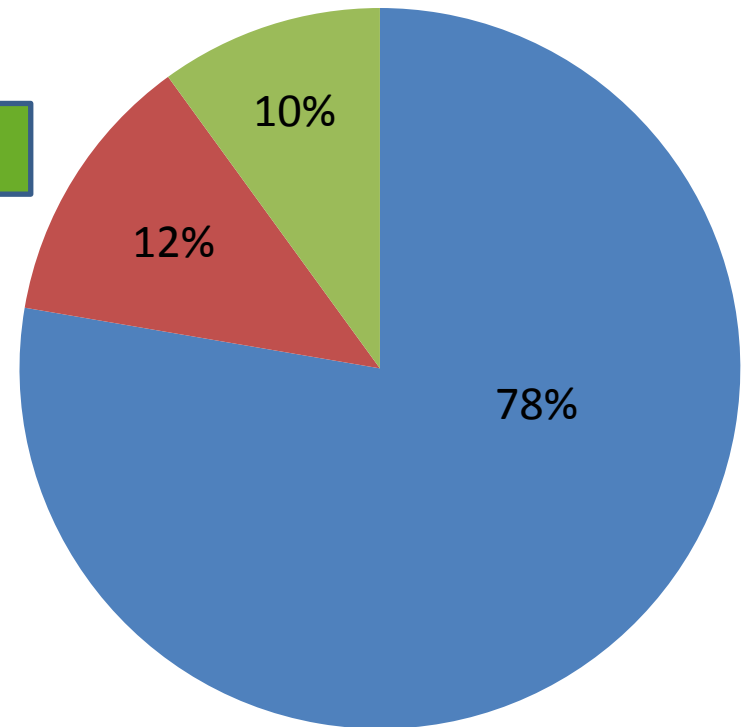

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Development, Structures, etc. (cont'd)

