

Dear Potential SSAK Sponsor,

Thank you for considering to sponsor a team at Southside Adult Kickball (SSAK). SSAK was established in 2009 and provides a recreational league in the Corpus Christi Area for kickball players 18 years and older. SSAK operates from their location at The Jerry Smith Fields, 4200 McArdle also known as the Southside Little Miss Kickball Fields. In previous seasons we have had as many as 60 teams participating.

Our mission is to raise funds for the betterment of Southside Little Miss Kickball, a kickball league for young girls 5-18 years old. SSLMK has operated for over 50 years in Corpus Christi and provides a safe, family environment, which teaches leadership, teamwork, the thrill of winning and the lessons on how to deal with losses. Southside is the largest league in the state with over 550 girls each season. To that end, all profit from our league is used to maintain the park, update facilities, new projects to enhance the complex, and provide scholarships for graduating seniors from SSLMK. In recent years, funds raised have been used to replace our scoreboards, replace our elevated score boxes, replace our mower/tractor, repair unexpected plumbing issues, paving for parking lot, and replacing 4' fences with new 6' fences.

SSAK is also active in the assistance of community groups: FYILP (Foster Youth outreach program), Kick for the Cure, and Autism Speaks! These organizations have come to us for assistance with tournaments and fundraising for their respective groups. We are happy to assist!

We hope that you decide to sponsor at our league. We invite you to visit our SSAK website <http://www.southsideadultkickball.com> and to see the great things happening at SSLMK visit <http://www.sslmk.com> Our current team fee is \$60 per player (as of 7/2022).
