

# West Allegheny Youth Football and Cheer

April, 2014

## WAYFC Joins the Parkway Youth Football League

At the end of the 2013 season, West Allegheny Youth Football and Cheer found itself at a crossroads. As the only single age group organization in Western Pa, SSYFL was continuing to lose member teams.

While we pursued joining other leagues, we couldn't find the right fit for our organization. After multiple meetings and a variety of offers from other leagues -

WAYFC is proud to be a founding member of the  
**Parkway Youth Football League!!**

Consisting of:

Moon, Montour, Baldwin, Brookline, West Mifflin, Washington, and Chartiers Valley.

We are looking forward to an exciting 2014 season!

## Registration Dates:

The WAYFC Organization will hold registration for the 2014 Football and Cheer season on Tuesday, April 15 and Wednesday, April 23 in the North Fayette Community Center Gym from 6:00 - 8:00.

Registrations forms can be found on pages 4 - 7 and they can also be found on our website.

## WAYFC New Football Format

The Parkway Youth Football League has established the following guidelines for each team:

<u>Age (by July 31<sup>st</sup>)</u>	<u>Maximum Weight</u>
7U	95 lbs
8/9	110 lbs
10/11	135 lbs
12	155 lbs

To accomplish the goal of maximizing playing time the league has established a format which will require the 8/9 and 10/11 year old teams to play twice on each game day.

The goal of this format is to allow each player to enjoy a game day experience in a safe environment with competition at their same skill level.

**\*\*NEW FOR 2014\*\***

## **2014 HELMET PURCHASE**

As we are all aware, there is a great deal of focus on concussions in sports – professional, collegiate, high school and youth. Some of you may have seen the Virginia Tech 2013 ratings for football helmets. These ratings are for the adult helmets only. There is NO RATING system for youth helmets. The most important factor in youth helmets is to provide each player with the best fit. In order to do that, WAYFC carries several different helmets so that we can do our best to give each child the best fit possible.

Many parents have expressed interest in purchasing a helmet for their child, but with the hefty price, that is not always an option for some families. This year we are introducing a new program in order to help offset the cost of the helmet and give anyone who is interested the opportunity to purchase their own helmet for their child. We have chosen three (3) helmets which will be available at registration in a variety of sizes for your child to try on. This will allow you to see not only which *size* fits your child best, but which *helmet* fits best.

### **How does the program work?**

You will select the helmet and size you wish to purchase. Payment will be due up front (prior to ordering), but WAYFC will offer additional ticket books (the same as we use for registration) in books of 5 (\$50) up to, but not exceeding the cost of the helmet. Example: if the helmet you choose is \$125, we will give you 2 additional books (10 tickets = \$100 if you sell them). **YOU KEEP THE MONEY FOR THE TICKETS YOU SELL.** Your helmet only costs you \$25 if you sell the extra books.

### **Which helmets are available?**

The three helmets that will be available are:

Xenith X2E Youth

Schutt Vengeance DCT Hybrid Youth

Schutt Recruit Hybrid Youth

### **How much will the helmet cost?**

We are still working to get the best possible price for each helmet. You can expect the helmet to be around \$125. As soon as we lock in the pricing we will send an update, but we want to give everyone an estimate so they can plan accordingly if interested in this new program.

### **Who will maintain my helmet?**

WAYFC will require anyone who owns their own helmet to bring it to equipment pick up each year so that we can verify that it is up to date. It will be your responsibility to make sure the helmet is reconditioned every three (3) years. WAYFC will be happy to assist with this process and include it with our helmets when we have them reconditioned, but the cost will be your responsibility. (Approx. \$30 every 3 years)