Backlot Development

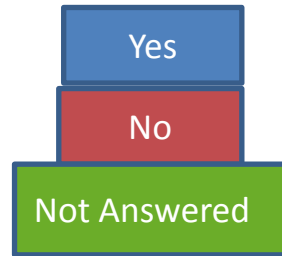

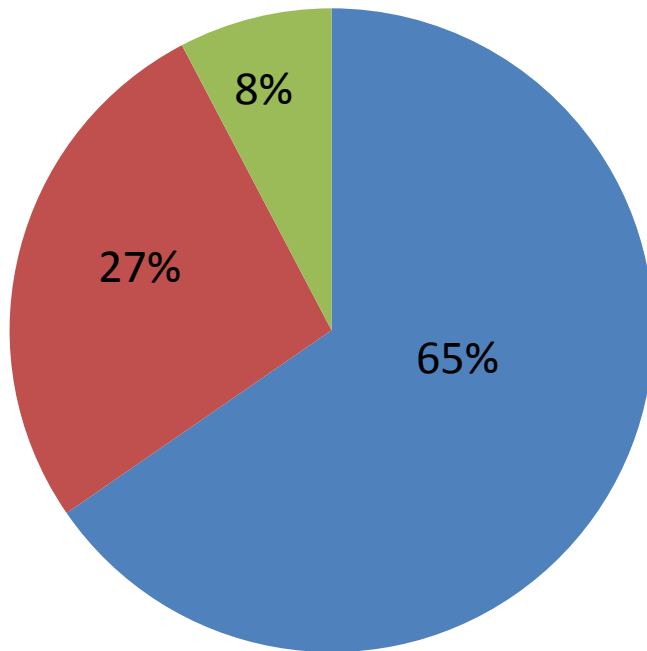

Non-Residential Development

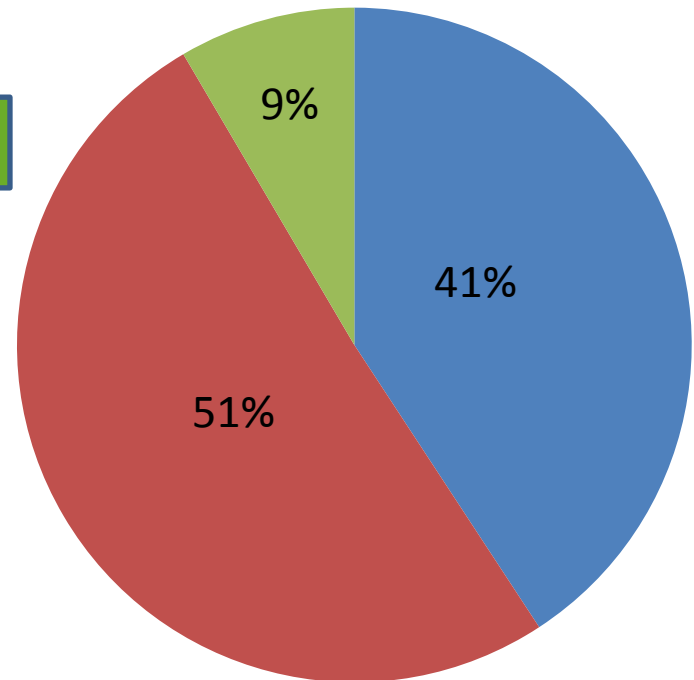

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Development, Structures, etc. (cont'd)

Wind Farms

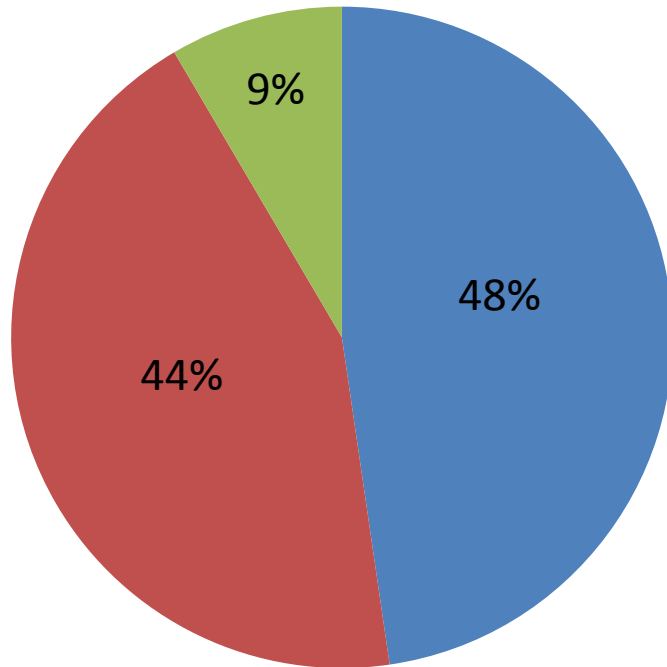

Solar Energy Developments

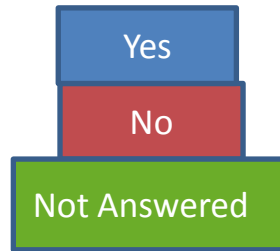

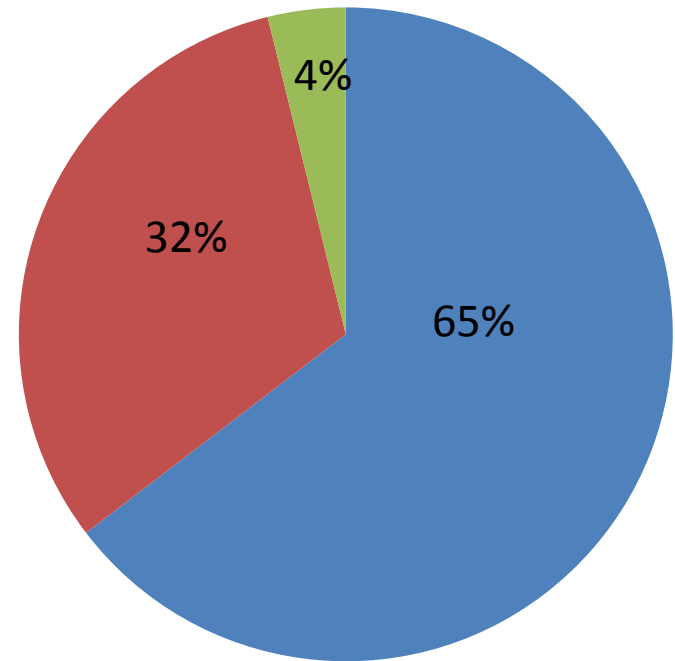

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns Types of Buildings/Structures (cont'd)

