CYO Coaches must have a card which proves they are certified, hanging in a lanyard around their neck, or they will not be allowed on the sideline.

### **Basketball Preparations**

Tim Adams will email coaches from last year to see if they would still like to coach again, as well as advertising for others who may want to coach.

Stephen Janowski spoke with a company who will not charge to come on site and give an estimate; Stephen will get 2-3 quotes to bring before the BC.