Communications Towers

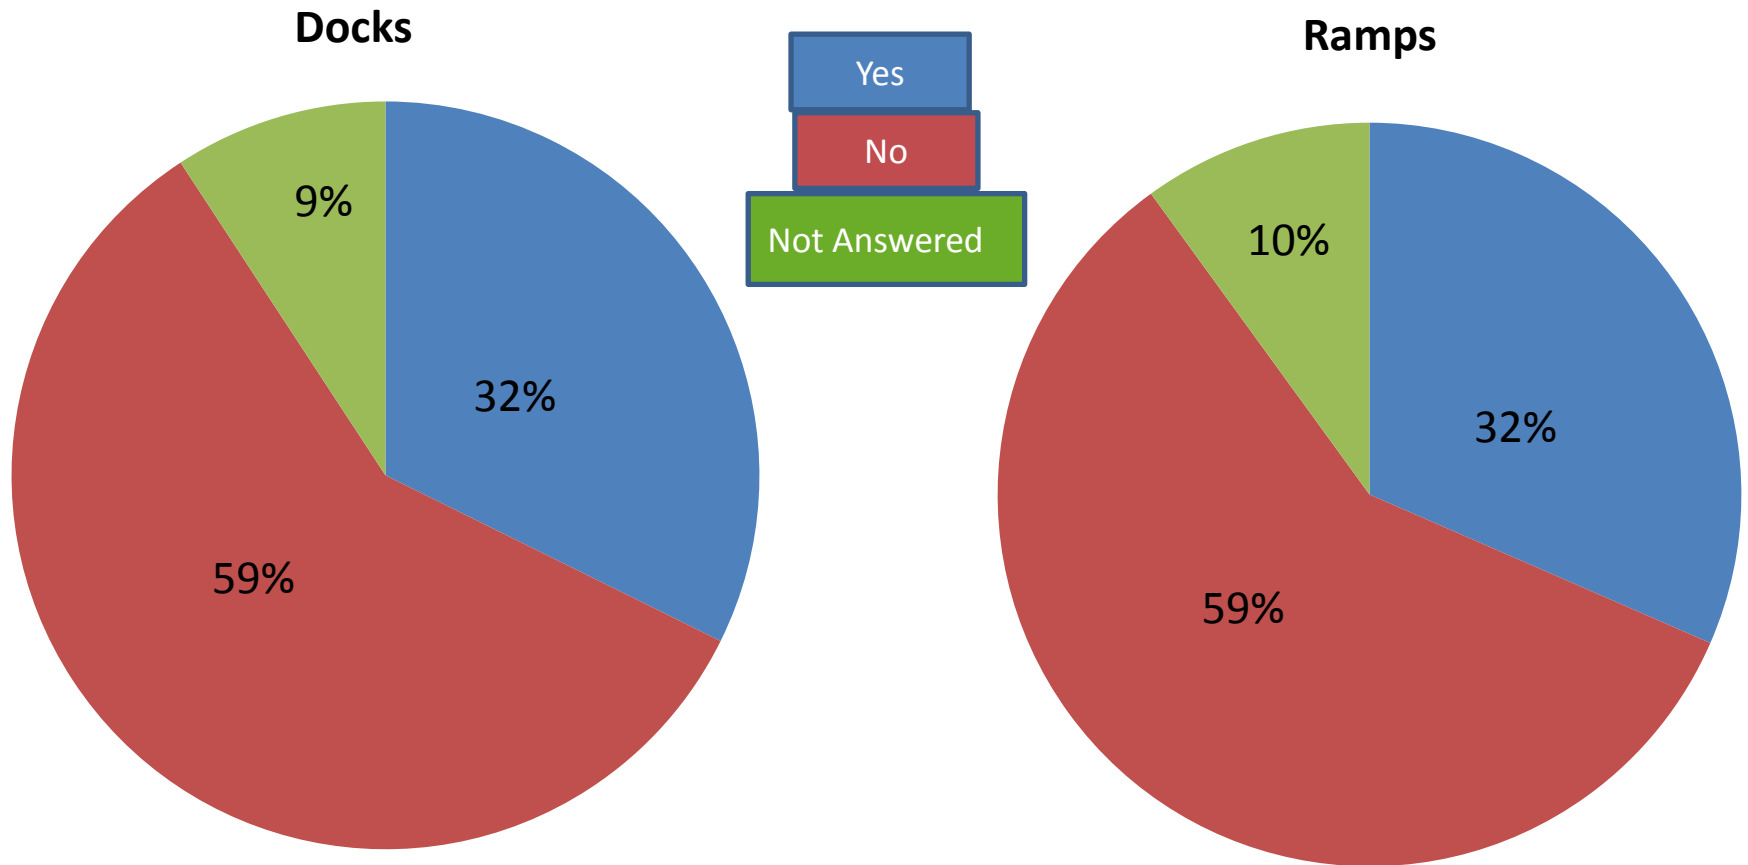

Artificial Night Lighting

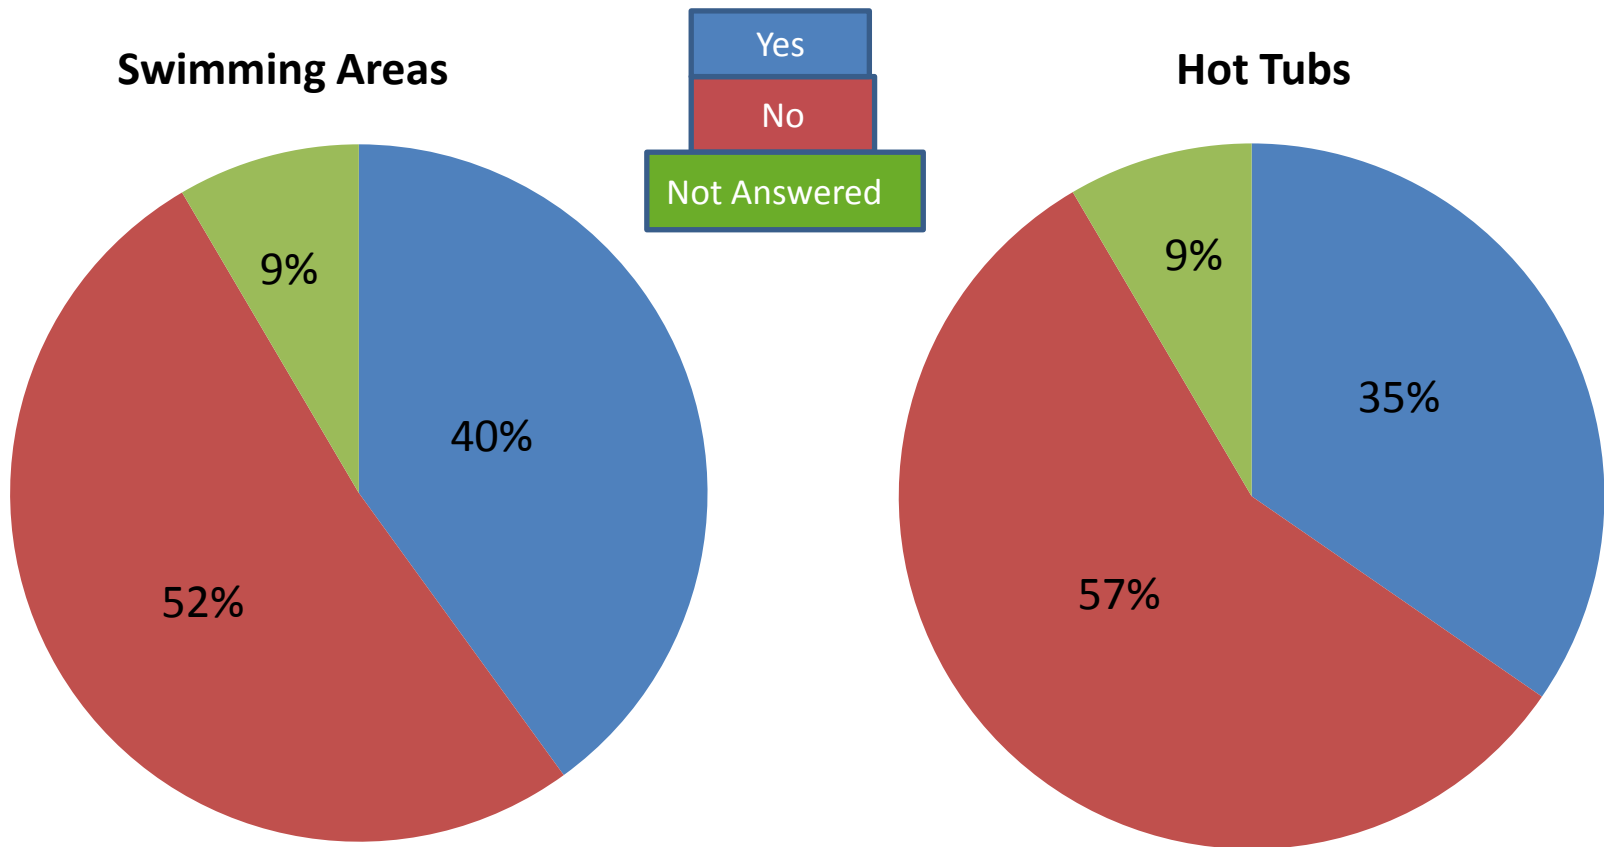

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Shoreline Infrastructure

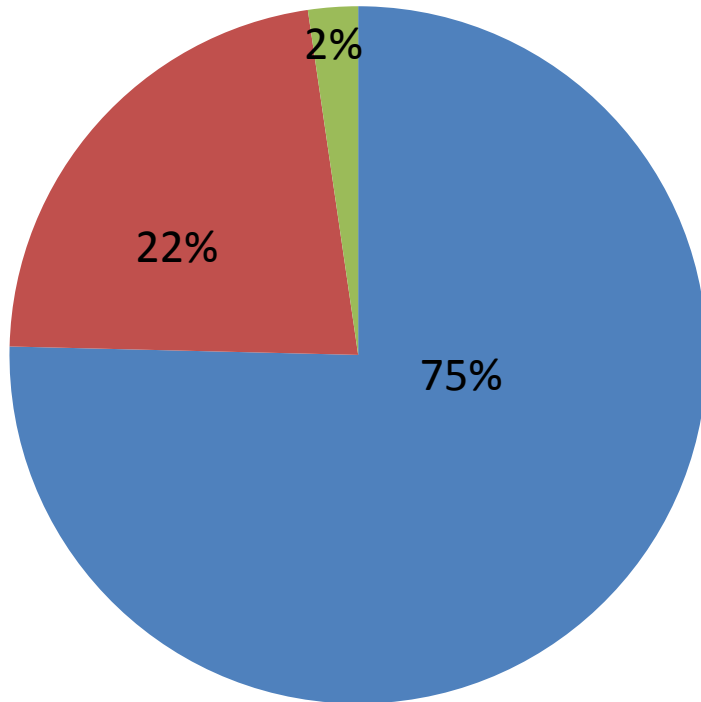

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Shoreline Infrastructure (cont'd)

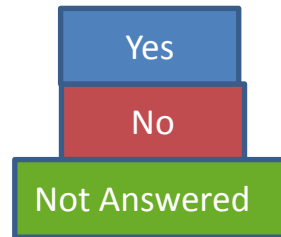

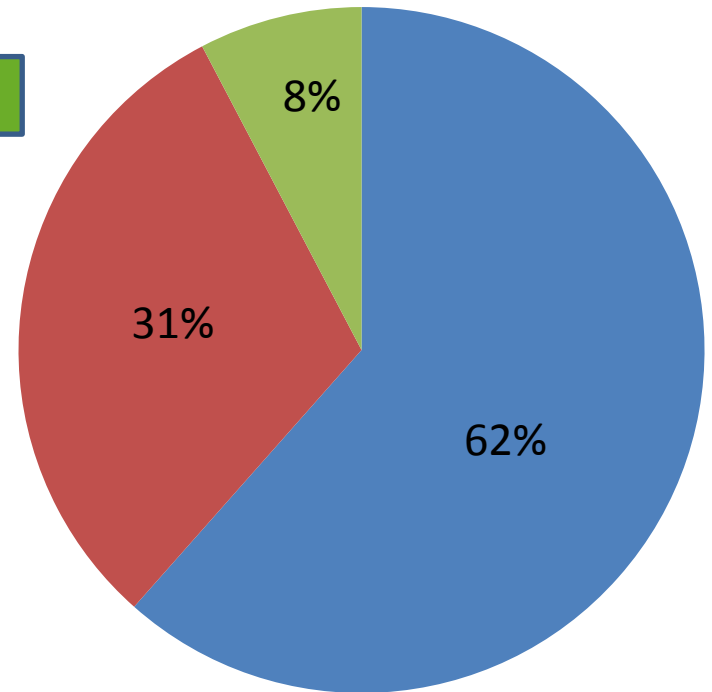

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

Concerns About Fluctuating Water Levels

Support For Mandatory Septic Inspections

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.

THE END

Please note: due to rounding, not all totals = 100% .
Survey results based on 130 Surveys returned.
